ACT I

(1) EXT. - THE HEART OF AVALON PAN DOWN from the residue of the Wild Magic portal left by Morgana in Ep. 25. Tendrils of mist slowly drift where the portal has closed.

PAN to the crystallized statute of Kale, standing high atop the frozen pile of Dragon Wagon, Dweasels, and Grimm.

ANGLE ON - Gwen, Sunstar, Fallon, Moondance, Tamara, Shadowsong, Archie and Ranger stand on the shores of the misty, magical lake. Fallon is using her Moonstone to scan the sky where Morgana opened a portal and left with the Wizard Jewels.

GWEN

The wizard jewels must be forged together to make one new jewel for Merlin.

TAMARA

How do you know that?

GWEN

The spirit of Avalon told me.

ARCHIE

Doo! The Lady of the Lake spoke to you?!

GWEN

Yes. She gave me this.

ARCHIE

Doowahhh, the Staff of Avalon!

GWEN

We have to go to the center of the wild magic and get this staff to Merlin.

FALLON

But Morgana's taken all the wizard Jewels.

GWEN

It's my fault, I left them where Morgana could get them.

ARCHIE

She didn't take all of the Wizard Jewels.

The girls look at where Archie is looking. On the ground below the pile of Kale, lies the Dark Stone.

GWEN

Why did she leave this?

TAMARA

She must think she doesn't need it anymore.

Gwen bends to pick up the Dark Stone, and it sparks fire.

ARCHIE

Be careful, Princess! The Dark Stone still has strong magic.

RANGER

I'll carry it for you.

Fallon is focusing her Moonstone at the wispy tendrils of magic that surround the portal. She forces it open.

FALLON

I've got a trace on those jewels.

GWEN

Jewel Riders, let's ride the wild magic!

FX WIPE TO:

(2) WILD MAGIC - SFX

The Jewel Riders ride down the tunnel of magic. Riding hard, they turn with the tunnel, and are shot right out and into the infinite voids of the wild magic.

GWEN

Jewel Riders, use your Magic Glider wings!

Gwen raises her arm and the Jewel Riders open their wild magic glider wings to glide through the open void of magic.

FALLON

Up ahead, can you see it?

TAMARA

Incredible! I've never seen such strong magic!

The tunnel has opened into an immense void and up ahead, in the center can be seen the magical galactic core. Magic emanates from the core and wafts out into various tunnels, like a giant heart beating magic into the veins of the universe.

ARCHIE

Whaahootie!!! Are we sure about this?

Gwen holds up the Staff of Avalon.

GWEN

Onward, Jewel Riders! For the glory of Merlin and Avalon!

The Jewel Riders glide the magic straight into the nexus.

FX WIPE:

(3) EST. EXT. CRYSTAL HENGE
ZOOM INTO - The Crystal Henge - a magic circle of crystal
towers - floats just over the great plane of the cool icy
surface. The crystal shafts of the Henge encases a magic forge,
an aurora borealis of shifting and changing lights.

In the very center of the forge, floats Merlin. He moves his arms to balance the magical ebb and flow of the core.

MERLIN

So the time has come, Morgana.

ANGLE ON - Morgana stands in front of the Henge, between two towers. In her hands she holds the case of Wizard Jewels.

MORGANA

Now it is you who will spend eternity here while I rule the magic of Avalon.

Morgana opens the jewel case and reveals the wizard jewels to Merlin.

MERLIN

(Chuckles)

We'll see.

MERLIN

(looking around)

It seems you're not the only one who wants these jewels.

Eerie sounds are heard as ghostly images appear from the Wild Magic and swirl around the Henge.

The ghosts fly around Morgana reaching their ghostly fingers for the Jewel Box.

MALLORY

My Jewel!

TIBERIUS

My Jewel!!

Morgana clutches the case to her as she commands the wizard ghosts.

MORGANA

Stand back, Wizards!

But the ghostly forms are all fighting for the Jewels, pulling them with ghostly fingers.

MORGANA

These jewels are mine!

A great flash of light and the Jewel Riders appear on the opposite side of the Crystal Henge. Gwen holds the Staff of Avalon high.

GWEN

By the magic of Avalon! We stand ready to defend All that is good!

The magic light of the Staff startles the ghost Wizards and they step back.

MORGANA

Jewel Riders!

JEWEL RIDERS

Merlin!

ARCHIE

Merlie, is it really you?

