## ACT I

(1) EXT. EST. -- THE RIVERDELLS

Sprawling countryside full of rivers, lakes, and waterways; Zoom into Castle White Rock, near a beautiful river.

Pan over to The Craft Fairgrounds.

There are gaily colored tents with pennants snapping in the breeze, pens of fleecy sheep and other cute animals with pink and blue bows around their necks, food booths with appetizing steam rising from the tables. Happy townspeople carrying balloons or food wander through the grounds.

Walking alone and looking out of place, is SORREL, a short, stocky fellow in a blue tunic and high laced-up sandals. He holds a flat package wrapped in cloth tightly against him; He is noteworthy for his mournful expression.

PAN over to THE CRYSTAL CARRIAGE, parked under a beautiful tree. The Carriage is opened into an elaborate tent. The Avalon pennant flag is mounted on one corner. FALLON brushes MOONGLOW outside. AMBER is standing looking in the window, her tail switching and bobbing to the music. From inside we can see things being tossed about. A blouse flies out the door landing on Moonglow's horn.

MOONGLOW (vo)

They had better hurry, Fallon.

The Craft Fair is ready to open.

FALLON (vo)

(annoyed)

I've never seen two girls have so much trouble dressing before.

FALLON grabs the blouse and MOUNTS the three steps to the open door in the side of the carriage tent.

(2) INT - THE CRYSTAL CARRIAGE

Fallon appears at the open door. The inside is a complete mess, piles of clothes are littered all about. Harmony sits at the mirror. Harmony's make-up mirror is littered with lipstick and make-up. Gwen searches through a trunk full of clothes. A silk dress flies by Fallon's head.

ARCHIE leads CLEO, SAM, and SPIKE in back-up harmonies and humming. Archie happily leads the babies on their humm-humm part and points to CLEO for her solo. CLEO BLASTS! through her horn and ARCHIE is blown into a backwards somersault right past Fallon.

ARCHIE

Dooooo!!

Archie reels dizzily over to the window and perches there. His neatly combed hair feathers are blown out into a mess.

ARCHIE

Tempo, tempo!

HARMONY

Cleo, that was fine, sweetie,  
but we need just a little less, um, energy,

FALLON

You two need to get a move on.  
It's getting late.

GWEN

Almost ready.  
Harmony, try this cape, it should look real  
dreamy on you.

HARMONY MOVES to the full length mirror with GWEN beside her.  
A flute sits on a near by table. Gwen FITS a lacy cape around  
Harmony's shoulders.

GWEN

(to Amber)

I can't decide, the red or lavender.

AMBER (vo)

The red is nice. But so is the other.

HARMONY

That looks fine!

GWEN

(undecided)

Yes... but for the Riverdell's Craft  
Fair, you want to look fabulous!

Harmony selects a cape.

Gwen looks in the mirror, makes sure her hair looks great and then  
combs Amber's hair. Archie hops about and notices himself in the  
mirror.

ARCHIE (vo)

Doo! Quick, someone comb my feathers!

Sam brushes Archie's hair feathers into a curly pompadour. The  
babies laugh.

SAM (vo)  
There, beautiful.

ARCHIE (vo)  
You think so?

Gwen inspects the troops.

GWEN  
You all look beautiful. And remember,  
we're representing the Crystal Palace,  
so I want everyone on their best behavior.

Archie's pompadour *sproings* loose.

CUT

(3) EXT - FAIR GROUNDS  
The girls and animals walk into the fairgrounds.

DRAKE and THUNDER are chatting with a group of revelers and animals. Drake stops in his tracks at the sight of HARMONY all dressed up. During the ensuing conversation, they all begin WALKING toward the main stage.

DRAKE  
Harmony! You look fantastic!  
You should see the turn out for your  
concert.

GWEN  
(a little nettled. What is she, chopped liver?)  
A-HEM!

DRAKE  
(hastily)  
And Gwen, You look great, too.  
I...Oops!

Drake TRIPS over an overturned basket of fruit.

Moonglow rolls her eyes at Fallon. Fallon giggles and notices bits of half-eaten fruit littering the ground. There is a blue first prize ribbon on the basket. As the others continue on, FALLON bends over to examine the fruit.

FALLON  
(frowning)  
Look at this mess.  
Who'd spoil this?

MOONGLOW (vo)  
Come on, we'll be late for the show.

FALLON and Moonglow move on to catch up with the others.

Follow the trail of eaten bits to -  
The edge of the tent is pulled up by a little Dweaselly paw. An apple core is tossed out adding to the litter. Two yellow eyes GLOW in the darkness revealed by the upturned flap. It's RUFUS, munching another apple. TWIG's little beady eyes blink OPEN next to RUFUS'.

RUFUS (vo)  
(cackling)  
Heh-heh-heh. I love Craft Fairs.

Twig slinks out and grabs a bunch of apples. He shoves them into his mouth.

TWIG (vo)  
(chewing)  
Yeah, yeah, delicious.

Rufus notices the Jewel Riders.

RUFUS  
Look, Jewel Riders!

