ACT I

(1) EXT. - CRYSTAL PALACE - DAY

The Palace is dark and cold with deep purple and red colors running through the crystal. A dark portal of wild magic hangs over the Palace with wisps of wild magic steaming out like vapors.

WIPE

(2) INT. THRONE ROOM

Kale sits on the throne and looks upon her subjects, frozen against the walls like statues (The Pack, King Jared, Wolves, Queen Anya, Wintermane). In Kale's hands is Merlin's Jewel Box. She casually twirls Merlin's Key around a finger.

KALE

So, the reign of Queen Kale begins,
What shall I do first...

She touches Merlin's Key to the Jewel Box. The Box opens to reveal the 7 Crown Jewels.

RUFUS

Oooh, can we get our own Dweasel wagon,
oh mighty Queen Thing?

TWIG

Oooh, yeah, with no dumb dragon.

KALE

Dweasel wagon?!

Merlin appears in the glow from the box.

MERLIN

Hello, Kale.

KALE

(surprised)

Merlin!

RUFUS/TWIG

Merlin!?

Kale rises from the throne to confront her enemy.

KALE

It's too late for you!

MERLIN

Is it?

Kale holds up the Jewel Box full of glowing jewels.

KALE

I have everything I need to control
the magic of Avalon!

MERLIN

Did you forget the Crown Jewels are tuned
to me, you will never control them.

Kale slams closed the Jewel Box. Merlin disappears.

KALE

You're hopelessly lost in the wild magic.

Carefully she opens the box. She smiles, but Merlin appears
again.

MERLIN

No Kale, it is you that is lost.

Kale slams down the jewel box lids and Merlin vanishes.

KALE

Even from the wild magic he torments me.

Kale looks at the box. She carefully half-opens the lid and
peers inside. Satisfied, she opens the lid fully.
Merlin appears.

KALE

Aaagh!

She slams it shut, he disappears.

CUT

(3) EST. EXT. - MERLIN'S HOUSE - MORNING

Zoom into Merlin's house at the edge of the forests.

CUT

(4) INT. MERLIN'S HOUSE

Pull back from the three Enchanted Jewels, lying in the center of the room.

Tamara is trying to tune the Jewels with music while Archie studies a bunch of books strewn about the floor. He hops from one to the other looking for clues. FALLON paces the floor in front of Moondancer. Gwen and Sunstar stand close by.

ARCHIE

I can't find anything about recharging the jewels.

GWEN

(frustrated)

There must be something we can do!

FALLON

(slams a fist in her hand)

We'll storm the Palace!

MOONDANCER (vo)

Without our Jewels, we're no match for Kale.

MERLIN

Dooo, Merlin, you have the worst handwriting I've ever seen.

GWEN

We've got to find Merlin!

The Heart Stone pulses with a soft but weak beat, then another, catching Tamara's eye.

CLOSE UP - Tamara. She hears something.

BABIES (vo)

Tamara, Tamara!

TAMARA

Wait a minute, I hear something!

Tamara takes the softly pulsing Heart Stone, gets up, and hurries to Merlin's Study.

GWEN

What is it, Tamara?

Everyone follows Tamara into Merlin's study. Follow group into:

CONT.

(5) INT. MERLIN'S STUDY

Tamara looks at her Heart Stone and then around the study, concentrating. She looks to a closet door. She tries to open it but it is stuck.

TAMARA
(pulling on door)
Give me a hand.

The three girls pull on the door.

ARCHIE
Oh no, not more magical Merlin stuff,
what could he have hidden now?

The door creaks open and -
Cleo, Sugar and Spike come spilling out all over Archie.

ARCHIE
Dooohoofus!

The three babies bounce off of Archie and into Tamara's arms.

CLEO (vo)
Tamara!

SUGAR (vo)
You found us.

TAMARA
Cleo, Sugar, Spike! Oh, my babies!
I thought your were turned into statues
like everyone else

Tamara hugs the babies.

SUGAR (vo)
Not us!