MERLIN

Yes, I have been here trying to turn all the magic to good, since my jewel was destroyed. You have done well, my students. You have brought the Staff of avalon.

MORGANA

The Staff of Avalon. Give that to me!

Gwen walks to the center of the Henge, holds the Staff high and plunges it into the ground. The Henge towers light up in magic. The Wizards are awed by this great magic.

WIZARDS

Agh!!

MERLIN

Only <u>one</u> jewel will control the magic. Whoever wields the staff controls that jewel!

MORGANA

I've been ready for a thousand years!

MERLIN

You will have to prove it, Morgana. The jewel must be forged. Will it be tuned to you or to me?

Morgana turns and postures to the Wizards like a grand politician.

MORGANA

Do you see great wizards, One jewel for one ruler!

Morgana raises her arms in a classic gothic pose.

MORGANA

Bow before the new Queen of the Wild magic!

WIZARDS

(cheering)

Queen Morgana!!

Morgana holds the jewel box high. The jewels inside glow with magic.

ANGLE ON - Merlin looks down upon his students.

MERLIN

My students, the future will be decided in a series of magical tests. Are you ready?

The Jewel Riders look to each other. Tamara and Fallon nod to the Princess.

GWEN

We're ready!

ANGLE ON - Morgana, sweeping her arm across the screen.

MORGANA

Let it begin!

Morgana takes The Garden Jewel from the jewel box. She raises it high into the air.

MORGANA

The Garden Stone, the wizard Jewel of Gardenia.

MAGIC JEWEL WIPE TO:

(4) EXT. LAND OF GARDENIA - DAY
The Jewel Riders find themselves in the magic land of Gardenia.
Before them is the Lair of the Wizard Mallory. The Jewel Riders
are in a wide open field, surrounded by topiery sculptures.

TAMARA

Where are we?

FALLON

Gardenia

GWEN

This is where we found the Garden Stone.

CRASH! - a blast of thunder.

GWEN

Oh, oh. What's that?

ARCHIE

This is wild magic, anything can happen here! Doowah.

Morgana explodes out of the wild magic. She is covered in silver lamay and flies on her flying throne.

FALLON

You got that right.

Morgana holds up the Garden Stone and lets loose a bolt of magic. The magic strikes the topiery creatures.

Topiery creatures turn to crystal and come to life. Morgana holds out her arms, laughs, and forces the creatures forward.

The creatures roar and attack. Ranger roars as he transforms into the Beast.

RANGER

Look out! Arg!

The three unicorns leap to the sides as the creatures attack the group.

Beast charges the creatures, knocking them to the side.

GWEN

Jewel Power! Sunstar, take us up!

Crystal creature goes after Tamara and Shadow. They leap out of the way as Beast knocks into it. They battle like two huge wrestlers. The creature forces Beast down.

GWEN

We're coming, Ranger!

Gwen and Sunstar dive into the battle. Gwen swings out her sun Stone and forms her lasso. She whirls it over her head and lassos the creature, pulling it back from Ranger. She pulls the creature across the screen.

Flying fast, Sunstar comes around and dives after another creature.

Moondance rears and leaps out of the way as a creature swipes at them. Fallon fires her Moonstone and it deflects off the creature, refracting in a million pinpoints of light. The creature attacks again, but Moondance is too quick. She leaps out of the way, as Fallon pounds it with her moon beam magic.

FALLON

Our jewel power only bounces off these creatures.

The creatures have surrounded Ranger and Fallon. Morgana flies overhead wielding the Garden Stone.

MORGANA

This is too easy! Ha ha ha ha

Gwen flies in.

GWEN

Tamara, use your Heart Stone!

TAMARA

Let's go, Shadow!

Shadow leaps into the action, running right into the middle of the creatures. Leaping past swipes and tails. Tamara holds up her Heart Stone.

TAMARA

Magic of the Heart and music so sweet, Give me a song to knock them right off their feet!!

Both Heart Stones fires out a beam of Heart light. An orchestra of magical instruments forms, flying around the creatures. Floating instruments play a blizzard of notes that surrounds the creatures.

TAMARA

Let's increase the beat for some dancing feet!

Tamara and Shadow fire their Heart Beams and the music swirls around faster.

The music is infectious as the creatures begin to dance, twirling around, and stomping up a mighty creature stomp.

Archie is dancing around over at the sidelines, flipping about.