TWIG (vo)  
(spit-take - apple bits fly all over the place)  
Patooie!@

RUFUS  
If there's any magical bits here, we'll sniff them out!

TWIG(vo)  
Yes, we will make the witchy one proud.

The Dweasels slink out of the tent. With noses to the ground, they sniff on.

RUFUS (vo)  
I'm hungry.

TWIG (vo)  
Yeah, me too.

CUT

## (4) EXT. MAIN STAGE

The stage is decorated with flags, bunting, and balloons. Gwen is center stage, flanked by Harmony and the babies. Fallon, Moonglow and Amber stand to the side.

DRAKE and THUNDER, JOSH and STORMRUNNER, THOMAS and SHADOW are among the crowd at the foot of the stage, and so is SORREL still carrying his package held tightly against him.

Through Gwen's dialogue, we can see Rufus and Twigs' tails popping up and down in the crowd, occasionally a snoot pokes out, sniffing for magic, any magic! Citizens in the crowd JUMP UP in surprise as the Dweasels sneak their way through legs and undercloaks.

CROWD

Heep! Oh! Sheesh! huh?!

GWEN takes center stage and waves to the crowd.

GWEN

(very much on her dignity as a Princess of the realm)  
Welcome good Friends to the first Craft Fair  
of the year at Castle White Rock -

CROWD

Hip-Hip..... yea@!

GWEN

(Holds up her hands, prettily. She's not finished yet!)  
Each year we come together to celebrate  
the Arts of the Riverdells -

CROWD

HOORAY!

GWEN

(not yet)  
- to celebrate together! As friends!  
The Craft Fair is now officially OPEN.....!

CROWD

-

GWEN

Oh.. and now Harmony and her magical animals  
will perform a song written especially  
for you!

CROWD

HOORAAAYYYY!!

Archie solemnly walks out center stage, bows to the audience, turns to the babies, and like a conductor, raises his wings to begin.

ARCHIE

Let's rock.

BABIES

*Humm - humm - humm - hummm*

*SONG - To be added*

Archie conducts away, smiling. He turns to Harmony -

ARCHIE

Gak!

Harmony is looking about, searching for something.

GWEN

(Aside, dropping her princess-like demeanor)  
Harmony? What are you doing?

HARMONY

(reacts)

I forgot my flute!

GWEN

Hold on, Archie.

Archie flaps his wings to stop the babies.

BABIES

*Humm - humm - Phitt - Honk - sputter*

CROWD

(disappointed)

Boooooohhhh.

ARCHIE

Well, I never!

GWEN

(to Harmony)

Are you sure it's not here?

Camera PANS crowd and settles on SORREL.

SORREL'S mournful face brightens. Timidly, he reaches up and touches the hem of Harmony's robe.

SORREL

My lady!

HARMONY

Yes, good sir?

The package he is carrying has become unwrapped, and a beautiful harp, set with colored stones, is revealed. It GLOWS in the light.

SORREL

(shyly)

I'd be honored if you would play...this.  
I made it with you in mind.

HARMONY

(Thrilled. It's a lovely piece of work)  
Good sir! I am the one who is honored!

She holds the harp up. Harmony's Heart Stone pulses with red light as she plucks a string. The most beautiful note rings out over the crowd. The giant note floats above the crown and gently cascades downward in magical sparkles of light. Another note rolls out as luscious and wonderful as anything ever heard. The note rains magical energy gently over the crowd.

CROWD

AAHHH! Wonderful, beautiful!

Twig's Dweasel nose sticks up from the crowd sniffing.

Rufus slinks underneath the stage, SNIFFING like mad.

RUFUS (vo)

Something is smelly...

ARCHIE

All right, let's get busy!

He starts flapping his wings as the babies begin their coordinated dance moves. Like little "Temptations," they step in synch, rolling their forearms to the rhythm.

Archie happily conducts and points to Harmony.

Harmony strums the harp.

The most incredible colored lights roll out over the audience as the harp produces spectacular sounds.

WILD CHEERS! from the crowd as the lights engulf them.

The babies hum and dance away, perfectly in synch like little back-up singers.

Another chord blasts out of the harp.

POV---fairground.

A cascade of musical magic settles over the fairgrounds. The sheep turn pink! A boy's ice cream turns into a stuffed bear in his hands! He hugs it with pleasure. A woman's parasol becomes a butterfly! A man is adorned in kingly attire!

Sorrel is shocked at what is beginning to happen.

Archie happily turns to the audience and reacts to what he sees.

ARCHIE (vo)

Doooooh!!

The owl turns back and sees the babies are all wearing glitter rock tuxedos and top hats.

ARCHIE (vo)

What the!?

The crowd is delighted.

CROWD

Music and magic - isn't it wonderful.  
What a show - they're terrific!

GWEN

Good grief! What's happening?

Zoom into Harmony's face. Something is wrong.

SFX - the sounds of the fair disappear as a soft, mournful sound, creeps over Harmony.

VOICES (vo)

Harmony...Harmony, help us.

Zoom into Harmony's eyes.

