ACT I

(1) EXT. - ROAD TO HEARTLAND ANIMAL FARM - DAY

A beautiful country road leads to the farmhouse complex of HEARTLAND FARMS. GWEN on SUNSTAR, and FALLON on MOONDANCE, ride on either side of the CRYSTAL CARRIAGE. TAMARA and ARCHIE are driving the Carriage. CLEO, SPIKE, SUGAR, and HARLEY peep out the front window behind Tamara. Misc. animals wave to Tamara as the group approaches Heartland Farms.

TAMARA

(happily waving back)

We're here, everyone! Heartland Farms.

Oh, It's good to be home.

FALLON

I always love coming here.

GWEN

Do you think your parents really found a Prism Fox?!

ARCHIE

Even Merlin would be impressed. Prism foxes are legendary creatures.

GWEN

According to the old songs, the voice of the Prism Fox is very magical.

SPIKE (vo)

What happened to them?

ARCHIE

As far as we know, one day they just disappeared.

FALLON

I wonder how it got here to Avalon?

TAMARA

That's part of the mystery.

Dad and Mom can't communicate with it.

They're hoping my Heart Stone can help.

The group heads into the complex.

CUT

(2) EST. EXT. - HEARTLAND FARMS FARM HOUSE- DAY

A wonderful farm house sits in the yard. To the side is the barn, stables and other buildings of Heartland Farms. Heartland Farms is a haven and home to many different animals.

In fact, animals romp and play everywhere - little bears, raccoons, pigs, giraffes, dragons, cats -

Doc, Tamara's father, stands on an elephant, painting the side of a shack. The elephant rears up and trumpets to Tamara, sliding Doc down its back to the ground. Doc is an animal doctor and wears the simple clothes of a country vet.

DOC

Tamara!

TAMARA

Hi, Dad! Hello, Bessie.

DOC hugs Tamara right off the carriage, with Spike, Sugar, Cleo and Harley trailing along. With Spike hanging on to Tamara, the babies are dragged right out the window like a little baby train. Bessie wraps her trunk around Tamara and Doc. Sugar, Spike, and Harley end up on Bessie's back and head.

DOC

Hi Sweetheart!
Hello, Girls.

GWEN

Hi, Doc.

FALLON

Good to see you again, Doc.

CHARITY (vo - from off screen)

Tamara! Gwenevere! Fallon!

Tamara's Mother, CHARITY comes out the front door of the farm house, a few baby animals trailing after her. She has two ferrets in her pocket, a pig under her arm and a baby raccoon hanging over her shoulder. She wears the simple cloths of a farm-housewife, except with lots of pockets for animals and animal treats.

TAMARA

Hi, Mom.

Charity gives Tamara a hug.

GWEN
This is Sunstar, Charity.
We're Jewel Riders, now.

CHARITY
My dears, I'm so proud of you both!

SUNSTAR (vo)
Thank you.

CHARITY
(hugging the babies)
Look at how these babies have grown!
Tamara, I'm anxious for you to check out
our newest arrival.

TAMARA
Let's go.

CUT

(3) INT. BARN - DAY

Cozy and comfy. Stalls line the sides. Each stall is a three-sided wood cubicle with a window looking out over the pastures. The stalls are well-bedded with fresh sweet straw. Each animal has a cozy little nest of blankets, a water bowl and a brightly colored flat food tray. About half of the stalls have animals: a zebracorn, a griffin, a kirin, etc.

Doc, Charity, Tamara, Gwen, Fallon, Archie, Cleo, Spike and Sugar enter the barn followed by a few other little animals.

DOC
She's over here.

The group walks to the center stall and look in.

KIT, the PRISM FOX, lies in the middle of the stall, her bushy tail curled around her body, eyes squeezed shut. She glows a shade of violet.

TAMARA
Oh -

ARCHIE
Can it really be?

CLEO (vo)
(closer inspection)
You don't look so special!

KIT opens her eyes to look at her guests. The little fox cries a musical oboe-like sound that flutes up and down the scale. The fox turns green as twinkly magic pixie dust floats from her coat. The magic settles around the room.