ARCHIE

Go, Jewel Riders!

TAMARA

Very nice, Shadow.

SHADOW

Thank you.

Morgana is not pleased. Ranger pushes another creature into the dancing circle.

GWEN

We add the magic of the Sun Stone!

Gwen and Sunstar fire their Sun Stones releasing a flurry of flowers. The flowers get caught in the magic swirl and cover the creatures.

FALLON

We add the magic of the Moonstone!

Jewel Riders

Fallon and Moondance fire their moon beams. The beams transform the creatures back into topiery statues, each positioned in a dancing, happy pose.

Morgana holds up The Garden Jewel and is shocked to see it vanish from her hand.

ANGLE ON GWEN - The Garden Stone magically appears in her hand.

JEWEL RIDERS

Cheer!

MORGANA

There's still five wizard jewels left!

MAGIC WIPE TO:

(5) EXT. - CRYSTAL HENGE - DAY
The Jewel Riders are back at the Crystal Henge. Gwen places the
Garden Stone over the Staff of Avalon. The Jewel glows gold.
The forge swirls with magical power.

Morgana takes the next jewel from the case. She holds up the Unicorn Jewel.

MORGANA

Let' see how you handle this one!

MAGIC WIPE TO:

(6) EXT. - VALE OF THE UNICORNS - DAY

The Jewel Riders find themselves standing in the great Vale of the Unicorns. Before them is the great opening into Unicorn Mountain. The Jewel Riders dismount.

FALLON

(looking around)

The Vale of the Unicorns!

GWEN

Stay Sharp, we don't know what kind of magic we face here.

SUNSTAR

But we do.

GWEN

What do you mean?

MOONDANCE

This contest is for us.

SHADOWSONG

We must go in alone.

GWEN

(to Sunstar)

Are you sure?

TAMARA

The unicorns have been our dearest and closest friends. Merlin said we must trust in our friends.

The unicorns step forward and into the Vale. They vanish.

FX WIPE TO:

MAGIC UNICORN FIELD -

The three unicorns stand on a great field in an indoor cavern.

Morgana blazes out of the wild magic wielding the Unicorn Jewel! She flies in low on her flying throne, raising the jewel high!

The unicorns take positions as Morgana fires a blazing energy ball down at the unicorns. The fireball blazes down like a comet. Moondance runs and bats it with her horn. It fires over to Shadow. Shadow leaps and bats it up. Sunstar flies over and knocks it back to Morgana. Morgana swerves out of the way as - The fireball explodes like fireworks in the skies.

Morgana dives back down, firing a flurry of fire balls with the Unicorn Jewel. The blazing comets rain down on the unicorns. The unicorns move into a circular pattern, firing the comets among them and back up to Morgana. The sky is filled with the blazing meteors. The unicorns are getting trapped as the circle of fireballs gets more intense. Moondance is hit and goes skidding into the dirt.

MOONDANCE

Ahh!

ANGLE OUTSIDE - The Jewel Riders wait anxiously.

FALLON

Moondance!

MOONDANCE

I'm all right!

FALLON

(turns to the girls)

We've got to help them!

GWEN

Sunstar said it was their contest.

FALLON

Who made up these rules anyway?! They're our friends. I say we help!

TAMARA

Let's do it!

GWEN

Right!

The girls run into the mouth of the Vale and vanish.

MAGIC WIPE TO:

MAGIC UNICORN FIELD

The girls land near the unicorns. The 'corns are fighting to keep the fireballs in the air.

FALLON

Let's get some Jewel Power happening!

Fallon uses her Moonstone to create winged feet on her boots. She takes off like a FLASH! - running superfast. She is beside Moondance and firing her Moon beam.

FALLON

Moondance, I'm with you!

WHAM! Fallon whirls a fireball back at Morgana. The ball explodes, throwing Morgana to the side.

GWEN

I've got this one, Sunstar!

WHAM! Sunstar deflects a ball to Gwen, who uses her Jewel Power to hurl it to Morgana! Morgana's hit again as the meteor explodes in a blaze of light.

MORGANA

Ahrgj!!

Morgana rises up in her floating throne. She fires a mighty blast from the Unicorn Jewel.

TAMARA

Over here, Shadowsong!