DISSOLVE

(5) INT - MAGICAL PLACE

Harmony finds herself standing on a ledge in an oddly, beautiful place. Shapes swirl and float around her. The sounds of a waterfall gently falls nearby. Seven magnificent jeweled stones surround Harmony, each one a different color of the rainbow. Voices like a soft, sighing wind, are calling words which are indistinguishable, like a voice through a tunnel in a cave.

VOICES (vo)

Harmony... Harmony

A roaring sound rushes up behind Harmony. She turns and faces the chasm! She is on the edge of a ledge overlooking an immense drop into the voids of the wild magic. A swirling wild magic rupture looms dead ahead like a wormhole into the great beyond.

HARMONY  
(startled)

Ahh!

VOICES (vo)  
Don't be afraid.  
Find the rainbow.

The voices begins to fade.

DISSOLVE

(6) EXT - FAIR GROUNDS

There is a puzzled look in Harmony's eyes; She strums the harp again. The harp sends out rainbow colors.

The crowd is delirious with delight.

A silly paper hat appears on THUNDER'S head, a little boy within the crowd gets covered in candy, plates start dancing, bushes turn into swans.

Rufus and Twig poke their heads out from under the stage. They SNIFF hard and their little eyes light up.

RUFUS  
Wow. Do you smell that?

TWIG is wearing a cowboy hat, way too big.

TWIG  
Yeich! You stink, Rufus.

RUFUS  
No, magic, wild magic!

TWIG  
Oh yeah, that.  
I will report to the witchy one.

Rufus is wearing a clown hat and nose.

RUFUS  
And I will sniff out the magic!

Twig tweeks Rufus's clown nose.

The Dweaswels zip off.

Back to the fair grounds. Pies on tables are doing cartwheels. A pie flies into a Lord's face. The bushes are dancing. The magic is beginning to get out of control! The crowd is getting a little nervous.

CROWD

Hey, enough's enough/Stop the music!  
It's that harp!

SORREL TURNS, eyes wide in panic races off.

CUT to the stage, where Harmony is playing the harp. She is covered in a colored veil.

GWEN

Harmony, snap out of it!

ARCHIE/BABIES

Harmony! Harmony!

Harmony's Heart Stone has surrounded her with a soft, diaphanous veil that wraps her entire body in a faint rainbow light. When she moves, a quiet chime of little bells is heard. ( This effect lasts throughout the show, until the very end.)

The music and magic stops, but Harmony is unresponsive, caught in dreamy trance enchantment.

HARMONY

Don't you hear it?

GWEN

Hear what?

HARMONY

The most beautiful voices, calling  
to me.

GWEN looks around the crowd

GWEN

Fallon, where's the man who gave her  
that harp?

GWEN and FALLON scan the crowd.

FALLON  
He couldn't have gotten very far.

GWEN  
(in command)  
Drake! Alert the Pack! Find that man.  
Fallon, help me get Harmony to the Crystal Carriage.

DRAKE  
Right.

DRAKE leaps on THUNDER. He raises his forest stone.

DRAKE  
Wolf Pack! TO ME!

The Forest Stone flashes green.

CUT

(7) EXT - THE ROAD LEAVING CASTLE WHITE ROCK

The rapidly disappearing figure of the panicked Sorrel runs down the road.

SORREL  
Oh my, oh mio, what have I done?!

The Wolf Pack thunders after him.

CUT

(8) INT - THE CRYSTAL CARRIAGE

Harmony, dazed, is holding the silver harp as if it is the Grail. She is seated at the little table. SAM, CLEO and SPIKE twine anxiously about her ankles. Gwen and Fallon hover nearby. AMBER and MOONGLOW watch through the window.

SPIKE (vo)  
Harmony, speak to me!

ARCHIE tries to land on HARMONY's shoulder and *KaChang!* the veil turns him back!

ARCHIE (vo)  
Harmony's trapped in some kind of  
enchantment spell.

Fallon cocks her head suddenly. She hears sniffing.

MOONGLOW (vo)  
Fallon -

Fallon holds her finger to her lips and edges her way to the partly  
opened door.

Fallon lunges, dives out the door. Scuffling sounds are heard as  
as dust and bits are thrown about the open door.

FALLON reappears with RUFUS dangling from one hand.

FALLON  
Got him!

Fallon shakes Rufus by the scruff of the neck.

FALLON  
All right, you Dweasel!  
What's going on around here?!

RUFUS (vo)  
I didn't do it!

AMBER (vo)  
It's Rufus. He says he didn't do it.

GWEN  
Didn't do what?

RUFUS (vo)  
Whatever you think I did.

SFX: (OS): Noise of the WOLF Pack returning, shouts, howls, etc

AMBER (vo)  
The Pack's back, Gwen.  
Thunder says they caught that little man.

RUFUS (vo)  
Em, eh, that little man, yeah, that's it-  
put Heart Stone Rider in magical spell-  
He's a spy for the witchy one.

AMBER (vo)  
(skeptically)  
Rufus says the man works for Kale!

GWEN  
(with grim determination)  
Come on. I want to question this spy!

