THE FORTUNE JEWEL

ACT I

(1) THE GREAT NORTH ROAD

It is a beautiful morning as sunlight filters through the trees of the Great North Woods. Gwen rides Sunstar with Archie sitting facing backwards on Sunstar's rump. Fallon rides Moondance, and Tamara rides Shadowsong. They wave to other travelers on horses and in wagons all heading in the same direction.

FALLON

We should be close by now.

TAMARA

Just follow the crowd.
This fortune teller has become famous.

ARCHIE

Looks like the entire kingdom is coming to see her.

GWEN

Wouldn't it be great to know the future.
I could tell if someone else were wearing the same
dress as I am to a dance.

TAMARA

I could tell if my performance was going to be a hit.

FALLON

Oh, I don't know. I like to be surprised.

In the distance a cloud of dust approaches moving at great speed through the forests.

FALLON

(Hand to brow)

Something up ahead and moving fast.

Dust billows from the sparkly thing as it bears down on the Jewel Riders.

SUNSTAR

Gwen, strong wild magic!

GWEN

Wild magic! Jewel Riders, stand ready!

The three girls take a defensive position. Tamara to the left, Fallon to the right, Gwen in the center. Archie jumps on to Sunstar's head to try and see what's coming.

ANGLE - we see a huge dust ball ripping through the woods. It screams toward the Jewel Riders. (It looks like the "Tasmanian Devil" meets a "Rat Fink")

GWEN

Jewel Power!
By the magic of the Sun Stone!

Gwen and Sunstar power up! They leap into action.

TAMARA

By the Magic of the Heart Stone!

Tamara powers up! They leap into action.

FALLON

By the magic of the Moon Stone!

Fallon and Moondance power up! They leap into action.

The thing is almost on them. Gwen fires her Sun Stone. The golden beam extends into a shield. The rat fink runs right through the shield, spinning in an explosion of magical bits. Fallon fires her Moonstone and forms a wall to block it. The rat fink tumbles up the wall, spinning end over end and landing back on its spinning feet. It whirls around and attacks. Tamara fires her Heart Stone, forming a giant harp. The instrument strums out magic musical notes that surround the thing, carrying it up into the air.

GWEN

Sunstar, take us up!

Gwen takes off, flying up. Gwen fires out her golden lasso, whirling it around like a bolo. The beam encircles the thing. Sunstar pulls back and pulls it down.

GWEN

Now!

The three girls and unicorns fire together.

GWEN/TAMARA/FALLON

We call on the magic of the Crown Jewels!

The thing falls to the girls and just before it hits them, dissipates into a thousand magical bits and disappears.

FALLON
That was some magic!

TAMARA
Do you think it's coming from the fortune teller?

GWEN
Let's find out!

The girls take off towards the clearing ahead of them.

CUT TO:

(2) AERIAL - THE GREAT NORTH WOODS - DAY

The Dragon Wagon swoops over the trees of the Great North Woods. The Dweasels have their noses out sniffing the air for wild magical bits. The Dragon Wagon flies through a bunch of magic multi-colored bubbles. The Dweasels sniff in a few bubbles.

RUFUS
Ooo, ooo, smell that? Tangy, yet pungent!
Rufus blows out a big bubble.

TWIG
Aromatic, yet fragrant!
Twig blows out a bubble.

KALE
WHAT WHAT WHAT!!!
The two bubbles burst on either side of Kale's head - POP!

RUFUS
magic

TWIG
Wild magic!

KALE
Dooh, Grimm, take us in!

The dragon wagon soars towards the clearing up ahead.

CUT TO:

(3) EXT. - CLEARING IN THE WOODS - DAY

PAN - across a long row of people standing in line down to get into the Fortune Teller's wagon. It is open for business. A giant magic screen projects out of the top of the wagon like a big projection TV so that the crowd standing in line can watch the incredible Fortune Stone spin out the fortunes of those inside.