SPIKE (vo)
We hid in the closet and got stuck in there.

Everyone gathers around Tamara and the babies.

TAMARA
I'm so glad you're all right.

ARCHIE
I thought I'd never be happy to see the babies!

Sugar and Spike hug Archie. Even Cleo gives Archie a kiss.

ARCHIE

Enough already!!
Wait a minute!!!
Do you know what this means?

SUGAR (vo)

You missed us?

ARCHIE

Not exactly.
It means that the magic of your Jewels is not
completely gone!

TAMARA

(realizing the facts)

If we can talk to our friends,
We still have hope.

GWEN

But how do we boost the magic left in our Jewels?

ARCHIE

I'm thinking...

Archie paces on the floor, one wing on chin, one wing behind his
back, the babies follow him, pacing along behind him.

ARCHIE

(Sherlock Owl)

The magic of the Enchanted Jewels is powered
by the bond of friendship, so...

CLEO/SPIKE/SUGAR (vo)

So?

ARCHIE

There is one place where the magic might be
strong enough to ignite the Jewels.

TAMARA/GWEN/FAALON

Where?

ARCHIE

The Friendship Ring.

GWEN

... the most magical place in Avalon.
That's what Morgana said.

ARCHIE

Yes, and if Morgana thought the Friendship ring powerful enough to take away Merlin's magic, it may be magical enough to restore yours.

GWEN

The Circle of Friendship?

ARCHIE

It would mean returning your Jewels to the circle, but only in giving them away, is there hope of getting the magic back.

TAMARA

The Circle of Friendship Ceremony, just like when we first got our Jewels!

ARCHIE

Exactly!

GWEN

Archie, you're a genius!

ARCHIE

Well, that's true, eh, em
the only thing is, well ...

GWEN

What?

ARCHIE

(realizing the horrible risk and getting very emotional)
There is no guarantee the Jewels will be returned,
in which case you may never be able to talk
your friends again!

Gwen turns away from the group and leans her head on Sunstar's neck.

SUNSTAR (vo)

Since the moment we met I could feel a bond
between us that will last forever.

Gwen hugs Sunstar.

GWEN

You know I feel the same way, Sunstar.

Archie runs and buries his face in Gwen's leg.

ARCHIE

sob

Fallon hugs Moondancer.

FALLON

Moondancer and I will always be friends no matter what happens!

MOONDANCER (vo)

That's right.

Archie runs and hugs Moondancer's legs.

ARCHIE

SOB - Sniffle

Tamara has gathered up the babies into her arms.

TAMARA

I love you so, but we must take this chance.

SPIKE (vo)

Whatever happens, we'll always be your friends.

SUGAR (vo)

We love you, Tamara.

CLEO (vo)

I love you double as much, Tamara.

Archie runs over and hugs the babies and Tamara.

ARCHIE

(crying his eyes out)

BOO HOO!!

I can't let you do this, I'm not a genius, I'm just an owl!

Gwen and Fallon lean in close to Archie.

GWEN

Archie, we love you.
Nothing can change that, ever!

Gwen stands up and faces the group.

GWEN

But it's up to us to save Avalon.
It's got to work!

Tamara stands and joins hands with Gwen. The babies, Archie and Sunstar move close by.

TAMARA

And when it does, we're going to find Merlin
and bring him home!

Fallon places her hands on top of Tamara's and Gwen's (three Musketeerettes - "All for one, one for all") as Moondancer joins the group.

FALLON

Then we'll put a stop to Kale once
and for all!

GROUP

All right!

The girls high five!

GWEN

Let's do it!

CUT

(6) INT. JEWEL KEEP - PALACE

The Dweasels stand holding the Jewel Box in the center of the room, ready to open it. They wear oversized, bulky Jewel Armor from the Jewel Keep. Kale has her Dark Stone sphere filled to the max with jewels. Her diamond shaped matrix floats in the room slowly whirling with power.

KALE

Are you ready?

RUFUS

Ready, Queeny Thing.

