## ACT I

(1) EXT. GLIMMER GLEN - DAY

EST. an Elfin village near the Elf Woods. It is a quiet "western town", with a Main Street and shops on either side. Elves, and Elf buggys pulled by Elf ponies stroll by. YE OLD ELF SODA SHOP is on one side, next to various open buildings where elves do their magical craft work. There is an Elf Clock Tower to one side as well.

Elves sing and work in various open shops, and shimmering magic sparkles like pixie dust, whispering up from their magical work.

A MONTAGE OF ELVES AT WORK:

BAKER, female - in apron and chef's hat, singing as she takes a pie from a brick oven.

ELF BAKER

Oh I bake bake bake bake  
pies, cookies, and cakes

Shimmering magic wraps around the pie. Instantly the pie crust expands and turns golden-brown. The pie is now large enough to feed 20 elves.

ELVIS Elf COBBLER - singing as he plays his guitar. Next to him is a rack of, plain-looking shoes.

ELVIS ELF

Oh, making shoes is what I do  
With a little elf magic, I could turn them blue.

Elvis swirls some rock and roll magic from his guitar into the shoes, transforming them into a rich, blue <SPARKLING> finish.

ELF SADDLE MAKER - singing as he polishes some plain saddles while an ELF PONY looks on. Pony bobs her head to the music.

ELF 3

Ho diddle de dee, an elf's life for me!  
we use our magic to make things great  
every day from noon till late.

The magic swirls into the saddles, transforming them into glossy pinks and purple leathers with rich ornaments.

PONY

(approving)

Neigh!

EXT. GLIMMER GLEN - TOWN SQUARE - DAY

WIDE - An Elf clock tower; wooden porches;. A FEMALE SHOPKEEPER sweeps her porch. An elf boy, KIP, about twelve, tosses a bright red ball against a wall.

A WIND suddenly kicks up <WHOOSH!>, blowing the ball o.s.  
Tumble weed tumbles by. Hats blow off heads.

CLOSE ON KIP - who takes, wide-eyed, at -

ANGLE ON STREET - With a clap of thunder, a magic portal opens and out from the center of it, fall three mean-looking TROLLS (CHESTER, LESTER and BINKY). They are thrown out of the wild magic, BINKY landing on Chester and Lester.

CHESTER

Doof!

ANGLE ON ELF TOWNSPEOPLE - who jump back, shocked!

TOWNSPEOPLE

(GASP!)

CLOSE ON TROLLS - as they get up to check out their new surroundings.

CHESTER

We're here, boys. Glimmer Glen!

LESTER

I got to hand it to you, boss, you really got us out of the wild magic!

BINKY

(excited like a little kid)

Can we ride the magic again, huh can we?

Chester puts his hand on Binky's head and bounces him to a stop.

CHESTER

Binky, old troll, we've found what we want,  
Magic!

ANGLE ON ELVES - as they peer around corners, peek out of barrels, and glance fearfully from behind doors.

NEW ANGLE - KIP, followed by the BAKER, ELVIS and others take a few tentative, cautious steps toward the trolls.

ELF.10/2/95

ANGLE ON TROLLS AND KIP

CHESTER  
What's the matter, Elf-boy?  
Never seen a troll before?

KIP  
W-W-Who are you?

LESTER  
We're the Troll-in-the-Wall gang.

CHESTER  
I'm Chester, and these here are my brothers.  
(pointing to each one)  
Lester...and Binky.

BINKY  
(waves friendly like to Kip)  
Howdy!

KIP  
What do you want here?

CHESTER

We hear you guys like to sing!

LESTER  
(looming next to Chester)  
We hear you sing magic!

CHESTER  
Just what we need to fix up these here wild jewels

KIP  
Wild Jewels?

TIGHT ON TROLLS - as they open their hands, displaying in each palm a strange, GLOWING JEWEL. (NOTE: Chester holds the STORM STONE, shaped like a TWISTER. Lester holds the NIGHT STONE, shaped like a BAT. BINKY holds the SNOW STONE, shaped like a SNOWFLAKE.)

LESTER  
Right from the wild magic!

BINKY  
Only they don't work so good.

CHESTER

So start singing!

ON ELF BAKER - as TOWNSPEOPLE in b.g. look at each other fearfully.

ELF BAKER

(boldly)

Only a wizard can tune a magic jewel!

Chester holds out his Jewel, towers over the little elf and bellows at her.