TAMARA

What a wonderful sound.

CHARITY

We don't know her name, or how she got here.
She just showed up

TAMARA

(bending in low)

It's all right, little one, we're friends

Tamara raises her Heart Stone.

TAMARA

Let the magic of the Heart Stone
and music's helping hand,
Reach out with love and friendship
to help us understand.

The Heart Stone glows. The little fox humms a gentle tune and releases twinkly magic from its coat. Red twinkly magic of the Heart Stone reaches out to enwrap the fox cub and -

As the magic of the Heart Stone mixes with the fox's magic, the Heart Stone magic breaks up - *FLASH!* - the fox turns crystal. The magic bounces off the fox and reflects around the barn like a ricocheting blasts. Magic beams fly everywhere.

ARCHIE

Look out!

Tamara is blown backwards, as are all the others.

The crystal fox cries like a strangled tuba and jumps under a pile of hay.

TAMARA

Wow!

DOC

Are you all right?

GWEN

What happened?

ARCHIE

We must be careful, these foxes have powerful magic.

TAMARA

Well, this one seems sweet.
Her name is Kit. I got that much before
the magic backfired.

KIT

(from under the hay)

mmmmmmmmmmmmmmmmmm

GWEN

She's saying something!

The little fox peeps out of the hay. It is no longer crystal.

FALLON

Come on, little one, you can do it.

Archie walks up and looks at it.

ARCHIE

Remarkable, it's about to speak a word!

KIT

mmmmmmmmmmmmmoomm - MOMMY!

Kit pops out of it's hiding place and hugs Archie.

ARCHIE

Doooo! I am not your Mommy!

Kit cries and runs to Tamara, hiding it's head in Tamara's legs.

KIT

Mummy?

CLEO (vo)

She is not your mommy, either!

TAMARA

No, honey, I'm not your Mommy.
Don't be afraid. We're your friends.

KIT

(singing out)

Mmmmmommy mmmmmum mum

Kit's cry is releasing magic from it's coat. Bits are floating
around the barn.

Baby animals in the barn pop up alert as the magic descends. The
animals are definitely effected by the fox's call.

ARCHIE

Tamara, it talks with music, perhaps it
can respond to music!

TAMARA

Good idea, Archie.

CHARITY

All your instruments are still in
your room, Dear.

TAMARA

Let's go.

CUT

(4) INT. - BARN - AFTERNOON

Everyone holds a different instrument. The babies carry bells, Gwen carries a harp, Fallon carries a guitar, Archie pushes in a small piano with the help of Chooga. Other instruments are scattered about in a pile. TAMARA carefully selects a flute. Little Kit watches curiously from her stall.

Tamara touches and lights her Heart Stone. She plays a catchy melody. Kit smiles and wags her tale. The fox responds, singing a musical sound like the flute.

FALLON

It seems to like that

SONG - "DOWN ON HEARTLAND FARM" - MUSIC TO FOLLOW

(5) AERIAL - NIGHT

The moon hangs bright in the sky as the Dragon Wagon flies over the Kansas-styled farmlands.

RUFUS (vo from off screen)
 A prism fox in Avalon!

Kale sits in the front seat. She is holding a bizarre looking set of sewer bagpipes which she fiddles with. Using her Dark Stone, she tweaks and pokes, playing the pipes and creating the most irritating, and bizarre sounds.

Rufus and Twig sit on either side of her, holding their ears.

RUFUS (vo)
 How horrible!

TWIG (vo)
 It is too terrible to believe!

KALE
 Quiet, I'm tuning it.
 The Prism fox won't be able to resist
 my magic call.

She continues to tune the horrid thing with her Dark Stone causing Rufus and Twigs' teeth to chatter and their eyes to bug out.

RUFUS
 ** teeth chattering, eye popping noises **

WIPE

(7) KALE'S DREAM

Camera moves deep into Kale's eyes. We see a vision of Kale astride a great Crystal Fox, her cape whipping in the winds, her Dark Stone making wild and violent music. Roiling purple, green and blue clouds tumble by in the background. Lightning FLASHES behind her.