TWIG

Oh boy, are we ready.

The Dweasels open Merlin's Jewel Box. The Crown Jewels shine in the box.

KALE
Crown Jewels of Avalon, obey me!

The Crown Jewels rise up in the room. Kale tries to force the Crown Jewels into her matrix by using her Dark Stone sphere. Her matrix whirls faster, but the Crown Jewels fall back into the Jewel Box as the face of Merlin appears above them.

KALE
Merlin?!

RUFUS
Again?!

MERLIN
Ha ha!
As long as you have the Crown Jewels,
you've got me as well.

KALE
Be gone, horrid image!

Kale slams the box closed again. Merlin disappears.
She opens the box, Merlin appears again.

MERLIN
An interesting dilemma, wouldn't you say?

KALE
No, I wouldn't.

She slams closed the box. Merlin disappears.

RUFUS
About that Dweasel wagon...

KALE
Oh, shut up!

She half-opens the box and looks inside. The face of Merlin appears. She slams it closed.

KALE
I'll never be able to use the magic until
Merlin is removed from the setting and
I can take his place.

She holds up her Dark Stone sphere radio.

KALE
I'll find Merlin if it's the last thing I do,
and when I do, I'll destroy him!

Kale puts Merlin's Key into her belt then turns from the camera,
her long cape flying across the screen creating a

WIPE TO

(7) EXT. FRIENDSHIP RING - DAY

The girls walk into the Friendship Ring. Sunstar, Moondancer,
Sugar, Spike and Cleo walk in the ring from the opposite
entrance. They meet on either side of the center ring. Archie
stands in the center of the group.

ARCHIE
Each of you, step forward.

Gwen removes Sunstar's Sun Stone and places it on top of her own
Sun Stone in the circle. Fallon removes Moondancer's Moon Stone
and places it on her Moon Stone next to the Sun Stone.

Tamara removes the baby's Heart Stones and places them next to
hers on the circle.

A magic golden ring of light appears floating above the ring.
The Jewels rise up into the air and - vanish.

GWEN
Our Enchanted Jewels are gone.

The animals and girls stand around Archie in a circle.

ARCHIE
With the power of a hundred generations that
have come before and all the generations
that will follow...
The circle will turn.

GWEN
This is our turn, our time!

TAMARA
With the strength of friendship, we call
upon the magic of Avalon.
Long shall it be used for goodness.

The Sun Stone magically appears in the air.

Archie beams a smile.

The Moon Stone appears followed by the Heart Stone.

The girls, smiling now, hold hands beneath the Enchanted Jewels with the animals between them in a circle.

The girls raise their joined hands and call out in unison-

TAMARA/GWEN/FALLON
Friends together! Friends forever!

The Moon Stone flares with power and separates. One half flies to Fallon the other to Moondancer.

The Heart Stone flares with magic. It flies to Tamara. Small Heart Stones fly to the babies.

The Sun Stone flares with magic. Half flies to Gwen, the other half flies to Sunstar.

FALLON

By the Magic of the Moon Stone!

TAMARA

By the magic of the Heart Stone!

GWEN

By the magic of the Sun Stone!

The Enchanted Jewels flare to life, transforming the girls and their unicorns into Jewel Riders!

GWEN

We did it!

The girls hug the animals, sweeping Archie into the air.

ARCHIE

Hooter! I've never seen such an awesome display of magic, and without Merlin!

GWEN

Yes, Merlin...

ARCHIE

Oh...

TAMARA

We got to find him and bring him back.

FALLON

How?

TAMARA

We'll have to go back into the wild magic.

FALLON

Without Travel Trees, we'll be lost for sure.

GWEN

We can't just fly around in the wild magic.

TAMARA

But we know someone who can.

Who? GWEN

Who? Who? ARCHIE

Kit, the Prism fox. TAMARA

Yes, Prism foxes ride the wild magic
without travel trees. ARCHIE

The girls raise their Jewels and fire magic into the air.
A small swirling portal opens up to the wild magic. Tamara sends
magical pixie dust from her Heart Stone into the portal.