EZMERLEDA (over microphone)
Spin, Spin, will your luck rule?
Learn your fate, with
Madame Esmeralda's magic Fortune Jewel

The screen shows the jewel spinning. It comes to a stop lighting up bright blue. A magical carriage appears.

A farmer walks out of the tent to find the magical carriage waiting for him.

FARMER
Just what I wanted, a new carriage!

CROWD
Yea!!

It rolls after him, smiling to the crowd.
As the farmer passes the girls, Fallon puts her hand on the carriage and it goes right through it.

FALLON
Not very sturdy..

GWEN
Not very real!

TAMARA
Wild magic!

A boy walks by followed by a magical dog with a blue ribbon. Archie turns and the dog walks right through him.

ARCHIE
Doot!

Farmer 2 exits the tent followed by the ghost of some incredible corn stalks; he is grinning from ear to ear and he tells the waiting crowd:

FARMER 2

Lookee my fortune! Best crop in the land!

We see the ghostly corn follow him dancing a jig.

The Jewel Riders ride to the front of the line, past the dancing corn.

GWEN

Excuse us, please.

CROWD

Wow, Princess Gwenevere!!
Make way for the Princess!

GWEN

Hello, everyone. It's nice to see all of you.

CROWD

Good luck, Princess!

Gwen, Fallon, Tamara, and Archie walk into the tent.

CUT

(4) INT. FORTUNE TENT

Magical holographic images float around the room, treasures like jewelry, clothes, caravan wagons, etc. A little old lady sits behind a table. She leaps to her feet as she recognizes the Princess of Avalon.

EZMERELDA

<intake> The Princess herself!
Your Highness, you must let me tell your fortune.
No charge, of course...

A black cat sits to the side of the tent on an ottoman observing. Archie looks over at it suspiciously. The cat glowers back.

GWEN

(Looking around at the floating magic images)
I've never seen fortunes like these,
so full of wild magic.

EZMERELDA

(proud)

This jewel has been in my family for generations.
We have always used it to tell wondrous fortunes.

Archie is inspecting the cat.

DEREK
hissss

ARCHIE
(Leaps back in surprise)
Doo!

EZMERELDA
(Acknowledging the cat)
Ever since my lucky cat came to me,
business has been booming.

FALLON
(Nudging Gwen)
You did want your fortune told, Gwen.

GWEN
You first.

TAMARA
All right, tell my fortune, Ezmerelda.

Tamara sits at the table.
Ezmerelda holds out the Fortune Jewel, a top shaped jewel with
different sides, each a different color.
Ezmerelda spins the magic jewel and it blazes with magical light.

EZMERELDA
(Arms raised dramatically)
Diddly dum Dingly dee
Tell me Fortune Jewel,
What do you see?

The jewel spins and a wild magic image projects out. Beautiful,
jeweled musical instruments surround Tamara. Tamara stands and
raises her hands like a conductor. The instruments swirl around
her.

TAMARA
They're wonderful.

EZMERELDA
(Wondrous)
My Dear, you are destined to be the most
famous musician Avalon has ever known.

TAMARA

That's so nice. Thank you.

The image vanishes.

FALLON

And what of my fortune?

Ezmerelda spins the Jewel again.

EZMERELDA

(Dramatically)

Magic Jewel spin round and round,
Tell us what fortunes abound.

The jewel spins out an image of a jeweled bow. Fallon inspects the incredible archery bow.

EZMERELDA

You, my dear, will be the most famous adventurer
in all of Avalon!

FALLON

(Smiling)

I like that.

GWEN

Are these really fortunes or are you just telling us
things we want to hear?

EZMERELDA

Oh my, I assure you this jewel is quite magical.
Princess, please, let me tell your fortune.

FALLON

(teasing)

You do have a special dress picked out for the ball
tomorrow night.

GWEN

Very funny. All right.