CUT

(9) EXT - CRYSTAL CARRIAGE

Fallon has the squirrly, squabbling Rufus by the scruff of his Dweasely neck. AMBER and MOONGLOW are standing nearby. Harmony holds the harp as though it was the most precious thing she's ever owned. DRAKE and Thunder block SORREL from leaving.

Sorrel DROPS to his knees in front of Harmony.

SORREL  
(penitently)  
Your ladyship!

DRAKE steps forward and pulls Sorrel away.

DRAKE  
You stay away from her! Haven't  
you done enough already?

SORREL  
I haven't done anything!

RUFUS  
He did it all, everything!

GWEN  
You're a spy! For Kale!

AMBER(vo)  
All we have is Rufus' word for that, Gwen.

SORREL  
(this is terrible! He's innocent!)  
No! I'm a harp maker! (shyly).  
Or at least, I'd like to be.

GWEN  
You made this harp?

SORREL  
In my shop... near the Rainbow Falls.

GWEN  
Some harp maker! What are you doing  
messing with wild magic?!

SORREL  
Wild Magic?!  
I know nothing of -

HARMONY  
(her eyes are distant and dreamy)  
You. You made ....this?

SORREL  
(miserably)  
I did, your ladyship. For you.  
I worked so hard to make it perfect!

HARMONY  
It IS perfect!

ARCHIE (vo)  
No, don't play it!

The camera MOVES in on the harp as she strums it once again. There are seven colors for each of seven strings, red, orange, yellow, blue green violet and indigo. As the song is played, the strings glow one by one.

A soft breeze winds through the music turning into -- voices --

FX WIPE

(10) INT - MAGICAL PLACE

VOICES  
Look for the rainbow...

HARMONY  
The rainbow -

FX WIPE

(11) EXT - CRYSTAL CARRIAGE

HARMONY  
(still listening to far-off music)  
Look for the rainbow!

ARCHIE (vo)  
Rainbow! Could you mean the Rainbow Jewel?

AMBER (vo)

Gwen, Archie says it may be the Rainbow Jewel.

GWEN

The Rainbow Jewel!

RUFUS

Rainbow Jewel?!

Gwen addresses Sorrel, huddled miserably on the ground.

SORREL

I don't understand, my lady!

GWEN

The Rainbow Jewel is one of the seven Crown Jewels of Avalon.

If you have found one, you must tell us.

The future of the kingdom depends on it!

Harmony sits to the side holding the harp.

ARCHIE (vo)

Of course, Rainbow Falls.

The Crown Jewel has returned to where Merlin first found it.

SORREL

I know nothing of a Crown Jewel, I swear!

Harmony

(still listening to far-off music)

Look for the Rainbow!

Harmony falls gently into FALLON. FALLON catches her, but drops RUFUS. Fallon gently places Harmony on a bench. Archie and the babies DIVE for Rufus and miss. RUFUS scuttles off with a malevolent glance over his shoulder.

RUFUS

Nyaah, Nyaah Nyah

Nyaaah Nyaaahh!

Oh joy, a Crown Jewel!

A Crown Jewel!

CUT

(12) EXT - SKY OVER THE RIVERDELLS

The sky rumbles. There is a CLAP of thunder! as the DRAGON WAGON flies into the screen.

Kale drops in from the skies in her Dragon Wagon, and hovers over the group.

KALE

Well, well, the Jewel Riders!  
If you have a Crown Jewel, IT IS MINE!!

The Dark Stone FLASHES on her breast. TWIG peeps over her shoulder.

RUFUS stands on the ground leaping up and down and pointing to Harmony and the Harp.

RUFUS

(yelling at Kale)  
The harp, oh, tone-deaf one.  
The harp has the magic!

Before the astonished Jewel Riders can react, Kale POWERS the Dark Stone straight at Harmony. Still enchanted by the power of the harp, Harmony doesn't resist, and is raised toward the Dragon Wagon in a vortex of swirling purple power from the Dark Stone.

GWEN/DRAKE

Harmony!

CUT

(13) EXT - GROUND

Amber races to Gwen's side. Gwen leaps aboard Amber as the winged unicorn jumps into the skies.

Gwen raises her Sun Stone in the air.

GWEN

By the magic of the Sun Stone!

Gwen and Amber transform into Jewel Riders!

KALE PULLS Harmony up with the power of the Dark Stone. Amber, her wings beating strongly, flies straight towards the Dragon Wagon.

GWEN

Amber, I can't risk hitting Harmony.  
Get us in close.

In the middle of the purple vortex, Harmony is suspended as if by a giant hook.

Amber dives for the Dragon Wagon. Gwen fires her Sun Stone but the beam is repelled by Kale's power.

Kale's red-nailed hands REACH for the harp...closer...closer  
Kale's fingers reach...reach...and she has it! Her Dark Stone flashes.

KALE

Yes!

AMBER swoops in on the Dragon Wagon, but Grimm flies out of the way.

The silver harp glints in Kale's grasp. She raises her hand and strums the harp..... and the harp SHRIEKS with a screeching sound. The magic FLASHES in a lightning bolt strike quite unlike its former gentle glow.