From heart to Heart Stone
We call our friend Kit.
Once you were lost, but you were never alone
We need your help now, to bring Merlin home. TAMARA

The wild magic ring glows and from inside the ring can be heard a
musical reply. It is the song of the Prism Fox calling from far
away.

I hear music.
Help me call Kit, everyone. TAMARA

Kit, Kit, we're here. BABIES

Come to us little friend. GWEN

Kit, Kit FALLON

From all around the ring, twinkley magic begins. First it is
just a few sparkley bits, soon sparkley bits are flashing
everywhere like golden wraiths. The girls and animals turn in
wonder as the magic flashes and twinkles around them.

Out of the twinkley bits fly four magical creatures, gliders.
They soar around the ring, checking out the girls and animals.

What - who are they? GWEN

One glider lands inspects the babies, one lands and inspects the unicorns, laughing at the magical beasts.

One lands and tweaks Archie's cheeks.

ARCHIE

Doo! Watch it, Bub!

Another glides by and checks out Gwen and Fallon.

A bright flash of light and The crystal Prism Fox appears.
Kit transforms into a real fox.

TAMARA

Kit!

KIT

My friends!

Kit runs over and hugs Tamara and the babies.

TAMARA

Thank you for coming. Who are they?

KIT

Friends.

BAUBLE

Kit's parents asked us to watch over her,
so she can't get lost again.

GWEN

Can you ride the wild magic?

BAUBLE

We glide the wild magic.

GWEN

We must find Merlin, the great wizard of Avalon.

BAUBLE

We know Merlin.

TAMARA

You do?

ARCHIE

You do?

GWEN

Can you take us there?

CUDDLES

Can you fly?

ARCHIE

Of course I can, I'm an owl!

GWEN

Not all of us can fly.

BAUBLE

Kit can help you with magic.

GWEN

All right, let's go.

The Prism Fox turns crystal. Magic flares off of it's coat encircling the group. The magic lifts the girls up in the air. The babies are lifted up on the air as well as the unicorns.

SPIKE

Hey, I'm flying!

CLEO

Me too!

FALLON

We're all flying!

The group enters the wild magic and with a POOF! of magic the entire group is whisked away.

CUT

(8) INT. JEWEL KEEP

Kale is sitting at her station tuning the Dark Stone sphere. Her matrix is whirling in fast lights.

KALE

Merlin, hear me...I'll find you and when I do,
I'll destroy you once and for all!!

She fires a beam up the matrix and out of the top of the Jewel Keep. The beam explodes into the hole of wild magic. Wild magic streams out of the hole and down upon the Crystal Palace and New Camelot.

** COMMERCIAL BREAK **

ACT II

(9) EXT. CRYSTAL PALACE

Magic lightning flashes from the top of the Jewel Keep into the dark portal that hangs over the Crystal Palace. The portal flashes from the impact and wild magic comes streaming out covering the Crystal Palace, and spreading like an evil vapor over the gardens, the lands and beyond.

Another lightning flash fills the screen.

WIPE

(10) INT. JEWEL KEEP

Kale uses her Dark Stone Sphere to shoot magic up the matrix to the top of the Jewel Keep. Kale is punching holes into the wild magic to try and locate where Merlin might be. Each blast displays an image inside the matrix of various places from Avalon and beyond.

There is an image of Faeryland (Ep. 7).

KALE

Bah, that's Faeryland.

She fires again.

Another image appears in the matrix: Dancing hippos from the Northwoods (Ep. 4)

KALE

I know Merlin's not there.

ANGLE ON - EXT. JEWEL KEEP

A magic bolt shoots out from the top of the Jewel Keep into the wild magic. More wild magic erupts from the portal and flows out over the lands.

ANGLE ON - INT. JEWEL KEEP

KALE

When I find you, merlin, my anti-magic will destroy you just as I've destroyed the Jewel Riders!

Another blast. Flare to white.