Gwen sits in the chair as Ezmerelda spins the Jewel.
The Jewel spins out beautiful shades of gold and blue revealing
an image of Crystal Palace Gardens, beautifully adorned and set
for a major party. Gwenevere is standing next to her King as she
is crowned Queen of Avalon. She wears the most magnificent
wedding dress. The Crown is placed upon her brow, her King turns
to face us and - A blaze of wild magic strikes from the jewel.

The Crystal Palace turns to black ice behind the gardens.
A silver figure flies out of the wild magic.

ARCHIE

Doohickie!!

EZMERELDA

Oh my!!!

FALLON

Wild magic! Ezmerelda, stop it!

The little woman waves her hands at the magic.

EZMERELDA

I.. I can't.

The jewel lifts up off the table and spins out the image of -

GWEN

What is this wild magic!!

The figure swoops in on a flying throne, revealing that it is Morgana.

MORGANA

The end is near! A great witch out of legend will
appear to rule the magic of Avalon!
Behold!

FLASH! The image changes to Gwenevere as "Cinderlla," dressed in rags and mopping the palace floor with a bucket. Morgana flies overhead on her disk throne.

MORGANA

This is your fate, Princess Gwenevere!
Bow to your new Queen.

ANGLE - The hypnotic magic plays across Gwen's face as she is held in its grip.

FALLON

Stop this at once!

EZMERELDA

I can't!!

Suddenly Derek the cat leaps through the air knocking the jewel to the floor. The image disappears.

ARCHIE
Doowop! I demand to know the meaning of this!

EZMERELDA
(Flustered)
Sometimes the jewel shows
things that really mean something else....

TAMARA
Gwen, are you all right?

GWEN
I.. don't know.

Archie is studying Derek again. The cat looks at him very coolly

ARCHIE
There's something very familiar about you.

DEREK
Meow, hss

ARCHIE
Doot!

TAMARA
Let's get Gwen some air.

The Jewel Riders move Gwen outside.

EZMERELDA
Oh, Derek, what have we done?!

DEREK
hss meow

CUT

(5) EXT. SHADY GROVE
A shady grove near the tent grounds. Tamara and Fallon sit a
shaken Gwen onto a flower bench under a shady tree.

TAMARA
Easy Gwen, it's just a silly fortune.

GWEN
That felt so real, and so very near.

Archie paces back and forth.

ARCHIE

Dooo, there's something about that cat!

TAMARA

What is it, Archie?

ARCHIE

I don't quite know.

TAMARA

My Heart Stone didn't sense anything unusual about him.

ARCHIE

Still..

Fallon turns to disperse the crowd.

FALLON

(Addressing the crowd)

All right, The fortune jewel is closed for today.
Everyone go home now

CROWD

Oh!! Boo!! We want fortunes!!

ANGLE - Tamara and Fallon are dispersing the crowd as Kale peeps her head around the corner of the tent. Two Dweasel heads peep around with her. One looks one way, the other the other way, then they look at each other.

Kale sneaks into the tent. The Dweasels sneak behind her.

CUT TO:

(6) INT. FORTUNE TENT

Kale enters and stands tall. The Dweasels start sniffing about.

KALE

Well, well, isn't this charming!
I want my fortune told!

EZMERELDA

I'm sorry, we're closed for today.

The Dweasels are sniffing about. They sniff right over Derek.

DEREK

Get away from me you filthy animals!!

RUFUS
Ah! Twig, a talking cat!

TWIG
Hey you cat, you stink!!

RUFUS
Yeah, wild magic

DEREK
Get off me!!!

With an arch of his back, Derek tosses the Dweasels across the room.

DWEASELS
Ahhh

Kale reaches out for the jewel - but when she touches it, she gets a big shock.

KALE
Ahh!

Esmeralda grabs the jewel back

EZMERELDA
No one touches this jewel except me!

