GRIMM sticks his head in and sucks up the food.

GRIMM

YUM!

Rufus's foot gets sucked up into Grimm's mouth.

RUFUS

NUBBIN

Not this one.

DRIFTER

GWEN

TAMARA

(Pointing to a portal)

CUT

(6) EST. AERIAL OVER MYSTERY ISLAND BLUFFS
In the middle of the sky, a portal opens. The Jewel Riders come flying out.

FALLON

Look out, the portal's opened in mid-air!

SUNSTAR

Gwen, they're falling!

Sunstar flies to catch Gwen. Gwen grabs Spike with one hand and Spike grabs Cleo. Sugar and Archie fly but Tamara, Fallon and Moondance go tumbling to the ground.

GWEN

Go, Sunstar!

Sunstar dives to the others. The magic glider wings can't hold them as the girls and Moondance fall to this ground.

GWEN

Jewel of Sun, hear my call. Catch my friends, before they fall!

Gwen fires her Sunstone.

Gwen and Sunstar's jewel power hits some sea bushes by the beach and grow a series of giant tree cushions out of them. Tamara and Fallon fire their jewels and form shields around themselves as they hit the tree tops, bouncing from one to another and softly lighting on the ground.

Sunstar lands next to them. Sugar and Archie fly down.

The girls look around at the deserted island. Fallon is already scanning the area with her Moonstone

GWEN

We didn't expect a portal in the middle of the sky!

CLEO

I wasn't scared!

A long wail is heard floating in the air.

CLEO

(jumps behind Tamara)

Ahh!

GWEN

Find anything, Fallon?

FALLON

This path leads to those buildings over there

There is a path leading from the beach up to some bizarre structures.

GWEN

All right, let's move out!

ANGLE - They wander into a courtyard and before them stands a magic portal.

FALLON

Look, a magic portal.

GWEN

There's another one.

Another appears across the courtyard. And another.

The Jewel Riders try and walk around the portals but they keep moving to block their way.

ARCHIE

Doot

The girls walk another way but a portal floats across their path, blocking their way.

FALLON

Stubborn, isn't it.

Fallon shines her Moonstone at the portal and it disappears.

From behind it a chrome-steel knight leaps out riding a firesnorting, black charger. It heads straight for Fallon.

FALLON

Look out!

The girls and animals leap out of the way. The night swerves right for Fallon. Fallon sumersolts away. Moondance is already there as Fallons lands on Moondance. Moondance rears and charges. Fallon fires out a lance, locking her beam with the knight's fire staff. Fallon swings her beam under the knight's staff sending it flying right out of the knight's hand.

Fallon fires at the knight and it disappears.

GWEN

Good one, Fallon

FALLON

It was just an illusion

TAMARA

What's this?

The portal has revealed a stone sculpture behind it. There is a picture of a jewel on it. The jewel has 12 spokes eminating from it.

GWEN

hmmm, looks like a jewel

FALLON

Sure does, but what are these lines?

FALLON uses her Moonstone and reveals another portal nearby is an illusion.

FALLON

That one is an illusion also.

The babies are studying another portal floating off the ground. Inside is a hazy picture of a tower.

A soft cry eminates from the portal.

SUGAR

Hey, look at this

CLEO

Don't mess with anything, doof!

Spike has climbed onto Cleo's back to look inside.

SPIKE

What is it?

Sugar pushes his hand through.

SUGAR

Ah, just another illusion

Archie flies over.

ARCHIE

Wait a minute, don't - gakafloeiie!

Sugar, Spike and Cleo fall into it, Spike grabs Archie as they fall into the portal. The portal disappears revealing a path to the clock tower.

TAMARA

Cleo, Sugar, Spike!

GWEN

What happened to them?

FALLON

Not all the portals are illusions!

CLEO (os)

Tamara, we're ok

SUGAR (os)

It's dark here.

TAMARA

They're all right.

GWEN

Look, the portal revealed another path

FALLON

Let's explore that tower

TAMARA

(to babies)

Stay calm, we'll find you.

CLEO

The group walks on the path to the ancient clock tower.

PAN UP TO SKIES - Dragon Wagon flies over head.

ARCHIE

Cleo and Spike join them.

CLEO

Where are we?

ARCHIE

Somewhere we're not supposed to be!

SPIKE

We can't just sit here, let's explore

The babies bound off into the fluff.