The skies craaaak! with thunder - and the skies tear open ripping a door into the wild magic!  
Wild magic outbreak!!

HARMONY spins and begins to fall.

AMBER (vo)

GWEN!! She's falling!

Fallon, Drake, the babies and Archie scream out!

FALLON/DRAKE/BABIES

HARMONY!!!

GWEN

Amber, take us down!

GWEN and AMBER PLUNGE downward to save HARMONY from falling to the earth below.

Archie cover his eyes with his wings.

ARCHIE (vo)

I can't bear to look.

AMBER reaches Harmony just in time, gently catching her on the cantle.

KALE

I love music, listen to this!

KALE STRUMS the harp powerfully -  
Like an oncoming army, waves of cyclones twist out of the wild  
magic portal and land over the Craft Fair spinning out deadly  
silver frost magic.

Rain and hail storm the grounds as the cyclones twist through the  
crowds.

Kale strums away like a mad harpist.  
Lightning shoots from the portal like missiles.

FALLON

Look Out!

Everyone scatters narrowly avoiding a lightning missile.  
Tents explode as people run about avoiding the lightning bolts.

Gwen and Amber SWOOP down over the other Jewel Riders.

GWEN

Wild Magic!  
Jewel Riders, let's move!

FALLON

Moonglow!

Moonglow CHARGES to Fallon as the girl LEAPS AND SWINGS onto the  
saddle on the run.

FALLON

By the magic of the Moon Stone!

Fallon and Moonglow transform into Jewel Riders. They leap into  
the path of a freezing cyclone.

DRAKE/PACK

By the magic of the Forest Stone!

Drake and Thunder POWER UP and leap towards the action.

KALE

That should keep them busy!  
The power of the Crown Jewel  
will soon be mine!

The dragon Wagon flies off into the skies. Below, the Fair Grounds  
erupt in chaos as wild magic explodes from the skies.

\*\* COMMERCIAL BREAK \*\*

(14) EXT. - FAIRGROUNDS

Wild magic weather pummels the fair grounds from the vortex opening in the skies.

A silver cyclone is ripping straight for Fallon. Fallon raises her Moon Stone and fires at the cyclone. The cyclone SMASHES into Fallon and Moonglow, erupting in silver light and evaporating around the Jewel Riders.

Fallon rears Moonglow up, turns, and charge towards three other twisting cyclones.

Drake and Thunder face off against a barrage of lightning missiles. The missiles fire straight for the wolf. Thunder leaps and avoids each missile as Drake fires his Forest Stone, blowing the missiles to mist as they fly by.

JOSH and STORM, THOMAS and SHADOW blow away other cyclones and lightning missiles.

Gwen and Amber are in the skies bearing down on the source of the wild magic outbreak. The swirling vortex is sucking Amber in.

AMBER (vo)  
(struggling)  
Oh, we're being dragged in!

GWEN (vo)  
Hang on!

Gwen and Amber fire their Sun Stones at the magical outbreak. The magic of the Sun Stone heals the rift in space. The outbreak seals. The storm is over.

The Sun appears as storm clouds blow away.

DISSOLVE

(15) EXT. - FAIR GROUNDS

The fair grounds are a mess. Banners drip water in a desultory way, there are puddles everywhere and slightly damp townspeople are leaving. Everything and everybody is damp and rather depressed.

(16) EXT. - CRYSTAL CARRAIGE

The carriage is packed up and ready to leave. Chooga is set up to pull the wagon. SORREL sits to the side, rather gloomily. Archie and the babies huddle around Harmony. She is still wrapped in the veiled glow.

GWEN

(to Sorrel)

You, harp maker, how did you come to make this dangerous harp?!

SORREL

(startled)

My name is Sorrel.

I had but one dream, to make an instrument worthy of Lady Harmony.

(he points to the ruined fair)

....I didn't know this would happen!

HARMONY

(slowly and softly)

We must find the Rainbow.

ARCHIE (vo)

Harmony is locked in the power of the Rainbow Jewel. We have to find it.

Fallon is studying her map of the Kingdom.

FALLON

The Rainbow Falls are on the far side of the county over near the Elf Woods.

DRAKE and THUNDER ride up to a screeching halt. Drake dismounts.

DRAKE

Princess, the pack is ready to ride.

Gwen straightens up.

GWEN

Drake, Kale's bound to take the Travel Trees. Station the Pack at the travel tree rings in the area. Let us know when you spot her.

FALLON

One more thing.

GWEN  
What's that, Fallon?

FALLON  
(points to 3 pouting baby faces)  
Someone's got to watch the babies.

DRAKE  
You're right, with Harmony in that  
trance, who's -

The girls look at Drake.

DRAKE  
(reacts)  
What? You mean me?!

CLEO  
What, you mean him?!

Drake looks aghast at CLEO, SPIKE and SAM as they surround him.

SAM (vo)  
He's goin' to take care of us? How ooooky!

SPIKE (vo)  
No way, Jose!