KALE
really

Kale whips out her Dark Stone.
At the sight of the Dark Stone, Derek leaps in surprise.

DEREK
What the?!

Kale whips the Dark Stone -
Derek leaps to the table and bats the jewel out of Ezmerelda's hand and into motion. The jewel goes spinning, spinning into the air. The spinning jewel draws the magic from the Dark Stone away from Ezmerelda. Wild magic from the Dark Stone deflects off of the Fortune Jewel and explodes up and out the top of the tent, pulling the Dark Stone with it. The Dark Stone is lifted into the air as Kale holds on.

KALE
What magic is this@!

EZMERELEDA

Oh no

Rufus hangs on to Kales' leg, Twig hangs on to Rufus's as Kale is lifted into the air.

ANGLE - Outside, rising above the tent.

KALE

Whatever this magic is, I will have it!

RUFUS

(Pointing)

Jewel Riders, Witchy witch!

KALE

Grimm, come and get me!

Grimm comes swooping in, catching Kale in her Dragon Wagon.

CUT

(7) EXT - CLEARING IN THE WOODS - DAY

Wild magic outbreak! Blue flames explode out of the projection TV and into the clearing. Magical images from inside the tent rise and fly out into the clearing, including a few ratfinks.

FALLON

(Getting up and pointing)

Wild Magic!

GWEN

Jewel Riders! Let's move!!

The unicorns charge to the Jewel Riders. Fallon does a running mount and leaps onto Moondance. Moondance rears -

FALLON

By the magic of the Moonstone!

Powers up - and charges the wild magic apparitions.

Gwen and Sunstar take to the skies.

GWEN

By the magic of the Sun Stone!

Powers up - and leap into the sky.

Tamara rears up on Shadowsong -

TAMARA

By the magic of the Heart Stone!

Powers up - and charges.

CUT TO:

(8) EXT. BEHIND THE FORTUNE TENT - DAY

Ezmerelda has the jewel as she runs out the back of her tent to her wagon. Derek follows.

EZMERELDA

Oh, Derek, what have we done?

DEREK

Hiss spit

Ezmerelda leaps to the wagon as it takes off down the North Road.

ANGLE - Jewel Riders ride into action against the wild magic outbreak.

Tamara and Fallon take positions on their unicorns back to back, firing their jewel power.

They dissipate the wild magic ratfinks.

A giant wagon barrels down, out of control right towards the Jewel Riders as -

Gwen and Sunstar dive down and blasts the wagon to magical bits. The three Jewel Riders contain all the wild magical bits and blast them to pixie dust.

FALLON

(Sees Ezmerelda's wagon barreling down the road)

Gwen! Ezmerelda is leaving!

GWEN

Let's clean up this mess first,
then we'll follow her

FALLON

Right!

TAMARA

We're not the only ones following!

Overhead, the Dragon Wagon swoops towards the receding fortune teller's wagon.

GWEN

Kale!

FALLON

Figures, where's there's a Magic Jewel,
there's Kale.

TAMARA

And I'll bet Morgana's not far behind.

CUT TO:

(9) AERIAL

The Dragon Wagon flies over the Great Northwoods

KALE

That jewel has great magic!

Morgana appears in a puff of magic behind Kale's head.

MORGANA

A magic jewel, you say?

KALE

Ah!! Do you always have to show up like that?!

MORGANA

You should be used to it by now!
So, where is this Jewel?

KALE

This fortune teller has it,
then the Jewel Riders showed up!

MORGANA

Perhaps we need a little bait... we can get the jewel
and get rid of the Jewel Riders once and for all

KALE

I like it, what do you have in mind?

MORGANA

Ha ha ha ha

KALE

Ha ha hA Ha HA!

CUT TO:

(10) EXT. MAGIC FORESTS - DAY
Deep in the woods, the wagon pulls to a stop.
Ezmerelda is lost as she looks around.

EZMERELDA

Where are we?