ARCHIE

I will do no such thing.
I'm sitting right here until the Princess comes and gets - hey!

The babies are bounding across the fluffy field. A scary, windy snore fills the dark room.

ARCHIE

On the other hand - Wait for me!!

Archie takes off after the babies. They have arrived at a big mound, looks like a small hill. Sugar flies up.

SUGAR

Up here!

SPIKE

Help me up, Cleo.

CLEO

Tumble routine One!

SPIKE

Right.

Spike tumbles onto Cleo's back and leaps up, arms outstretched. Sugar grabs his hands and tosses him up into the air. Spike lands on a big pink wet nose. SPLAT!

SPIKE

Hey, this feels very familiar...

The pink nose twitches.

SPIKE

Oh oh, I got a bad feeling about this

Archie comes flying up.

ARCHIE

I must insist we go back and wait for the Princess this instant!

Two giant eyes open up and look at Archie.

ARCHIE

I -oh

A gigantic mouth opens in a huge smile.

ARCHIE

AKAAKAKKK!

SPIKE

Ahhhh!

The creature wails - a loud mournful cry that rattles the babies. Archie is blown back like the "Maxell" commercial

ARCHIE

Good Heavens!!

Spike and Cleo are jumping up and down on the creature's chest.

SPIKE

We found it!

CLEC

We did!!! Tamara, Tamara!!

Spike is hanging from the creatures nose. The creature looks at Spike with big round eyes. It twitches his nose. It is about to sneeze.

CREATURE

CLEO (os)

We found it, you should see it, it's so cute!

TAMARA

(To Gwen and Fallon)

They found some little creature that seems upset. Try to make friends, Cleo. We'll find you.

The three girls raise their jewels and walk into the tower.

ANGLE INSIDE

Inside the tower is a floating Sundial

GWEN

What's a Sun Dial doing in here?

FALLON

(Using her Moonstone to scan it)

Another illusion.

TAMARA

Something is glowing in the center.

FALLON

Gwen, Tamara, look at this!

The girls look around and see nothing but wall.

TAMARA

I don't see anything.

FALLON

Exactly. What happened to the door?

GWEN

Another illusion?

FALLON

No, this one's for real. We're trapped!

GWEN

No, there's another door over there.

FALLON

You're right, Gwen.

Another door has opened up across the floor of the tower. The girls and 'corns move to the door and look in. There is a long stairway leading down.

GWEN

Well, it is a way out of this room

FALLON

The only way

The Jewel Riders enter the door and start down the steps.

of it performing their magical tricks for the giant baby.
Spike tumbles up onto Cleo and leaps to Sugar who tosses him up
into the air - FLOP onto the big creature's belly. Spike slides
down the fluffy belly into Cleo.

SPIKE

Wheeee!

The creature opens his mouth into a big smile.

CREATURE

Laugh

The creature has Archie wrapped in its arm. Only Archie's head is visable, his body wrapped in the nook of the giant creature's arm, held close.

ARCHIE

I do not find this amusing

A giant tongue licks Archie, causing his feathers to stand up straight.

ARCHIE

Doooo! Stop that this instant!

CUT

() DARK STAIRWAY WIDE
The girls are making their way down the steps. The steps wind
down against the wall of a huge cavern. There are thousands of
steps.

CLOSER

TAMARA

These steps just keep going

FALLON

Gwen, you and Sunstar can fly down

GWEN

Now that wouldn't be fair, flying while my friends walk down oh, about a thousand steps

FALLON

More like ten thousand!

Suddenly Gwen steps onto a step that activates a trap. The steps all lay flat turning into a long slide.

GIRLS

Whoaa!

Girls and 'corns go sliding down the slide at blazing speed.

GWEN

Try to slow us down!

Jewels blaze out, trying to create friction against the side of the slide, but it doesn't work. The Jewel Riders slide down the winding ride.

TAMARA

I see something!

GWEN

It looks like - oh no

FALLON

It's another portal!

The Jewel Riders hurtle towards the portal. The portal flares with magic as the Jewel Riders slide into it.

GIRLS

TAMARA

Everyone all right?

GWEN

(Swimming and twirling about)

It's wonderful!

FALLON

I see a tunnel at the far end.

GWEN

All right. Let's swim!

The girls and seacorns swim towards the tunnel.

CUT TO:

() UNDERGROUND CAVE

The babies are pooped, lying down on the creature's belly. The big baby's big eyes blink and watch his new friends. Archie is struggles out of the creature's grasp. He manages to free himself. He dusts himself down.