CLEO (vo)  
(scolding)  
He'd better wash my nose careful!  
He'd better comb my tail careful!  
He'd better -

DRAKE  
Aaaagh! HARMONY!!

Harmony helps Drake up and gazes at him tenderly. Drake melts.

HARMONY  
Thank you, Drake.

DRAKE  
(blushes)  
Sure. No problem.

Gwen mounts up on Amber.

GWEN  
Let's ride!

Fallon helps Harmony climb up behind Fallon on Moonglow. SORREL shoulders his knapsack and pushes forward on foot.

Drake scratches his head.

DRAKE  
Uh, hey guys... em,  
What do I do with these babies?

CLEO(vo)  
(immediately)  
Wash my nose. Comb my tail.  
And, oh! Feed me candy...

SAM(vo)  
No! Feed ME candy!

HARMONY  
(still caught in the trance)  
No, no candy, Spike.

SAM (vo)  
Huh? I'm not Spike, I'm Sam!

DRAKE  
(rather pitifully)  
Now, what was that?

CLEO/SPIKE/SAM (vo)  
Hey! He can't even talk to us!!

CUT

(17) EXT. - TRAVEL TREE RING

Archie sits in front of GWEN on Amber, Fallon is on MOONGLOW with HARMONY, and Sorrel stands, center of a travel tree ring.

Gwen raises up her Sun Stone.

GWEN  
(with charm and sincerity)  
Trees of Magic, Field and Wood  
If we may and if we could  
Travel with you...  
Take us all  
If you please, to Rainbow Falls.

The Travel Trees become activated and turn into jeweled trees.

TREE (vo)  
We recognize the Sun Stone, worn  
by Princess Guinevere.

GWEN  
We must get there before the Princess  
Kale.

The Trees spark in what seems like chuckles.

TREE (vo)  
(chuckles)  
We know the outlaw Princess Kale.  
We are expecting her.

A great LIGHT fills the ring, and the travelers disappear.  
The light dies.

Suddenly, the travel tree light erupts again. The Dragon Wagon is  
dumped into the center of the ring. Grimm lands on top of the  
wagon with a thud. KALE is DRIVING, and RUFUS and TWIG cling to  
the wagon's side. Kale looks around.

KALE  
What?! Not again!?

KALE activates the Dark Stone, and a stream of purple light hits  
the tree.

TREE (vo)  
(icily, rather like a butler confronted with an undesirable guest)  
Y-E-E-E-SS, Madam?

KALE  
Listen up, you piece of magical kindling!  
Take me to Rainbow Falls, and make it snappy!

TREE (vo)  
We are under NO obligation to perform, madam,  
unless the requisite degree of politeness  
has been achieved.

KALE  
@#@!!!!  
All right, all right.  
PUHLEEZE!

TREE (vo)  
(cordially)  
Well. That's better. The shopping malls, you said?

KALE  
(screeching with frustration)  
No! NO!!  
RAINBOW FA-A-L-L-SSS!

Too late! The LIGHT bursts, and Kale et al disappear.

FX WIPE

(18) EXT. - TRAVEL TREE RING NEAR CASTLE WHITE ROCK

This is pretty countryside, with a few farms in the background, and a path winding center stage. A signpost on the path reads "Shopping Malls, 3 miles" with an arrow pointing OS.

JOSH and STORMRUNNER from the Wolf Pack are stationed outside the tree circle.

A flash of light appears in the ring.

Kale and the Dragon Wagon land in the middle of the trees.

The Dragon Wagon bounces and skids to a halt. Kale fails to notice that RUFUS is holding the Harp.

KALE  
Shopping Malls?  
They did it to me AGAIN!!!  
@#@#!!

She FLASHES her Dark Stone at the Travel Trees.  
Grimm takes the wagon up.

She whips out a tremendous burst from her Dark Stone. The wild magic doorway is ripped open.

RUFUS holds the magic harp.

RUFUS  
Hey Twig, look dude, I'm a harpist!

TWIG  
Rock on, Dweasely one!

RUFUS strums the harp and is transformed into Elvis Dweasel. Elvis leaps and plays, swinging and gyrating atop the dragon wagon.

TWIG

Go, dude!

RUFUS

Hunk-a-hunk-a-hunk-uh-huh-hunk-a-brrrrrrrrrr

RUFUS leaps, legs akimbo, and swings in for the power chord -

RUFUS

Oooh, baby, that's what I like!

Ooh.

- but flings the harp out instead. It falls to the ground with a *plink*.

Rufus and Twig look at each other!

RUFUS/TWIG

UH Oh!

Kale TAKES off, not noticing that RUFUS has dropped the harp!

The Dragon Wagon disappears into the portal.

CUT

(19) EST. WIDE EXT - VALLEY OF THE RAINBOW FALLS

Incredible vista of a magnificent valley. The great falls are at one end of the valley.

(20) EXT. - ROAD INTO THE VALLEY

Gwen and Amber with Archie riding in front, and Fallon and Harmony on Moonglow, all follow Sorrel down the forest path into a clearing. The roaring of the falls can be heard nearby.