DEREK

Hss spit meow

Up ahead, the forest mists open to reveal an Inn near the side of the road.

EZMERELDA

Ah, a soft bed and a nice meal is just what we need.

DEREK

Hsss spit meow

EZMERELDA

Oh, come on Derek, don't be so ornery.

Ezmeralda pulls the wagon up to the Inn.

An innocuous-looking woman innkeeper appears in the open front door.

INNKEEPER

Welcome to Ye Ol Wild Inn.
Come in and rest yer weary bones.

EZMERELDA

That sounds fine. Come on, Derek.

Derek turns away but an exasperated Ezmeralda grabs him by the tail and drags him in behind her.

DEREK

(Scratching at the dirt)

Argle!

Ezmerelda drags Derek inside as the door closes behind them.

ANGLE - The Jewel Riders ride into the clearing. They see the old woman's wagon sitting there.

FALLON

There's her wagon.

TAMARA

I've never heard of "Ye Ol Magic Inn"!?

GWEN

Let's check it out, but be careful

The Jewel Riders approach the door but it magically vanishes before they have a chance to knock. With Jewels raised, the Jewel Riders enter. The door appears behind them, closing them inside. The entire Inn vanishes.

** COMMERCIAL BREAK **

ACT II

(11) INT. WILD MAGIC INN - PARLOR

Esmerelda sits in an odd parlor-type room. Derek is pacing back and forth.

EZMERELDA

Derek, sit still. Relax.

A door appears in the wall. Rufus and Twig dressed as butlers walk in carrying a tray of tea.

RUFUS

Tea?

TWIG

for two?

Derek is startled by the Dweasels.

DEREK

Meowzir!

RUFUS

Hey, it's that talking cat!

TWIG

sniff

Twig is sniffing the cat for signs of wild magic.

DEREK

Eewwww, disgusting.

BAT! Derek bats the Dweasels and chases them around the room. Esmerelda grabs the tray as the Dweasels run past.

EZMERELDA

Ah, delightful.

The Dweasels run out of the room.

RUFUS

Dumb cat!

TWIG

Stupid thing!!

CUT TO:

(12) INT. HALLWAY

The Jewel Riders walk down a long bizarre hallway. It is tilted at the weirdest angles.

FALLON

Does this entrance hall seem strange to you?

GWEN

This whole place seems strange.

Archie stops behind the group to examine what seems to be a door along the corridor. He opens it and looks - The door opens to the infinite wild magic void.

ARCHIE

Doowah!

Archie slams it shut, turns with back to the door, wings outstretched to hold it closed.

GWEN

What is it, Archie?

ARCHIE

No, don't open that door!

Although Archie tries to hold it shut, Gwen opens the door and inside is - a "Pee Wee's Playhouse" fun house room.

ARCHIE

(Carefully looks inside)

Wait!! I - eh, oh -

FALLON

Seems safe enough.

ARCHIE

There's something very peculiar going on around here.

The Jewel Riders walk into the room, looking around.

TAMARA

There's strong wild magic here.

GWEN

Stay sharp, let's find the fortune teller.

<CLANK>

Suddenly the ceiling begins to lower.

TAMARA
(Looking around)
What was that?

FALLON
The ceiling is coming down!
They turn but the door they entered has disappeared

GWEN
There's no way out!
The ceiling is lowering. Gwen and Tamara fire their jewels at the ceiling holding it steady.

TAMARA
(Straining)
The magic is too strong, we can't hold it!

GWEN
(Looking around)
There must be a way out!
Fallon is swinging her Moonstone over the walls. The Moonstone reveals a hidden door.

FALLON
Over there, a door!

GWEN
Hurry!

The Jewel Riders make for the door. Together they turn their Jewel Power on the spot and the door blasts open.

ARCHIE
doo, be careful!

The Jewel Riders dive out of the door just as the ceiling slams down behind them.