ARCHIE

I have never been so humiliated in all my life!

SPIKE

Gee, I wonder where he came from

Sugar flies up to its face

Where is your home?

CREATURE

Home.... AHHHHH!!! Boo hoo

Creature grabs Archie and hugs him to his face, crying buckets of tears all over him.

ARCHIE

Doo hoo hoo, Stop that crying at once!

CLEO

Please don't cry, we're your friends.

The creature nods

ARCHIE

All right, *kiss* there!

ARCHIE

Gakkkkkkkk!

SUGAR

Good job, Archie, he loves you.

ARCHIE

Help! Help!@! Splaooo!

Kicking up his feet, the creature rolls over in delight, carrying Archie with him.

SUGAR

Yeah, we found a jewel...we found a jewel

SPIKE

Tamara, Tamara, we found a magic jewel!!!!

The babies are jumping up and down. The creature starts jumping up and down rattling Archie.

ARCHIE

Oh boy...

CUT TO:

() UNDERWATER

The Jewel Rider mermaids and seacorns are making their way to the surface. Light rays filter down from the surface.

TAMARA

The babies have found a jewel!

GWEN

Wow, that's great, do you think it's a wizard Jewel?

FALLON

This place sure seems like a wizard lair, complete with plenty of traps.

The girls surface and find themselves in the center of a large ring. The ring is the middle of a giant sun Dial, lying flat on the water.

The girls hold up their jewels and morph back to human form. They climb out on to the sun dial which is floating in the middle of a lake in the center of the island.

TAMARA

What is this thing?

GWEN

It's a Sun Dial, just like the one we saw in the tower.

FALLON

Look at this.

Fallon is inspecting a flat rock control panal. It has a large knob that turns an arrow set in a pattern of circles. In the center is an indentation for something. It's missing

GWEN

Let's see if we can get it to work. Maybe if I turn it...ugh

Gwen struggles to turn the knob, but it's stuck.

GWEN

It's stuck.

TAMARA

Try a little sun magic on it, it is a sun dial

GWEN

All right.

Gwen raises up her Sun Stone

GWEN

Jewel of Sun, jewel of light help us make this thing work right

Gwen fires a beam of Sun power at the panal. It glows with magic. The sun beam arcs out along one of the lines of the Sun Dial.

FALLON

Something's happening

A portals appears where the sunbeam arcs off of the sun dial.

The sun beam arcs off of an angle of the dial sending a beam out to a portel. A magic bridge forms connecting the dial to the portal. Gwen arcs her Sun beam to another Sun Dial line and another portal opens, then another.

GWEN

Look at all these portels

FALLON

If this is a wizard's lair, maybe this is how the wizard traveled.

TAMARA

I can see shapes, but it's very hazy

SUGAR (os)

Tamara, something's happening.

CLEO (os)

A portel opened up!

TAMARA

Stay away from it, we may have found a way to get you.

CLEO (os)

Ok.

TAMARA

How's your new friend?

SUGAR (os)

Great, we're having fun.

TAMARA

That's nice.

Tamara is studying a portal.

GWEN

Does this portal lead to the babies?

TAMARA

I can't tell.

FALLON

One way to find out, you guys wait here.

TAMARA

I think we should stick together. Gwen, your decision.

GWEN

We've come this far, we should stay together. Let' do it! By the magic of the Sun Stone!

FALLON

By the magic of the MoonStone!

TAMARA

By the magic of the HeartStone!

The girls power up.
They ride straight for the portel and leap through -

And come face to face with a giant T-REX. It snaps it's big teeth at Gwen and Sunstar.

REX

Roar!!!

FALLON

Look out, Gwen!

Sunstar dives and evades the monster's teeth. Fallon fires her Moonstone and bops it on the head

REX

00!

TAMARA

I don't think this is the right portal!

The girls are in a Jurrassic era land filled with dinos and steaming pools of lava.

A giant terydactal swoops in. Tamara fires her Heart Stone and tickles it. The bird laughs so hard it falls out of the sky with a THUD!

FALLON

Gwen, the portal's closing!

Sure enough the portal is shrinking behind them.

Let's fly!!

The Jewel Riders leap back through the portal just as the T-REX sticks his nose in behind them.

The girls run across the magic bridge to the sun Dial. The T-Rex's nose is stuck in the portal. The portal shuts, tweeking his nose. He pulls his nose back and the portal closes.