CHESTER

Aww, that's too bad. We just might have to tune you unless you start singing.

ELF BAKER

Old Elf Donald had a barn  
yo man yo yo yo

Magic sparkles from the elf and flows into the jewel.  
Chester's jewel glows with magic.

WIDE - as Chester's Jewel fires a beam of magic towards an open shop. Lightning flashes, thunder <BOOMS>, and rain <POURS> into the shop! A BIG WAVE <WASHES> out the doorway, carrying TWO ELVES TOWARD and OVER CAMERA.

ELVES

WHOOOooooaaaaAAAHHHH!!!

ANGLE ON STREET - The wave washes the two elves down the street and into the distance as the trolls laugh.

CHESTER AND LESTER

(wild laughter!)

CLOSE ON TROLLS - Lester holds out his Jewel. Binky shakes his jewel trying to use it, but it doesn't work.

LESTER

(bellows at a nearby Elf)

More, more singing!!

ELF 2

Twinkle, twinkle little Elf  
Don't just sit there on a shelf

Lester <FIRES!> his jewel. The beam comes out sideways, swings around and <ZAPS> Chester's backside.

ANGLE ON CHESTER - who hops around wildly...black smoke trailing off his butt.

CHESTER

Ouch! Ooch! Eech! Yowch!!

ANGLE ON HORSE TROUGH - as Chester dives in. <SPLASH!> The water <SIZZLES> and steam rises up o.s.

CHESTER

(relieved)

Aaaaaaaaaahhhhhh!

Lester pulls him out with a SPLAT!

LESTER

(sheepish)

Sorry, Boss.

Chester aims his Jewel.

CHESTER

(menacing)

I'll give you sorry...

WIDE - as Chester fires lighting from his jewel at Lester's feet, <ZAPPING> the ground. Lester dances.

LESTER

Ooh! Eek! Ouch!

KIP

(boldly)

The magic won't work for you!

CHESTER

Just keep singing!

BINKY

Can I sing with them, oh please? can I huh?

BONK! Chester bonks him on the noggin

CHESTER

You ninny, we need them to sing!

LESTER

(leading a group of elves)

All together now!

## ELVES

The trolls all dance and conduct the Elves as their magic jewels glow and sparkle.

## TROLLS

EXT. CRYSTAL PALACE - DAY

EST. Open woods behind the palace. A series of jumps have been placed in the area, like a horse show.

Tamara on Shadowsong race and leap over the rails - magnificent jumping.

ANGLE - Fallon, on Moondance, claps.

## FALLON

Good jump, guys!

## TAMARA

(pats Shadow)

Thank you.

Gwen is standing with Sunstar next to Fallon. She is selecting a saddle from a rack of different saddles and accessories. Archie is on Sunstar's back brushing her mane.

KIP (os)  
Princess! Princess!

WIDE ON SCENE - Kip runs up to them.

ARCHIE  
An Elf!

TAMARA  
Who are you?

KIP  
I'm Kip. You've got to help us!  
Trolls are in Glimmer Glen...with Wild Jewels!

ARCHIE flies down and lands next to Kip.

ARCHIE  
What do they look like?

ANGLE ON ARCHIE AND KIP

KIP  
Big and ugly with mean eyes.  
And they smell!

ARCHIE  
Doot! Not the trolls! The jewels!

KIP  
Oh! Well...  
(thinking hard)  
...umm, a TWISTER... a SNOWFLAKE...and a BAT!

Archie slaps wings to brow.

ARCHIE  
Doot, Enchanted Jewels.

ANGLE - The girls and unicorns join them.

GWEN  
Archie, we have all the Enchanted Jewels,  
don't we?

ARCHIE

The goods ones, but a few of them were unstable.  
Merlin hid them in the Wild Magic.

TAMARA

Could these be the hidden jewels?

ARCHIE

Could be.

KIP

And now these trolls have them!

FALLON

Using wild jewels is illegal in Avalon.

ANGLE ON GIRLS - Gwen rears up on Sunstar, flanked by Tamara and Fallon.

GWEN

Jewel Riders... Let's ride!

Jewel Wipe to:

(3) EXT. GLIMMER GLEN - TOWN SQUARE

The town is quiet as tumble weed gently blows across Main Street.  
The Jewel Riders ride into town. Archie sits on Sunstar's head.  
The town is quiet, too quiet

GWEN

It's quiet...

FALLON

Too quiet!