CUT TO:

(13) PARLOR
Ezmerelda sits demurely eating crumbbuns.
Derek is cleaning himself when the door opens and the Innkeeper appears.

INNKEEPER
Everything comfy?

EZMERELDA

Yes, quite.

Derek stops in mid-lick and looks at the Innkeeper suspiciously.

INNKEEPER

My, what a pretty kitty.

DEREK

Hssssss

Derek leaps up and knocks the Fortune Jewel from Ezmerelda's pocket. The Jewel spins around the room.

EZMERELDA

Derek, what are you doing?!

The jewel spins and wild magic flares out at the Innkeeper revealing her to be Kale.

EZMERLEDA

(Surprised)

Boy, you really do want your fortune told.

MORGANA

Let me handle this!

Morgana appears and floats to the ground. With a wave of her hand, she squelches the wild magic flare of the Jewel. The Jewel spins to a stop on the table.

MORGANA

Well well, It's been a long time, hasn't it.

EZMERELDA

What so you mean?

MORGANA

I wasn't talking to you, was I Derek!

DEREK

Hello, Morgana.

EZMERELDA

(Looking around)

Who said that?

MORGANA

Ha ha ha, being a cat becomes you.

DEREK

Thanks to you and your plot against Merlin.
When he blasted us into the wild magic, this is
what happened to me!!

EZMERELDA

(Astonished)

Derek, you're talking!!

MORGANA

Of course he talks.

EZMERELDA

He does!?

DEREK

Yes, yes I talk!

EZMERELDA

(Looks closely at Derek)

Who are you?

KALE

Yes, do tell.

MORGANA

He is a wizard, at least he was once.

DEREK

and will be again!

MORGANA

(Teasing)

You've lost your magic. Haven't you, Derek.

DEREK

Not all of it.

Derek leaps and spins the jewel creating a magic sparkle flash.
Ezmerelda grabs the jewel under the diversion -

DEREK

Quickly, this way!

She runs out of the room hot on Derek's little cat heels.

MORGANA

Run all you want, ha ha
You can't escape me in here

Derek and Ezmerelda run down a titled hallway.

CUT TO:

(14) ANOTHER HALLWAY

The Jewel Riders are waking down another hallway and arrive at a door enscribed with strange, tiny runes.

FALLON

No other door but this one.

GWEN

Open it.

ARCHIE

slowly...

The Jewel Riders open the door slowly.

ANGLE - The Jewel Riders peer around the door and look inside. Archie peevishly looks in behind them.

They walk into an "Alice in Wonderland" magic garden, down a path through magic flowers.

ARCHIE

I know that cat from somewhere dooo em -

BONK!

Archie bumps into a big pole. He looks up to see he is under a giant flower.

TINY ARCHIE

Good heavens!

Doo wah, what's happened?

The Jewel Riders have shrunk down to the size of mice.

TINY FALLON

We've shrunk!

TINY TAMARA

We must have triggered a magic trap.

<STOMP> <SNIFF>

TINY FALLON

What was that?

<STOMP> <SNIFF>

From across the room, gigantic Dweasels are sniffing about.
ANGLE - Rufus and Twig.

RUFUS
Sniff... smell something?

TWIG
Sniff... tiny magical bits!

ANGLE - Jewel Riders stare out from behind a plant stalk.

TINY GWEN
Oh oh

ARCHIE
Gakadoo! Giant Dweasels!

TINY GWEN
Let's ride!

The tiny Jewel Riders ride on their tiny unicrons through the garden path.

RUFUS
Ooo, oooo did you see that?

TWIG
Tiny Jewel Riders!

RUFUS
We will pounce

TWIG
We will leap

RUFUS
We will -

The Dweasels jump into one another as they and pounce on the Jewel Riders. But the unicorns have leaped out of the way carrying their riders under the gigantic flowers.

RUFUS/TWIG
Dooof!

The Jewel Riders hide under a flower.