Shadowsong leaps into the sky and knocks it to Tamara Tamara uses her Jewel Power to create a whirling fan around her hand. The fireball hits and reflects off, spinning right to Gwen. Gwen catches the fireball with her Sun stone magic, like a Lacrosse player catching a speed ball. She holds it up and it is revealed to be the Unicorn Jewel.

JEWEL RIDERS

Yea!!! All right!!

Morgana disappears in an explosion of magical bits.

MAGIC WIPE TO:

(7) CRYSTAL HENGE - DAY

Gwen steps forward to add the Unicorn Jewel to the magic staff. Two jewels float together over the Staff, flashing a golden color.

The other wizard ghosts are getting restless as Morgana takes a third Jewel from the jewel box.

MORGANA

Four jewels left, can this one turn the tide?

Morgana lifts out the Jewel of the Sea!

TAMARA

The Jewel of the Sea!

A tremendous rumbling is heard as the ground begins to quake.

GWEN

Jewel Riders!

A giant wave thunders out of the wild magic, knocking into the Jewel Riders. They are washed away in the Tsunami.

MAGIC WIPE TO:

(8) MAGIC CLAM FIELDS - UNDERWATER

The Jewel Riders are thrown into the magical clam beds, at the bottom of the Mermaid Sea.

TAMARA

Use the magic of the Mer-folk!

The Jewel Riders hold up their Jewels and morph into mermaids, the unicorns into seacorns. Ranger is still human, Archie is still owl.

RANGER

Glub, choke

ARCHIE

Wocka wocka

GWEN

Ranger! Archie!

Sunstar, we've got to help them.

The Jewel Riders use their jewels to create a magic bubble for Ranger and Archie. They hold the bubble steady.

TAMARA

(Looking around at the clam beds)
The magic clam beds!

GWEN

The Jewel of the Sea, what could happen here?

Suddenly the waters ripple around them.

ARCHIE

We're about to find out.

Morgana blasts out of the wild magic, transformed into a sea witch. She wields the Jewel of the Sea.

MORGANA

The magic of this jewel shall be mine!

Morgana fires the jewel creating a giant funnel in the water. The funnel forms into an underwater tornado that whips through the clam beds. The Jewel Riders are caught in the tornado and

JEWEL RIDERS

Ahhhh!

whipped around.

Morgana twirls the tornado like a top.

MORGANA

Ha hah I have you now!

Fallon fires her MoonStone but has to let go of Archie and Ranger to focus her jewel elsewhere. The bubble flashes.

ARCHIE

Argahootle!

No, keep the jewels on Archie and Ranger!

The Jewel Riders are swept away but manage to hold onto the bubble that contains Archie and Ranger.

ANGLE - The Jewel of the Sea blinks strongly in Morgana's hand.

MORGANA

This one is tuned to me! The other Jewels will be easy now!

She vanishes, leaving the Jewel Riders twirling about in the tornado.

ANGLE - The tornado goes whirling by, tossing up the clam beds.

Come on everyone, we need more jewel power!

Tamara calls out to the clams in the clam beds.

TAMARA

I call on the magic of the Clam Dance!

Tamara shines a Heart Beam out to the clams. The clams start snapping and dancing in a clam chorus line around the funnel. The clams whirl around close enough for the Jewel Riders to grab onto. Each of the girls grabs a giant clam shell as the chorus line dances by. The girls and seacorns ride the giant shells and fly out of the swirling funnel.

GWEN

Hang on!

ARCHIE

You mean, hang ten!

The bubble with Archie and beast/boy is pulled behind the Jewel Riders.

MAGIC WIPE TO:

(9) CRYSTAL HENGE - EXT.
The Jewel Riders appear in the Henge.

Morgana is in the Henge, posturing to the Wizard Ghosts. The Wizard Ghosts cheer.

WIZARD GHOSTS

Morgana! Morgana!

Morgana adds the Jewel of the Sea to the Staff. Three Jewels float on top of the Staff and turn a bright red. The magic nebula swirls faster behind Merlin. Merlin struggles to contain the new magical ebb and flow.

GWEN

Morgana's won this round.

MORGANA

(turns to face Merlin)

Soon the magic will be tuned to me and you will be destroyed!

Morgana turns to bow to the ghost wizards, then raises her hands in victory.

MORGANA

hA HA HA Hsss

The three Jewels on the Staff glow red.

MAGIC WIPE TO:

(10) EXT. - MYSTERY ISLAND - DAY

MORGANA

Choose your portal carefully, Jewel Riders. I'll be waiting in one of them.