Zoom back to reality

Kale plays the instrument with the Dark Stone, creating a ghostly call.

KALE

Perfect!

RUFUS (vo)

Perfectly ghostly!

The sewer pipes send out the call as the Dragon Wagon flies into the night. The moon glows softly as we see the silhouette of the Dragon Wagon passing over it.

CUT

(8) INT. BARN - NIGHT

Kit opens its eyes. The same moon glows softly through the open window.

KIT

Mummy?

Kit slowly gets up and looks around. All the other animals, including Cleo, Sugar, and Spike, are sleeping. The call is heard from the skies. Kit quickly turns her head and looks around.

ANGLE ON -

Kit pokes her head out the barn door. She is a different color. She calls out in a soft musical note like a wailing oboe. Magical dust trails behind her, off of her coat. Kit walks into the night trailing magic.

CUT

(9) INT. BARN - NIGHT

Magical pixie dust settles - Four sets of eyes open, one at a time. First Sugar (in sleeping position - see design), then Spike, then Cleo, then Harley. They seem entranced by the magic.

CUT

(10) EXT. ROAD - OUT OF THE FARMHOUSE - NIGHT

Kit walks up the road leading out of the farmhouse. She is following the mournful sound of the wild call. A small parade of baby animals have started to follow Kit.

KIT

Mummy?

As kit walks down the road, we see that Cleo, Sugar, Spike, and Harley have joined the parade.

CUT

(11) EXT. - FOREST ROAD - NIGHT

Kit bounds along. Baby animals, attracted by the magic call of the fox have joined the ever expanding parade of animals.

CUT

(12) EXT. - WIDE SHOT OF COUNTRY ROAD - NIGHT

Kit and the baby animals from the Heartland Farms, march down the road, following Kit's musical magic. Kit's magical dust floats like a starry nebula, swirling around and falling onto the babies like a magical rain. The babies are groovin' and dancing down the road, following Kit in response to her magical "Mommy" call.

CUT

(13) EXT. - CROSSROADS - NIGHT

Kale stands in the Dragon Wagon, alone, playing away on her sewer pipes. The blasted noise pipes into the night.

KALE

Blasted thing.. I can't tell if it's working!

Suddenly an answering call to her music is heard down the road.

KALE

I heard that.

Kale plays the Sewer Pipe again. The answering call is louder.

KALE

Come to me, great and powerful Prism Fox!

A tiny baby fox head peers around the corner of a tree.

KIT

Mum Mum?

KALE

(eyes wide)

What are you?!

The little fox walks up to Kale. Kale picks it up by the scruff of the neck.

KALE

You're the Prism Fox?!

You're so....short!

Kit snuggles up to Kale and gives her a kiss.

KIT

Mommy

KALE

Eicch. Well, I suppose you'll get bigger.

ANIMALS

MUMMMY!

In the distance a lot of babies are calling "Mommommmmmmyy"

KALE

What is that?!

Kale looks up and sees the marching baby animals parading up the road. The babies dance right up to the Dragon Wagon.

KALE

(to Kit)

Well, your call is certainly magical.

The babies begin to swarm into the dragon Wagon and around Kale in wild affection.

BABIES/ANIMALS

Mommommy mum mommmy

Rufus and Twig come dancing up the road with the babies.

RUFUS (vo)

Mumsy, your little Dweasel is home.

TWIG (vo)

Yeah, double for me.

KAOOGA! A loud note is blasted out of the Sewer Pipe into the face of the Dweasels. (think "Maxell commercial")

KALE

Snap out of it, you Dweasels, can't you see it's the magic of the Prism fox?

The Dragon Wagon is swamped with babies.

BABIES

Mumum! MOMMMM!

KALE

(can't take all this baby noise)
BE QUIET!!! All of you!

KIT is startled and starts sniffing. All the animals start sniffing. Kit starts crying. All the animals begin wailing and crying. Even Rufus, Twig and Grimm are crying.

KALE

Stop this noise at once!

That didn't work. Kale holds up the Fox and gently pets it.

KALE

Ok, ok, See? Nice little fox...good baby.