TINY FALLON

What do we do now?

TINY ARCHIE

Better think of something big!

ANGLE -

A giant Dweasel snout pokes right into the screen.

RUFUS

A har!

TWIG

Har hoo!

TINY GWEN

Ahh!

Tiny Fallon swings her Moonstone out and zaps Twig's nose.

TWIG

Yeoothci, Jewel Rider zapped my nose!

Suddenly a dark hairy thing leaps in front of the Jewel Riders.

DEREK

Care to play with someone your own size?

RUFUS

Talking cat!!!

Derek does a cat flip, landing between the Dweasels

RUFUS

Did you see that?

TWIG

A cat flip.

DEREK

Keeyah!

Derek spins around, karate chops and boots the Dweasels out of the scene. They go sailing past Ezmerelda who is walking into the garden.

RUFUS

Hello

TWIG

I must be going

EZMERELDA

Derek, Derek, where are you?

DEREK

I'm over here.

EZMERELDA

If you're not really a cat,
why are you chasing mice?

TINY ARCHIE

(flies up)

Madam, I am not a rodent!!

EZMERELDA

Ooo

TINY GWEN

Can you help us?

EZMERELDA

Tiny Jewel Riders, how cute!

DEREK

If you please...

EZMERLEDA

All right.

Ezmerelda hands the Jewel to Derek. The cat spins it like a top.
The Jewel spins in the air and glows.

Magic flares out and the Jewel Riders grow.
Archie keeps growing into a giant Archie

ARCHIE

Goood gak!!

Derek spins the Jewel in the opposite direction. The magic
shrinks Archie back to normal size.

ARCHIE

Thank goodness.

EZMERELDA

Princess, are you all right?

GWEN

Yes, thanks.

FALLON

What's going on here, anyway?

EZMERLEDA

It seems a few poeple are after my jewel.

DEREK

That's my jewel, Madame.

EZMERELDA

But it's been in my family -

DEREK

Yes, yes, for a thousand years.

ARCHIE

That's when Derek lost it.

GWEN

You plotted against Merlin?!

DEREK

No, not really, I like Merlin.

Morgana tricked me.

Before I knew it, I was tossed into the wild magic without my jewel.

ARCHIE

How did you get out?

DEREK

Merlin helped me.

He told me where I could find my jewel.

(to Ezmerelda)

However, it seems to have become slightly tuned to you.

EZMERELDA

Than I do have magic.

DEREK

Slighty...

ARCHIE

What did Merlin say?

DEREK

To find the Jewel Riders, and to give them
my Jewel as a sign of friendship.

GWEN

Friends of Merlin are friends of ours too.

BOOM!

The ground shakes, a wild magic flare explodes and the garden
vanishes. The Jewel Riders stand in Morgana's throne room. The
Wild magic void can be seen surrounding them through the windows.

The group turns to see Morgana sitting on her floating throne.
Kale stands next to her, Dweasels looking out from behind her.

MORGANA

Hand me the Fortune Jewel and
I'll turn you back to yourself, Derek.
That is what you want, isn't it?

DEREK

Yes, it is.

MORGANA

Merlin is gone, Avalon is mine,
Just as the Jewel has foretold!

FALLON

(To Derek)

Is it true?

DEREK

It is one possible outcome.

MORGANA

It is the only outcome!
All I need is the magic jewels!

Like a bolt of lightning, Morgana leaps from her throne and
lashes out magic power from her fingertips. She catches the
Jewel and pulls it to her.

GWEN

Jewel Riders!!

FALLON/GWEN/TAMARA

Jewel Power!

The girls fire magic from their Enchanted Jewels and catch the Fortune Jewel just as it is about to fall into Morgana's hands. They pull it towards them.

MORGANA

Kale, the Dark Stone!

Kale whips her Dark Stone and adds its magic to the tug-of-war. The jewel is now pulled back to Kale and Morgana.