WIPE

(10) INSIDE THE WILD MAGIC

WIDE - Flying in "Peter Pan" style across the wild magic. The Prism Fox leads the way leaving a con-trail of pixie dust that arcs behind him. Following in a line are Gwen on Sunstar, Tamara, Sugar, Cleo, Spike, Archie and Fallon on Moondancer bringing up the rear. The gliders happily glide this way and that around the group.

They pass through a giant window hanging in the magic. The windows are doors that take them to a completely different area of the wild magic.

Using color tints to show us they are inside the wild magic, they fly over a land with:

- a- great rivers
- b- under two or three moons
- c- jagged mountains

ANGLE ON -

Sugar and Spike tumble and roll as they fly.

SUGAR

(summersalting in the air)

Check this out!

SPIKE

Wheee, look at me, Tamara.

TAMARA

(like Wendy in "Peter Pan")

This is wonderful!

Through a window, they fly over polka-dotted landscapes, with polka-dotted skies, through a window and into "Yellow Submarine" vistas.

GWEN

It's fantastic. I never knew the wild magic could be so beautiful.

FALLON

So many new places...

GWEN

...whole new lands to explore.

Another window, and the group is flying through beautiful "Candyland" puffs of cotton candy clouds that seem to be getting bigger.

ARCHIE

Look, up ahead.

TAMARA

Just a large cloud... or is it?

The clouds part to reveal a wonderful village made of clouds.

GWEN

A floating village!

TAMARA

In the clouds.

Kit dives over the village and lands in Cloud Square. Small clouds float by, smiling and happy.

The group gently lands next to Kit.

TAMARA

Thank you, Kit.

KIT

Bye, bye.

With a FLASH of magic, the crystal Prism Fox and the gliders disappear.

CLOUD 1

Welcome, friends.

The group sees a small contingent of clouds watching.

GWEN

Thank you, I am Princess Gwenevere and these are the Jewel Riders.

CLOUD 1

The heroic adventures of the Jewel Riders are known far and wide

FALLON

Even here?

CLOUD 1

Yes, even here.

GWEN

We seek Merlin, the great wizard of Avalon.

MERLIN (off screen)
And you have found him.

The group turns. Over on a cloud, floats Merlin still trapped in the bubble ball from Episode 1.

The group runs over to see their mentor.

TAMARA
Merlin!

ARCHIE
Merlin!

GWEN
Is it really you?

MERLIN
Yes, it is.

ARCHIE
You're still trapped.

MERLIN
After Kale threw me in the wild magic, I floated until the gliders found me and brought me here. It is so good to see all of you. But we do not have much time. Kale is searching for me.

GWEN
Merlin, Kale has the Crown Jewels, and your key and everything!

TAMARA
What should we do?

GWEN
She has something called anti-magic.

MERLIN
Yes, yes, I know.

ARCHIE
You do?

MERLIN
You must save Avalon.

GWEN
How?

MERLIN

With an Enchanted Jewel, one of great magic.

TAMARA

Where is it?

MERLIN

The Crystal Palace.

GWEN

The Crystal Palace?

MERLIN

You must release the magic of the Crystal Palace.

GWEN

How do we do that?

Before Merlin can answer, a horrible sound rips a jagged tear across the sky. The face of Kale peers down at Merlin and the group from the jagged hole in the sky.

KALE

Well, isn't this a lovely sight, Merlin, Princess Gwenevere and the Jewel Riders!

GWEN

Aunt Kale!

KALE

Queen Kale to you!

MERLIN

Kale, I believe we have something to discuss.

KALE

Oh, that's rich, the only thing we have to discuss is your removal from this world once and for all!

Kale fires her Dark Stone sphere down from the skies. Everyone scatters as portions of Cloud City vanish in a flash. Clouds run away and scatter.

TAMARA

By the magic of the Heart Stone!

FALLON

By the magic of the Moon Stone!

GWEN

By the magic of the Sun Stone!

The three girls power up as a team (see ad-art pose).

KALE

So, I see you've gotten your magic back.