KIT

Mum mum

That quiets everyone.

KALE

All right, I'll take the whole lot of you.
Enough animals to last me a lifetime.
As for you...my little pretty
(Strokes the fox)
You and I are going to make beautiful
music together. Ha ha har!

CUT

Tamara's old room in the farmhouse. Three beds are laid out for the girls, a hammock has been strung for Archie. Sunstar and Moondance are also sleeping in the room. Cozy.

Archie is snoring in a hammock. Tamara jumps up in bed.

TAMARA

Huh?!

GWEN

Tamara? What's wrong?

Tamara's already out of bed.

TAMARA

I've had the strangest dream.
I'm going to check on the babies.

GWEN

Well, if we're getting up, so's Fallon.

Gwen tosses a pillow at Fallon. It bounces off of Fallon and smacks Archie.

ARCHIE

Wakoooo!

GWEN

C'mon, Tamara senses something's wrong.

CUT

(15) INT. BARN - MORNING

The barn door creaks open as the three girls enter. Archie flies over to check out the fox.

TAMARA

Cleo, Spike, Sugar?

The girls look around at a completely empty barn.

GWEN

What's happened?

ARCHIE

The Prism Fox is gone!

Fallon's already searching for clues.

FALLON

Tracks, lots of them. Headed out.
I'd say a few hours ago.

TAMARA

Oh, my babies!

Kale flies in the dragon wagon, relaxed, feet up on the prow.

KALE

Let's see, I've got bears and puppies, a few pigs, some tigers, a monkey-

Rufus hangs over the back of the wagon looking into cage.

RUFUS

I don't see any animals.

KALE

What are you talking about?

Kale turns, opens slat, and peers behind into the empty cage. Sure enough - no animals.

KALE

What's happened to my animals?!
Grimm, turn around!

The Dragon Wagon swoops around and heads back.

CUT

(19) EXT. - COUNTRY ROAD - DAY

Fallon bends low, looking at the ground. She and Moondance scan small tracks with their Moon Stones. Gwen swoops in on Sunstar.

GWEN

Anything, Fallon?

FALLON

I'm not sure, there are so many different tracks.

TAMARA

My Heart Stone may be able to find Cleo, Sugar, and Spike.

GWEN

Do it.

Tamara touches her Heart Stone and adds her magic to the two Moon Stones. The Jewels flare together sweeping a brilliant arc of light like a searchlight. The light bends over a hill to the west.

TAMARA

(pointing)

That way.

GWEN

Let's move out.

CUT

(20) EXT - VALLEY - DAY

The valley is bordered on two sides by opposing hills.

The parade of animals have become a big sea of confused animals, all sitting in the center of the valley. Kit sits in the middle with all her new friends.

SPIKE (vo)

(looking around)

Where are we?

SUGAR (vo)

Maybe this is where Kit got lost.

CLEO (vo)

Lost from where?

A wailing sound is heard from one of the hills that overlooks the valley.

Kit looks that way, perks up and sings.

KIT

Mum mum

All the animals sing out a chorus to copy Kit's cry.

BABIES/ANIMALS

MUM MUM!!!

ANGLE ON -

The Dragon Wagon has landed on a hill overlooking the valley. Kale is about to play her sewer pipes again when -

Another sound is heard - a light, sweet gentle recorder cascading down from the other side of the valley.

ANGLE ON -

Kit and the animals look the other way and see -

ANGLE ON -

The Jewel Riders standing boldly on the crest of the opposite hill.

CUT

(21) EXT. - JEWEL RIDER RIDGE - DAY

The Jewel Riders stand looking into the valley. Across, on the opposite ridge is Kale and the Dragon Wagon.

GWEN

Look! It's Kale!

TAMARA

If she harms one hair on those babies -

FALLON

She's got some kind of musical instrument.

Archie drags a bunch of instruments from out of the carriage.

ARCHIE

Tamara, use your Heart Stone to amplify your music. Call to Kit.

TAMARA

Archie, you brought all the instruments?

ARCHIE
Well, actually I did.