The Jewel Riders stand in the center of the Mystery Island. The old clock tower stands in the distance. A dozen portals open up around the Jewel Riders, surrounding them.

The Jewel Riders look around at the different choices.

GWEN

What do you think, Fallon?

FALLON

Hard to say, I'm getting strong magical readings from all of them!

GWEN

Tamara?

TAMARA

I don't know. Only way is to try them.

GWEN

(pointing to the nearest one)
All right, Sunstar and I will try this one.

ARCHIE

Doowhat?!!

FALLON

Not without us!

GWEN

No sense in everyone getting lost.

ARCHIE

Princess, I highly recommend under the circumstances you stay here... with me!

FALLON

Moondance and I will go!

TAMARA

Gwen, she's right, we need you here.

GWEN

All right.

REX

Ouch!

Rex's brother, Silvester has arrived. And here comes his cousins and nephews.

Fallon holds up her Moon Jewel high.

FALLON

Jewel of Moon, magic so bright, Make us invisible Hide us with your light!

The Moonstone makes Fallon and Moondance invisible. They leap out of the way as two Rexs crash into one another.

TAMARA

Do you see Morgana?

SHADOW ARCHIVE SHAT?

No... wait, what's that?

Loud Dweasel party noises. Tamara turns to see the Dweasel Tea Party in progress. A long table right out of "Alice in Wonderland" with a talking Dweasel mouse tea pot. Pepe sits at the head of the table wearing a big top hat. Gidney lies on his back on the table tossing bits up into the air and into his mouth.

ANGLE - The Dweasels are sniffing up a storm.

PEPE

It's here!!

TAMARA

She hold up her Heart Stone and fires a beam. The portal reappears.

PEPE

(leaps back in shock)

Gadzooks, man!!! It is here!

Tamara opens the portal farther and they see inside the Mystery Island setting with the dozen portals.

GIDNEY

(waltzing about)

I'm in heaven, Dweasely heaven...

TAMARA

Which one has a magic jewel, do you think?

GIDNEY

(pointing to one of the portals)

That one, that one!!

PEPE

Tamara removes it for him.

TAMARA

(pointing to another portal) We think that one is the right portal.

GWEN

All right, Sunstar and I are going through.

ARCHIE

But, Princess!

GWEN

No, I'm as much a part of the team as you are. Stay here, Archie

ARCHIE

Bur but but but -

GWEN

That's an order!

RANGER

I'll go with her.

GWEN

(to Ranger)

Are you sure?

RANGER

Yes.

GWEN

All right.

Sunstar and Gwen leap through as Ranger follows -

MAGIC WIPE TO:

(15) EXT. - CRYSTAL ICE FLOW - DAY

They have landed on an ultra-thin layer of ice. The ice extends to the horizon. The ice is ultra-sheer and cracks when Sunstar steps forward. Gwen dismounts.

RANGER

I can sense strong magic here.

SUNSTAR

So can I.

The three take a step forward, then another.

GWEN

Seems solid enough.

Morgana sweeps out of a portal.

MORGANA

Isn't this a wonderful sight!

Morgana raises the Time Stone and fires. Double magic blast, one from each end of the Time Stone.

CRACK!

Long jagged lines race along the ice, opening it like fissures. A line runs between Gwen, Sunstar, and Ranger, separating them.

RANGER

Gwenevere, look out.

Ranger pushes Gwen to the center section of stable ice. With hand outstretched, Ranger is torn away as the ice splits and fissures. Mists rise from the bottomless oblivion in the ice cracks

Sunstar tries to fly but the ice floor wraps around her freezing her in a crystal block of ice.

The Sunstar-cicle drops but Gwen catches it with her Sunstone.

Ahh!

Sunstar!

On her other side, Ranger is also trapped in a crystal ice block. He falls as Gwen turns and catches him, splitting the Sun Beam to both sides of her.

Gwen uses her Sun Stone to try and pull both of them back up to the center ice floor.

MORGANA

I've got you this time. You can only save one, choose well Princess!

Ranger transforms into beast to try and fight the magical icy shrink wrap, but the magic is too strong.

GWEN (struggling)

Ranger!

MORGANA

That's the trouble with you Jewel Riders, always thinking of others first.
That is your weakness and my strength!

The Time Stone glows strong in Morgana's hand. Morgana vanishes with the Jewel.