The group enters the basin of the Rainbow Falls. Before them is the great falls. They look in awe at the results of wild magic.

SORREL

(astonished)

What has happened here?!

The entire basin of the falls has been transformed into crystalline structures. Areas where the falls hit transform and sparkle.

GWEN

The Jewel of the Rainbow Falls has returned here. Unless we find it and fast, this entire area will be lost to the wild magic.

AMBER/MOONGLOW (vo)  
Gwen, someone's coming!

Gwen and Fallon quickly dismount. They hold out their Enchanted Jewels and stand ready to blast the intruder into pixie dust!

GWEN  
Halt! Who goes there?

JOSH and STORMRUNNER emerge from the forest path.

JOSH  
Whoa! I'm one of you! A good guy!

Fallon  
It's Josh and Stormrunner.

JOSH  
Hey guys. Look what we found.

He holds up the harp.  
Harmony's veil sparkles with the light from her Heart Stone.

HARMONY  
Please, may I?

FALLON  
Where do you suppose Kale is?

JOSH  
She's in a Travel tree spin cycle.  
But the trees can't hold her for long.

Harmony gently strums the harp. Beautiful notes cascade out.  
Harmony's Heart Stone lights up.

VOICES (vo)  
Harmony ... come to us.

HARMONY  
I'm here.

Gwen huddles with Josh, Fallon, the Unicorns and Sorrel.

GWEN  
We'll start a sweep search of the area.  
Sorrel, stay here and watch Har -  
Harmony! Where is she?

The group looks about but Harmony is gone!

GWEN / FALLON

Harmony! Where are you?

MOONGLOW (vo)

Fallon, there!

Fallon turns and looks out to the falls. Harmony is precariously perched on a thin ledge and walking towards the Falls. She is in an extremely dangerous place.

FALLON

Gwen! Over there!

Gwen notices where Harmony is.

GWEN

Oh no!

Harmony! Wait!

Harmony is following the beautiful magical notes towards the immense waterfalls. Crystal bits rain close by her.

FALLON

She's too close to the edge, she'll fall.

GWEN

Come on.

Sorrel, stay here.

SORREL

Gladly.

CUT

(21) EXT. - SKIES OVER THE VALLEY

The DRAGON WAGON rises above the rim of the valley and flies into the immense valley. In the very distance is the great falls.

RUFUS and TWIG have their noses to the air sniffing.

TWIG (VO)

I smell wild magic.

RUFUS (vo)

Pungent yet piquant.

TWIG

Yes, aromatic but fragrant-

KALE  
Shut up, you imbeciles, where is it coming from?

TWIG  
In there, oh, Mistress of the Magical.  
He is pointing to the falls.

KALE  
Grimm, take us in!  
The Dragon Wagon swoops and dives into the basin of the falls.

CUT  
(22) EXT. - LEDGE  
The girls and the unicorns rush along the thin ledge.

GWEN  
Harmony, wait for us!  
Moonglow slips but maintains her balance.

MOONGLOW (vo)  
Oh!

FALLON  
Careful, it's slippery.

Dead ahead the chunky falls are hurling down.

JOSH  
Don't look now, but we've got company.

GWEN  
Aunt Kale!

JOSH  
I told you not to look.

GWEN  
Harmony, where are you going?!

HARMONY  
Into the Rainbow Falls.

FALLON  
How are we going to get through the falls?

Harmony stands facing the great falls. She strums the harp and a flurry of magical notes rise and fly into the falls. The falls light up with colors. Like a curtain parting, the falls magically open to reveal a path inside.

The group moves through the falls. Josh inspects the curtain as it closes behind them.

JOSH

How about how are we going to get out?

(23) INT. - MAGICAL PLACE

The group stands on the precipice overlooking the chasm and the broken doorway into the wild magic. It is the place from Harmony's dream.

VOICES (vo)

Harmony, You must help us.

FALLON

Stand back, it's an open doorway to  
the wild magic!

Seven Stones float above the chasm, each a different color: red, orange, yellow, green, blue, violet, and indigo. Each of the stones has a chip taken out.

GWEN

Who are you?

VOICES

We are the Rainbow Jewel.

GWEN

I thought the Rainbow Jewel was one stone?

MOONGLOW (vo)

It must have splintered when it flew out  
of the wild magic.

ARCHIE (vo)

Look, each of the stones has a piece missing.

FALLON

Sorrel must have found the chips and put  
them on the harp.

VOICES

Only Harmony can save us.

HARMONY

I must heal them.

ARCHIE flies up to Harmony.

ARCHIE (vo)

NO! Absolutely not, Harmony.

You could be lost to the wild magic forever!

HARMONY

Archie, I'm the only one who can help.

GWEN

Fallon, we'll will use our Enchanted  
Jewels to protect Harmony.

AMBER (vo)

Moonglow and I will help.

ARCHIE (vo)

(fearfully)

Dooooo!

CUT

(24) EXT. - SKIES OVER THE VALLEY

The dragon Wagon is headed straight for the falls.

KALE

Rufus, hand me the harp!