TAMARA
Archie, I could kiss you!

ARCHIE
No time for that stuff now,
Play on, young Tamara.

TAMARA
By the magic of the Heart Stone!

Tamara powers up.

She selects a flute, stands on the crest of the hill and plays music. The Heart Stone flares red and sends the magical music down over the animals.

KIT/ANIMALS
Mom momommmmmmm

The animals begin moving towards TAMARA.

CUT

(22) EXT. - KALE'S RIDGE - DAY

KALE
Jewel Riders!

Kale sparks her Dark Stone at her Sewer Pipes. She holds the thing up and plays music. Fueled by the Dark Stone, the magical music flares out over the animals.

KIT
Mum?

The animals stop moving towards Tamara and begin moving towards Kale.

KALE
The Heart Stone is no match for my Dark Stone!
Ha ha ha, Come to me, my precious things!

The Dweasels dance over and hug Kale from either side of her.

KALE
Not you!!!!

The hugging Dweasels interfere with the Dark Stone's magic.
Kale's music goes Kablooie!

(23) EXT. - JEWEL RIDER RIDGE - DAY

TAMARA

Archie, violin!

Archie hands her a violin.

TAMARA

Bow!

Archie hands her the bow.

Tamara plays an incredible flurry of music. The magic, fueled by the Heart Stone, flies out over the fields.

The animals all start swaying towards the Jewel Riders.

GWEN

Yes, it's working!

CUT

(24) EXT. - KALE'S RIDGE - DAY

KALE

Rufus, pipe extenders!

Rufus hands her long extenders to the sewer pipes, building up a large monstrous thing (like a mutated organ).

KALE

Twig, bellow!

Twig bellows.

KALE

No, you idiot, the bellows!

TWIG (vo)

Oh

Twig plugs the bellows into the organ thing. Kale pumps music (pump organ, using feet) out of the huge monstrous organ thing, ala the "Phantom of the Opera." Dark magic flies out over the field blowing away Tamara's good magic.

The animals begin dancing back towards Kale.

CUT

(25) EXT - JEWEL RIDER RIDGE - DAY

TAMARA

I need Jewel Power!

GWEN

You got it!

By the magic of the Sun Stone!

Gwen powers up!

FALLON

By the magic of the Moon Stone!

Fallon powers up!

Archie hands Fallon and Gwen jewel guitars.
He hands Sunstar a trombone. Sunstar looks at it.

SUNSTAR (vo)

What do I do with this?

ARCHIE

Oops, try this.

Archie throws tambourines to Sunstar and Moondance.

The girls resemble a rock and roll group as they rock out magic chords into the valley.

ARCHIE

Play on, Jewel Riders!

Music streams out and magic covers all of the animals.
The animals begin swaying back towards the Jewel Riders.

Swirling winds are picking up from all the magical activity.

CUT

(26) EXT - KALE'S RIDGE - DAY

KALE

Grimm, get down here and help!

Grimm hops down and blows into one of the pipe extensions sticking out of the mad pipe organ.
Grimm blows like "Dizzy Gillespie" and blasts out a magic cannonball into the valley.

The cannonball note explodes the Jewel Riders' magic into pixie dust.

KALE

Direct hit!

The animals are confused, not knowing which way to go.

CUT

(27) EXT. - JEWEL RIDER RIDGE - DAY

Archie wheels the piano into the group.
Harmony twirls like a Jewel powered cheerleader.

HARMONY

Moon Stone for illusion
Sun Stone to help things grow
Get ready, Jewel Riders
Let's go, go, go!

The three girls and two unicorns combine together the power of their jewels. The power is focused on the piano.

POOF!

The piano transforms into a powerful synthesizer.
Archie is transformed into Elton Owl, complete with sun glasses.

ARCHIE

Let's rock!

Archie pounds the keys and an entire orchestra blasts out into the valley.

The animals begins swaying towards the Jewel Riders.
The magic is whipping up a storm in the skies.

CUT

(28) EXT. - KALE'S RIDGE - DAY

Kale plays on like a mad "Amadeus" pumping out dark magic.