MORGANA

Derek!

Work with me as we did in ancient times!

DEREK

Not this time Morgana, I've seen the results of your magic. This time I prefer to work with friends.

Derek adds his magic to the Jewel Riders. The jewel is being pulled to the Jewel Riders. Caught between the two opposing forces, the Fortune Jewel begins to spin.

An image of Morgana sitting in her flying Throne at the center of the Wild Magic appears. She floats in the Forge (the center of the magic), waving her hands and controlling the ebb and flow of the magic -

FLASH!

The image shows Gwen's wedding day, as she is crowned the Queen of Avalon.

MORGANA

(eyes amazed)

Yes! We need more magic!!

Morgana concentrates and starts to pull in wild magic from the outside of her lair. The walls of her lair start to disappear and fall away as the wild magic from outside rushes in to pull at the Fortune Jewel.

The Jewel is being pulled to Morgana. Ezmerelda doesn't know what to do.

TAMARA

Ezmerelda, it's tuned to you.
Choose your side!

EZMERELDA

Oh, I don't know!

MORGANA

Work with me and the jewel will be yours,
fame, fortunes beyond your wildest dreams!

GWEN

No, the jewel must be used for the good of Avalon!

Ezmerelda looks to Derek, then raises her hands and concentrates
- the jewel spins faster.

EZMERELDA

(Calls out)

Jewel of fortune,
Who should I turn to?
Who should I trust?

The jewel spins, spins, spins... flashing the image of Morgana on
the Throne of wild Magic - Gwenevere being crowned Queen of
Avalon, Morgana, Gwenevere, Morgana, Gwenevere....

BOOM! Wild magic explodes - a new image is displayed:
the image of a travel tree, one travel standing alone in a
mystical clearing.

ANGLE - Reactions - Morgana and Kale - Jewel Riders - amazement

ARCHIE

Good Gak!! It's the Grandfather tree!
The first travel tree of Merlin!

GRANDFATHER TREE (vo)

Only Merlin may call upon the Grandfather tree.

MERLIN (os)

I do call upon you, Grandfather Tree.

The tree sparkles with magic and Merlin appears from a magic
portal in the base of the tree. His image is filled with static
break-up, as if the wild magic can't hold him together.

MORGANA

Merlin!!

JEWEL RIDERS

Merlin!!!

EZMERELDA

Merlin!!

MERLIN

The time has come, my students, for you to
become the masters.
You have the jewels you need to save Avalon.

The image of Merlin is breaking up. It can't hold together and
breaks apart, flickering out.

GRANDFATHER TREE

Come to me in the Forests of Arden.

MORGANA

We must find that travel tree!

The image fades - the Fortune Jewel stops spinning and falls to
the ground.

The magic tug-of-war breaks, releasing Kale and Morgana and the
Dweasels into a backlash and sending them flying out into the
wild magic.

MORGANA/KALE

Ahhh!

Ezmerelda grabs the jewel, looks at it and then hands it to the
Jewel Riders.

EZMERLEDA

I think this should be in your hands now.

GWEN

Thank you.

TAMARA

You did the right thing.

EZMERLEDA beams.

GWEN

And thank you, Derek.

DEREK

If I have any chance at all of turning back
to the real me, it's with Merlin.
Good luck, Jewel Riders!

GWEN

Let's go find Merlin!

ARCHIE

And bring him home!

EZMERELDA

Say, Derek, how's about you and me forming a partnership, you know a talking cat can be quite an attraction.

DEREK

What'd you have in mind?

EZMERELDA

We'll spilt 50/50 right down the middle.

DEREK

My dear lady, that is outrageous!
Nothing less than, say, 60/40!

The Jewel Riders stand looking out over the great void of the Wild Magic.

GWEN

Let's call the gliders and go home,
we've got our own plans to make.

The three girls high five.

GWEN/TAMARA/FALLON

Jewel Power!