This time I'll make sure it's gone forever!

Kale blasts her anti-magic. The three girls raise power shields into the air to divert the anti-magic. The anti-magic wipes away the power shields. Another blast but this time, it is diverted over to Merlin.

Merlin with arms raised draws the anti-magic to him. The blast encircles the bubble.

The anti-magic blows apart the bubble and Merlin is free! Merlin swirls in a martial arts move and attacks back focusing wild magic in a frontal assault. The wave of wild magic catches Kale off guard, it pulls loose the key and floats it away, but Kale grabs the key and holds on.

KALE

Blast you Merlin, you tricked me!

TAMARA

He used the anti-magic to free himself!

ARCHIE

Brilliant!! Good going, Merlie!!!

Merlin raises his hands and pulls toward him. The key is pulled through, with Kale still holding on.

KALE

Ugh! Let go!

Merlin is drawing Kale towards him. She loses her grasp on the key, and hanging in the air above the clouds, tries to grab it back with a blast of anti-magic. The key is held between the two of them. Kale has Merlin trapped in her blast, but Merlin has Kale trapped in his blast.

The key sparks and transforms into Merlin's staff.

Kale's eyes go wide as she tries to bring the staff to her.

TAMARA

Merlin's staff!

The group watches the tug-of-war with magic.

MERLIN

I will hold Kale long enough for you to activate the Palace.

GWEN

Merlin, come with us!

MERLIN

I cannot.

The ripped hole in the sky is getting smaller, fading. Merlin is fading, turning transparent under Kale's blast, Kale is fading, turning transparent under Merlin's blast. Kale tries to break free.

KALE

Aaaahagh!!

MERLIN

Go now, my young friends.

With a wave of his hands, Merlin encircles the group in a golden ring. They are lifted up in the air, towards the shrinking hole in the sky.

Archie flies out of the golden ring to Merlin. Merlin is almost completely transparent.

ARCHIE

No, we won't leave you!

MERLIN

Archimedes, your friendship means more to me than you know, but you must take care of things for me.

ARCHIE

Merlin.... *sniffle*

GWEN

Archie, let's go!

Archie turns and flies to the girls. They are out of reach. The hole is almost closed. The group hits the hole and are sucked through. Archie reaches out his wing. Gwen reaches out her hand. Closer... Gwen grabs Archie's wing just as they are whisked through the portal and vanish.

With a scream, both Merlin and Kale fade away to nothing. The portal closes.

WIPE

QUICK CUTS -

Wild magic is seeping over the grounds of the Palace. The gardens have been transformed into Thornwoods. (Like Ep. 11) The sweeping magic is threatening the town of New Camelot as it sweeps over the town and out into the forests.

(11) EXT. - THE CRYSTAL PALACE

A FLASH of light and the group is in the gardens behind the Palace. Dark mist covers everything, blocking and obscuring the gardens.

TAMARA
(looking around)

Where are we?

GWEN
We're back in Avalon.
Look, the Crystal Palace!

They turn and see the Palace, protruding out of the dark mist like a pulsing, evil jewel. Wild Magic streams out of the hole in the sky above it.

FALLON
Quickly, to the Jewel Keep!

The Jewel Riders run into the mist.

WIPE

(12) INT. THE JEWEL KEEP

The Jewel Riders barrel into the Jewel Keep. The matrix floating in the air is sending sparks of magic up through the jewel keep.

RUFUS
Halt, who goes there?

The Jewel Riders face Rufus and Twig. They are wearing the oversized jewel armor and holding the Jewel Box.

TWIG
Eiyiyiyi, Jewel Riders!

GWEN
Stand aside, Dweasels!

RUFUS
We must guard Jewel box until Queeny thing
returns!

GWEN
Have it your way!

The Jewel Riders raise their Enchanted Jewels at the Dweasels.

TWIG
On the other hand -

RUFUS
Stand back, I have a smelly magic Jewel!

TWIG
Eh, Rufus, that's just a pebble.

RUFUS
Oh, never mind.