KALE

Rufus, Twig, hit it!

Rufus and Twig are transformed into heavy metal rock and rollers.
They blast out heavy metal magic from their sewer guitars.

CUT

(29) EXT - WIDE SHOT OF THE VALLEY

The battle of the bands rages on as magic fights for control of the animals. The swirling magic winds are turning into a cyclone force!

CUT

(30) EXT. - JEWEL RIDER RIDGE - DAY

Winds swirl around the rocking Jewel Riders.

FALLON

We can't keep this up!

We'll blow open the wild magic!

CUT

(31) EXT. - VALLEY

The animals are swaying towards the hill where the Jewel Riders are playing.

KIT

Momommmmy!

Just as Kit is about to follow the flow, a hand come in and grabs the fox by the scruff of the neck.

KALE

Going somewhere?

Little Kit blinks into Kale's face.

CUT

(32) EXT. - JEWEL RIDER RIDGE

TAMARA

Kale's got Kit.

ARCHIE

Oh no!

CUT

(33) EXT. - VALLEY

Little Kit struggles but Kale has a firm grip. The fox cries out into the swirling winds.

KIT

Mommomommommy!!!

Kit turns to crystal.

Suddenly the swirling winds rip open a portal into the wild magic!

Kale and crystal Kit are caught in a swirling cyclone of wild magic. It lifts them up and sucks them into the vortex!

KALE

What is this?

Put me downnnnnnnn!!

Crystal Kit and Kale are sucked in with a loud *FLASH!*

The portal seals it self up and vanishes.

All is quiet over the valley as the last of the magical bits die down.

CUT

(34) EXT. KALE'S RIDGE

RUFUS (vo)

What happened to the Witchy Thing?

TWIG (vo)

She's been blown away!

GRIMM

(biting his lower lip)

Mum mum?

RUFUS (vo)

What do we do?

TWIG (vo)

We must carry on like the Dweasels we are!

GRIMM

(crying his eyes out)

Ahhhhaaaa!! Boo Hoo!

A flood of tears washes Rufus and Twig out of screen.

(35) EXT. - VALLEY

Still powered up, Tamara, Gwen, and Fallon run into the valley among the animals. Elton Owl flies after them.

Tamara! CLEO (vo)

Tamara! SPIKE (vo)

Over here! SUGAR (vo)

Tamara makes her way to the babies. They all hug her.

We got lost. SPIKE (vo)

TAMARA
Well, you're found now.

CLEO (vo)
Poor Kit. Is she gone?

TAMARA
I don't know, they vanished into the wild magic.
Swirling winds pick up again.

Look! ARCHIE

A magic portal flashes open near the Jewel Riders. It closes. Crystal Kit is sitting there all alone. She turns back to normal Kit.

TAMARA
Kit!

The girls, animals and all the babies run to the little Prism Fox. The fox wags its tail and sings.

KIT
Mom mom!

All of the animals sing out the chorus over the valley.

ANIMALS

MOM MOM!!!!!!!

ARCHIE

It seems Kit can ride the wild magic.
Maybe she got lost from her parents.

FALLON

If we form an Enchanted Jewel Circle, we may
be able to help her send a call through the
wild magic.

GWEN

Let's try!

The three girls and their unicorns form a circle and raise their
Jewels high into the air.

GWEN

By the magic of the Sun Stone!

FALLON

By the magic of the Moon Stone!

TAMARA

By the magic of the Heart Stone!

Magic sparkles from the Jewels. A wild magic portal opens in the
air above them, swirling and roiling.

ARCHIE

Doooo, be careful!

Little Kit sings, trying to send magical bits into the portal.
But Kit's magic just isn't strong enough to reach.

KIT

Mommmommmmmmmmm

TAMARA

By the magic of the Enchanted Jewels
Wherever she may roam
Help our friend find where her heart lies
Help her find her home

The Enchanted Jewels amplify Kit's magical bits and send them
flying into the portal. A clear "Mommy" is sent hurtling down
the wild magic.

A wispy sound is heard from deep in portal.

INDIGO (vo)
Kit...Kit... come hommmee...