Ranger and Sunstar sink into the misty oblivion. Gwen doesn't know who to save, Sunstar or Ranger. She can't hold both.

RANGER

Save Sunstar!

GWEN

(frantic)

oh no what do I do?

RANGER

Listen to me and save Sunstar!

GWEN

(she makes her decision)

I'm sorry, Ranger.

Gwen let's go of Ranger and focuses the full strength of the Sun Stone to pull in Sunstar. Ranger falls into the mists. Gwen pulls Sunstar to the center ice and defrosts her. She leans over the edge and looks down into the mists.

GWEN

(fighting the tears)

Oh, my brave champion, Have I lost you forever?

SUNSTAR

Gwen, we have to get back to the others.

GWEN

Let' go!

GWEN

(Anger building)

Come on, we're going back and deal with Morgana!

MAGIC WIPE:

(17) EXT. - CRYSTAL HENGE - DAY The Jewel Riders leap through the portal and land near the Henge.

Merlin is struggling in the changing wild magic forge. The colors are shifting to reds and purples.

Morgana turns in triumph as the Wizard Ghosts cheer.

WIZARDS

Cheeers!!

MORGANA

Thank you, great wizards, My time...

Morgana holds up the Time Stone - MORGANA and yours, is at hand!!

WIZARDS

Cheeers!!

She places the Time Stone near the other Jewels and they swirl together bright red.

GWEN

(crying)

Merlin, he's gone.

MERLIN

My child, life is full of challenges. This is but one more test for you

MORGANA

I grow weary of this!
I call on the Jewel of Arden!

Morgana holds up the jewel.

MERI.IN

Do not despair, Princess.

MAGIC WIPE TO:

(18) THE FORESTS OF ARDEN - DUSK
The Jewel Riders arrived in the Circle of the Wraiths. Smoke
rises around the Jewel Riders as they look at the destroyed ruins
of the magical forest site.

GWEN

The Circle of the Wraiths?!

FALLON

Why are we here?

TAMARA

The magic of Arden is here.

GWEN

(furious)

It was here... who could have done this!@!

FLASH! MORGANA flies out of the wild magic and glides over the circle.

MORGANA

What a ghastly place, I love it!

GWEN

Morgana!

MORGANA

I'm right here, Princess Gwenevere. Your beast boy lived here didn't he... or what's left if it.

GWEN

(furious)

You'll pay for this!!!

Gwen whips out her Sun Stone and points it directly at Morgana.

TAMARA

Gwen, no. That way isn't right, don't you see?!

GWEN

(screams out)

Tamara, let go of me!!

She tosses Tamara to the side and swings back to face Morgana. Morgana floats close by, taunting and teasing Gwen.

MORGANA

You want to do something about it, don't you, Dear.

GWEN

Come on Morgana, just you and me!!!

MORGANA

That's it!! Let your anger go!

FALLON

Gwen, no!!

ARCHIE

Princess, listen to your friends!

GWEN

I'll ... I'll..

No, this is not the way.

Gwen lowers her Sunstone.

MORGANA

Fire your Sun Stone!!

GWEN

I'll never be like you.

The jewel of Arden vanishes from Morgana's hand and appears in Gwen's hand.

MORGANA (vanishes)

No!!

Morgana fades away.

The circle comes alive with wraiths. They swirl around and reveal Ranger lying on a tree stump in the center of the circle. He is covered in the magic shrink wrap glow from the ice cliff.

ARIENDA

Gwenevere, only you can break the spell.

Gwen walks over and looks upon Ranger. She leans in and kiss him.

GWEN

* magic kiss *

The magic kiss breaks the spell. The glow fades, Ranger awakens. RANGER **GWEN** ARIENDA MAGIC WIPE TO:

Gwenevere

Ranger

The circle transforms and becomes alive and beautiful once again.

With the magic of love, you have the most powerful magic of all. You have done well, Princess. All of Avalon stands with you!

(19) CRYSTAL HENGE - DAY

The Jewel Riders appear back at the Crystal Henge. Gwen steps forward and places the Jewel of Arden near the others. The ring of Jewels glow golden once again, then red, then golden.

The magic is swirling as Merlin struggles to contain it in the forge.

MORGANA

So it's down to the last Jewel.

She holds up the Fortune Jewel.

MORGANA

Let this jewel tell us who shall rule the wild magic. Tell us, Fortune Jewel!