RUFUS

Em, eh, what harp?

KALE

Hand me that harp, you Dweasel!

RUFUS looks at TWIG.

RUFUS

Do you see a harp?

TWIG

No, do you?

RUFUS

No, do you?

TWIG

No -

KALE  
Shut up, you idiots!!!  
Grimm, take us straight in!

CUT

(25) INT. - MAGICAL CAVE

Harmony stands in the center of the floating stones. Her Heart Stone blazes red.

Harmony plucks the harp. Each of the strings resonates magical energies. The magic from the harp reaches out and hits the seven stones.

GWEN  
Now!

Fallon and Moonglow fire the Moon Stone. Gwen and Amber fire the Sun Stone. The Enchanted Jewels engulf Harmony in a ring of power. Harmony begins to fade in and out.

GWEN  
Hold on, Harmony!

ARCHIE (vo)  
Harmony, stay with us...!!!

FALLON  
Hang on, girl!

Harmony plays on. The floating stones flare up with power as the room explodes in light.

CUT

(26) EXT. - WATER FALLS

The falls light up in a rainbow cycle as the musical magic of the harp flows through them.

The Dragon Wagon is headed at top speed for the Falls. They are about to splash right through the falls when the falls turn into a solid crystal wall.

KALE  
Huh?

RUFUS  
AGHHHHHJ!

TWIG  
AGAGAGAHGAHG!@

GRIMM  
oh oh...

The dragon wagon slams into the crystal wall. GRIMM folds up like a fan and slides down the wall like Wile E. Coyote.

KALE  
Grimm, Speak to me.

GRIMM  
oye....

CUT

(27) INT. - MAGICAL CAVE

Everything is quiet. The room is lit in a warm glow.  
Zoom in on the glowing light. It's the rainbow Jewel. Gwen's hands picks it up.

GWEN  
We did it! We all did it!  
Everyone all right? Fallon?

FALLON  
OK

GWEN  
Harmony?

ARCHIE  
Harmony?!

JOSH  
Hey, I'm fine.

GWEN  
(near panic)  
Where's Harmony?

ARCHIE (vo)  
Oh no, we've lost her to the wild magic!!  
\*sob\*

ONE VOICE  
Harmony has saved me.

GWEN

What have you done, bring her back to us!

VOICE

There is still time. Hurry!

ARCHIE

Quickly, Merlin's key!

AMBER (vo)

Gwen, Merlin's key!

Gwen pulls the key from a pocket inside her cloak. She TOUCHES the Rainbow Jewel. A soft GLOW appears above the Jewel. The Jewel Box appears and opens. The Rainbow Jewel is nestled into it's proper place. A face forms in the glow... and Merlin smiles at the youngsters, a wise, glad smile.

GWEN/FALLON

Merlin!

MERLIN

You have used your magic well.  
Harmony's Heart Stone and the  
music of the harp helped bring the  
Rainbow Jewel together.

GWEN

But..where is she, Merlin?

MERLIN

Not far.

The music of the harp sounds.

Harmony floats in from the magical portal. She is wearing her Jewel Rider power suit.

Gwen

Harmony, are you all right?

HARMONY

Just fine.

MERLIN

When your hearts are brave and true,  
the power of the Enchanted Jewels can be  
wondrous indeed.  
Remember, my students, believe in yourselves  
and trust in your friends.  
Farewell.

Gakkk!

ARCHIE (vo)

Instead Harmony strums the most beautiful music - with no magic.  
Archie slumps and sighs with relief.

HARMONY

We've discovered another jewel as well.  
Any craftsman who can create such a glorious  
instrument is worthy to be called Master Musician.

SORREL's mournful face glows as bright as the Jewel Box.

SORREL

Delightful.

HARMONY

(in sudden consternation)  
My babies! Sam, Cleo, Spike!  
Where are they?

MOONGLOW

Drake and Thunder are looking after them.

HARMONY

(a clear look of doubt on her face)  
Oh, really.

DISSOLVE

(30) INT. - NURSERY AT THE CRYSTAL PALACE

The nursery is a mess. There are overturned dishes on the floor.  
Toys are all over the place. Lamps are tipped over. The rugs are  
all messed up. Harmony, Gwen and Fallon enter. Delighted shrieks  
from CLEO, SPIKE, and SAM as they leap into Harmony's arms!

BABIES (vo)

Harmony!!!!

HARMONY

Oh my dears, I've missed you so!

CLEO/SAM/SPIKE (vo)

You're home/You're back/We're hungry  
Thunder growled at me!!

Harmony hugs them in her arms, laughing.

Drake?

GWEN

Gwen and Fallon peer around the corner into the nursery kitchen.  
Poor Drake has been tied up like a maypole!

DRAKE

Hi Gwen, Boy am I glad to see you  
Help me out of this, will you -

GWEN

Oh I thought you could manage by yourself.  
Fallon?

FALLON

I think he can manage by himself.  
We'll see him at dinner.

The girls walk out giggling.

DRAKE

Come on, Gwen.  
Fallon?! Archie?! Somebody... Help!!

Fade to Black.