GWEN
Listen! Do you hear it!

ARCHIE
Yes! Yes!

Tamara turns full face to talk to us, the audience.

TAMARA
Everyone, sing with us!
Sing loud and true
Little Kit needs us
Help us get through!

All of the animals raise their heads and start singing with Kit.
A great call rings out over the valley.

Wave upon wave of swirling musical, magical "Mommy" bits arc into the portal.

Grimm adds his voice to the call. Even the Dweasels sing.

From deep within the portal can be heard a strange but lovely voice. It is getting louder.

A mighty flash of light - and there on a small hill nearby, stand two adult Prism Foxes. They are completely crystal. Their crystal coats flashing in beautiful colors. INDIGO, a beautiful adult Prism Fox and SPIRIT, Father Fox.

KIT
Mommy!!

INDIGO and SPIRIT transform to large Foxes (size of small horses). Kit rushes to her mother and they embrace, paws around each other's necks. The sound of happy, child's laughter fills the air.

ANGLE ON -

GRIMM
(teary-eyed)
Mommmy!

ANGLE ON -

INDIGO looks up and over the entire throng of animals and the Jewel Riders. Tamara steps forward. INDIGO looks deep, deep into Tamara's eyes. Jewel Riders are **powered down**.

INDIGO (vo)
Thank you, my children.

TAMARA
I thought you only spoke in music.

INDIGO (vo)
We speak to you through the wild magic.
Heart to Heart Stone.

SPIRIT (vo)
We had feared for our cub's safety

TAMARA
We found her, at least she found us.

INDIGO (vo)
We know of the Jewel Riders
Kit was very lucky to find friends such as you.

TAMARA
Where do you come from?
I mean there's so much we don't know about you.

INDIGO (vo)
We live in lands far away.
We travel the wild magic.
Kit is just learning and got lost.

SPIRIT (vo)
The wild magic is so unstable these days.

TAMARA
We're doing what we can to make things right.

INDIGO (vo)
Perhaps one day, you may visit us.

GWEN
We'd like that very much.

INDIGO (vo)
You have many adventures ahead of you.
Take heart in your friends, for you may call
us friends.

TAMARA
How can we ever find you again?

INDIGO (vo)
Call with your heart.
Kit will hear you.

KIT

Bye bye.

A flash of light...and the three foxes are gone.

A cry of bewilderment goes up from the crowd. The animals start wandering around aimlessly.

ARCHIE

(to all of the animals wandering away)
Wait, come back here!
Tamara!

Gwen steps over a pair of squalling tiger cubs. A baby panda sits on Sunstar's saddle. Puppies are hanging all over Moondancer.

GWEN

Quick, Tamara do something!

TAMARA smiles and takes up her recorder. She touches her Heart Stone. The Heart Stone glows. She begins to play a sweet, pipped pipe's tune and dances away.

TAMARA

This way to Heartland Farm!

All the animals line up and start following Tamara as she leads them dancing their way back over the hill.

CLEO (vo)

Gee, I'm going to miss Kit

SPIKE (vo)

Me, too.

SUGAR (vo)

Where'd she go, Tamara?

TAMARA

She's gone home.

CLEO (vo)

Where is that?

TAMARA

Home is where you're loved,
where your heart is.

CUT

(34) EXT. VALLEY - DAY

The parade wanders over the hill as we zoom into the Dragon Wagon sitting all alone in the middle of the open field. Two sad Dweasels and a very dejected Grimm sit on the wagon.

KALE (vo)

Rufus, Twig, Can you hear me?

The Dweasels leap up, bouncing off of each other.

DWEASELS

Doof!

GRIMM

Mum mum?!

RUFUS (vo)

Where are you, Witchy thing?

KALE

I got tossed out of the wild magic into a tree!
Come and get me this instant!!!

RUFUS (vo)

We're coming!!

But Grimm has taken off without the wagon!

GRIMM

Mommy!!!

The Dweasels are stuck on the ground with the wagon. They jump up and down.

RUFUS (vo)

Come back here, you dumb dragon!!

TWIG (vo)

Come back!!!