Morgana spins the Jewel. It flies into the air spinning, and spinning...

ANGLE - the ghost wizards all reach out as the jewel spins past them.

The jewel spins to the staff and connects to the other jewels in a great flash of magic. The One Jewel looks like it could form.

The wild magic forge swirls like crazy and - explodes!

The magic is loose as it flies from crystal henge to henge. A swirling circle of magic runs from tower to tower.

Merlin is wrenched free of the magic nebula and thrown clear.

MERLIN

Argg!!

The image of Morgana, sitting high in her throne in the wild magic replaces Merlin in the forge.

MORGANA

Yes, I knew it, I will rule the magic!

WIZARDS

Morgana! Morgana!!

Morgana leaps to take Merlin's place. The magic calms and is pulled back around Morgana. She now controls the flow of magic.

WIZARDS

Magic!! Magic!!

The wizards all run into the magic forge. Morgana raises her arms and tries to pull the Staff and the One Jewel to her. But the Staff does not move. The Jewel has not yet forged into One Jewel, there are still 6 Wizard Jewels, together, but still separate. They glow red, gold, red, gold....

MORGANA

Wait, why hasn't the Jewel formed? What's wrong?

MERLIN

Did you forget, Morgana. There's one more Wizard Jewel

Ranger holds up the Dark Stone he has kept.

MORGANA

My Dark Stone!!
That jewel is already tuned to me!
Ha ha ha ha
Come to me, my Dark Jewel!

MERLIN

Princess Gwenevere, it's up to you now. Only you can forge the jewel!

MORGANA

Yes, add the magic of the Dark Stone!

GWEN

Merlin?

MERLIN

You know what you must do

Gwen holds up the Dark Stone and the Sun Stone.

GWEN

The Dark Stone and the Sun Stone.

MERLIN

It's always come down to this, my Princess. The forces of dark and light must come together. Only one will win.

GWEN

(calls out)

Let goodness and love forever triumph over the forces of darkness!

Gwen hold up the Dark stone and the Sun Stone. One glows red, the other golden. She pushes them together. Magic flares out. The magic is wild and encases Gwen, spreading out.

GWEN

Ahh! Help me!

TAMARA

Fallon, Archie, Ranger, hold hands. Help her!

Her friends stand around her, holding hands in a Jewel Circle. Gwen is covered in swirling magical fire, as the magic of the Dark Stone and the Sun Stone lash out against one another.

SUNSTAR

Moondance, Shadowsong, she needs us!

The unicorns join in the circle as they fight to contain the erupting magic!

GWEN

My friends... help me!!!

There is a great flash of light. The Gliders fly out with the Pack.

DRAKE

What the - Princess?!!

TAMARA

Drake, Max, Josh join our circle, bring in the wolves!

DRAKE

Let's move!

The magic circle is enlarged as Gwen's friends all join hands and fight to protect her from the fire.

BOOM!

A magical explosion shakes the Henge. As the magical mist clears, Gwen rises into the shot and raises up the Sunstone!

GWEN

** laughs triumphantly **

Gwen stands with her friends. She holds the Sun Stone high. The Sun Stone has absorbed the magic of the Dark Stone. Gwen fires at the Staff and the Wizard Jewels becomes fused together to reveal the One Jewel. It is now attached to the Staff of Avalon, forever.

MORGANA

The Jewel!

Morgana reaches for it with tendrilly fingers, but -

Gwen reaches in and takes the Staff of Avalon - She turns and hands it to Merlin. The magic of the jewel turns Merlin from transparent to whole. He is back. Merlin takes the Staff and fires at the forge, shrinking it.

MORGANA

Nooooo! Ak!

The forge shrinks, shrinks and vanishes taking Morgana and the other wizards with her.

ARCHIE

Merlie!!!

Archie flies into the arms of Merlin. Merlin hugs his owly friend.

MERLIN

Ah, Archimedes.. my friend.

Group hug.

MERLIN

You have done very well, my students.

GWEN

Merlin. We've won, Morgana and the other wizards are gone!

MERLIN

Darkness always returns, my child. But the strength and love of our friends will hold the darkness back.

TAMARA

We have so much to tell you, Merlin

FALLON

So many adventures

MERLIN

And many more ahead, my students. Life is always a circle, full of new beginnings.

GWEN

Let's go home.

MERLIN

Lead on, Jewel Riders. Let us begin... again.