GWEN

You're right, next time, I'll stay here.

CUT TO:

() INT. TOWER STEPS

ARCHIE

Because it could be dangerous

SUGAR

The babies concentrate and light up their jewels. They smile with delight as the magic of their jewels shines out.

() SUN DIAL ISLAND

Tamara takes a position in the center of the portals. She holds up her Heart Stone. The portals are all hazy (like TV snow). We cannot see what lies behind them.

TAMARA

Are you guys ready?

TAMARA

Heart to Heart Stone, Friend to friend, Bring us back together again!

Tamara fires out her Heartbeam. She swings it around at the different portals lookin for a response.

() CAVE
The babies are firing their jewels at the portal

ARCHIE

Still not working, dooot!

Snowball watches the babies, then looks at the Wizard Jewel it found. He holds out the magic jewel and concentrates. A blast of magic hits the portal. It opens wide revealing a picture of Tamara and the other Jewel Riders.

FALLON

CLEO

And look what he found!

ARCHIE

KALE (os)

Well, well, if you have found a Jewel, I suggest you hand it over right now!

The Jewel Riders turn around and see Kale hovering above them.

GWEN

Kale!

KALE

Didn't think I'd miss out on all the fun, did you? As a matter of fact, I haven't had any fun at all!

She raises her Dark Stone to whip out a blast.

ARCHIE

Princess!

Archie tosses the Jewel to the Princess. Gwen tosses it to Fallon.

Kale whips her Dark Stone at Fallon. Fallon does a double leap into the air, avoiding the Dark Stone's blasts. The Dark Stone blasts up a storm around the Jewel Riders.

TAMARA

Gwen, the Jewel seems to fit the shape in the rock.

Kale swings around and flies in again for another straffing run. Dark Stone firing she attacks. Gwen and Tamara fire back deflecting the beams. The babies stand under the side of Snowball.

GWEN

Fallon, toss it to me!

Fallon tosses the jewel across the Sun Dial to Gwen. Grimm swings in as Kale reaches to grab the Jewel - when Snowball bats the Dragon wagon with his arms. The wagon goes flying into a portal and disappears.

Gwen grabs the jewel and places it in the center of the stone panel. All of the portals come to life, revealing clear pictures inside of them.

One has a picture of Avalon. One has a picture of the Jurassic world. One shows a picture of Snowball's world

Snowball leaps up and down pointing.

SNOWBALL

Home!

TAMARA

Is that your home?

SNOWBALL

Yes.

Inside we see a bunch of creatures like Snowball smiling and waving.

GWEN

This jewel controls all the portels here.

The babies stand next to Snowball

CLEO

Bye, Snowball, we're going to miss you.

SUGAR

We sure will

SPIKE

But we're glad you're going home.

Snowball sweeps them up and hugs them then lets them down and turns to Archie.

ARCHIE

Doo!

Archie walks up to the creature

ARCHIE

(Very brusk)

So have a good trip. Good bye!

Archie turns to go but Snowball sweeps him up and hugs him

ARCHIE

(whispering so no one but Snowball can hear)
Now listen here, be a good Snowball and take care of
yourself and don't go wandering away from your home.
I'll miss you.

SNOWBALL

You will!!

Archie hugs Snowball.

ARCHIE

Yes, yes, now put me down before I start blubbering

SNOWBALL

Good bye

The Jewel Riders wave good bye as Snowball leaps into the portal and appears with its parents. They hug him.

FALLON

Where do you suppose Kale ended up?

KALE (os)

Leave me alone you overgrown lizard!

The girls see that Kale is being chased by the T-REX in Juraasic land. The Dweasls cling to her as Grimm flies them away.

GWEN

Let's get this jewel back to the jewel keep.

She lifts out the jewel from the control panel.

FALLON

That one leads right into Avalon.

TAMARA

Well, what are we waiting for

GWEN

Archie, what was that all about with Snowball?

Nothing. What a pest! I'm glad he's home! *sniffle*

GWEN

Archie, I know you better than that, you've got a good heart under those feathers.

ARCHIE

Princess! Please!!!
Never look under an owl's feathers!

TAMARA

That's why we love you as much as we do, Archie.

Archie is caught in a group hug. The babies kiss him.

ARCHIE

Well, I...dooot! *sigh* Let's go home.

The Jewel Riders walk together into the portel and vanish.