The Jewel Riders blast at the matrix, trying to shut it down.
Magical sparks go flying. The Dweasels drop the box and run
away.

DWEASELS
Eieiei / Argaflem!

The group surrounds the Jewel Box.

TAMARA
How do we activate the Palace?

GWEN
Form an Enchanted Jewel Circle.

The girls and animals encircle the Jewel Box.

GWEN
With the Sun Stone, let the magic always
shine bright.

Gwen and Sunstar shoot their Sun Stones at the Jewel Box.

The box opens.

FALLON

May the Moon Stone always keep our
path in sight.

Fallon and Moondancer add their Moon Stones to the mix. The
Crown Jewels are lifted out of the box.

TAMARA

With the Heart Stone, let love rain down and
set things right.

Tamara and the babies add their Heart Stones to the mix.
The group fires out magic at the Crown Jewels, but Kale's Dark
Matrix continues to spark up the Jewel Keep.

TAMARA

It's not working!

GWEN

Everyone, hold hands!

The three girls hold hands around the animals. The Crown Jewels
flare magic. The Crown Jewel encircle the group.
The magic of the Crown Jewels jumps from one girl to the next
engulfing them in magical pixie dust. The magic dust encircles
the whole group. Kale's Dark matrix vanishes replaced by the
matrix of the Crown Jewels.

An explosion rocks the Keep. Everyone is thrown down.

KALE

Well, once again you've done my job for me.

Kale stands in the doorway to the keep, like a dark specter. Her
eyes flare with bright, dark power. Her helmet also flares with
power.

GWEN

Kale, what's happened to Merlin?

KALE

Ha ha ha He's gone.

She glides to the Jewel Box, beneath the Crown Jewel matrix.

GWEN

Only Merlin can use the power of the Crown Jewels!

KALE
Oh really? Do you see Merlin anywhere.
All I have to do is replace myself in
the setting with this.

Kale holds up Merlin's staff, the jewel glowing at the tip.

ARCHIE
Oh no, Merlie!!

KALE
Interesting, how it all worked out, all I really
needed was his magic Jewel.

She holds up Merlin's staff, ready to fire it into the new
matrix.

KALE
Well, this is it, the moment we've all waited for,
are you ready?

Kale touches Merlin's jewel to the matrix. With a flash of
power, the middle of the matrix opens....

GWEN
No Kale, you can't do this!

KALE
Just watch me!

Kale steps into the Matrix. Merlin's staff begins to sparkle.
The Crown Jewels start to turn around her, trapping her in place.
The Jewels spin faster and faster, shrinking the matrix around
Kale.

KALE
Wait, what's happening?

She is getting smaller and smaller as the matrix closes. As the
matrix hits Merlin's Staff, it explodes and is gone.

KALE
No! Merlin what have you done?!!

FLASH - Kale dissolves into pixie dust and is thrown out the top
of the Jewel Keep.

Merlin, you've come home! Huh?!

GWEN

What's happened?

MERLIN

Kale tried to use my magic staff to place herself in the setting except there was one small difference.

GWEN
What?

MERLIN
The setting is no longer tuned to me.

FALLON
It's not?

GWEN
Who is it tuned to?

MERLIN
To you, my students!
You control the magic of the Crown Jewels now.

GWEN
What about you?

MERLIN
Each of the great wizards had a magic jewel, and
without these jewels, they cannot return to Avalon.

ARCHIE
You mean like Morgana's Dark Stone?

MERLIN
Yes.

TAMARA
Wait...does that mean you too...

MERLIN
Yes, my staff held the jewel.
You've had it all along, it was key to
the Jewel Box.

TAMARA
The key was your magic staff?

GWEN
Oh no, it's been destroyed.

MERLIN
My child, sometimes we make sacrifices
for our friends.

GWEN
What will happen to you Merlin?

MERLIN

Oh I'll be around. Remember, my students,
things are always changing, allowing you to
learn and to grow, that's what being a Jewel
Rider is all about.