They hear a song being sung from the ELF SODA SHOP.

KIP

(pointing)

Over there!

The Jewel Riders ride up to the front of the SODA SHOP, and dismount.  
From inside can be heard -

ELVES

They'll be coming round with magic when they come  
They'll be coming round with magic when they come

ANGLE FROM INSIDE. The girls walk through the swinging doors and enter.

Through a cloud of Elf magical twinkles, the elves stop singing and stare as the Soda Shop goes quiet. The twinkly bits dissipate.

ELVES  
(quiet murmuring)

Jewel Riders!

The girls step up to the counter.

ELF SODA JERK  
Hi there, what'll you have?

GWEN  
Information!

FALLON  
We're looking for 3 trolls, seen anybody  
that meets the description?

Soda Jerk raises his eyebrows, nods his head, pointing in the other direction, across the room.

CHESTER (os)  
Ha ha ha ha!

The girls turn as the Soda Jerk zips down behind the counter. The girls see three trolls sitting at a table across the room. Chester has his big feet up on the table. Dozens of empty glasses are on the table along with stacks of bowls of ice cream sundaes and plates of burgers and fries. Binky is still slurping on a straw and holding two ice cream sodas. Lester has his face full of burgers.

CHESTER  
Well, well well, Merlin's little angels.  
Come to scold us!

The girls approach the table.

GWEN  
You wouldn't be using wild jewels  
would you?

CHESTER  
And what if we were?

FALLON  
Then you'd be in trouble.

CHESTER  
(faking being scared)  
Oooh, I'm shakin' in my socks!!!

BINKY  
Uh, you don't wear socks, Chester.

CHESTER  
Oh shut up!

BINKY  
(To the girls)  
The elves make great ice cream sodas,  
would you like one?

CHESTER  
(Now he's pissed)  
Forget it! We ain't sharing our ice cream  
with no Jewel Riders!!!

TAMARA  
(To Binky)  
Sharing is for friends, you haven't made any  
friends here.

Binky looks sad and cries.

BINKY  
Aww....

LESTER  
Don't need them either, got magic!

Chester slams his ice cream soda on the table, and stands.

CHESTER  
Think you can stop us, Jewel Riders?

Gwen boldly steps forward.

GWEN  
Try us!

Chester and Lester throw aside their chairs and step out to face the Jewel Riders. Binky quickly follows, then goes back to grab his soda.

The girls spread out in a triangular defensive position, Gwen in the middle.

CU - Chester's eyes - mean  
CU - Gwen's eyes - beautiful  
CU - Fallon's eyes - tough  
CU - Binky's eyes - silly  
CU - Archie's eyes - doot!

Chester and Lester draw their Jewels.

The Jewel Riders draw their Jewels and raise them in the air.

GWEN  
By the magic of the Sun Stone!

FALLON  
By the magic of the Moon Stone!

TAMARA  
By the magic of the Heart Stone!

The girls power up!

Chester holds up jewel and - BLAST! - FITZ!  
The magic suddenly <FIZZLES> out.

CHESTER  
Huh? Hey, what gives?!

CHESTER hits the Jewel on his thigh. <SLAP! SLAP!>

BINKY  
It's broken again!

LESTER  
Sing something!

BINKY  
This old Troll, he had none...  
got some magic and found some fun.

Chester's stone glows and radiates magic.

CHESTER  
He ha! That's more like it!

A BIG blast of magic shoots from Chester's Stone. A huge wind blows Binky right out the front door.

ANGLE OUTSIDE ON STREET -  
BINKY lands in a heap. He looks up, ice cream all over his head.  
Inside can be seen cartoon explosions, as flashes of magic fly out  
of the saloon doors.

Suddenly Chester and Lester fly out of the doors and land on Binky.

ON TROLLS - Chester throws his brothers off him. They scamper up  
and take positions.

ANGLE ON SALOON DOORS. Fallon kicks open the saloon doors as the  
JEWEL RIDERS walk outside, powered up and ready for action. They  
step into the street, the unicorns take positions next to their  
friends.

GWEN

In the name of Merlin and Avalon,  
I command you to surrender those Jewels!

CHESTER - jumps back up, shaking his Storm Stone at them.

CHESTER

Forget it! We found them!  
And we're keeping 'em!

WIDE ON TOWN SQUARE - The trolls, side by side, step forward and  
face the girls, their Jewels aimed and ready.

CHESTER

This town ain't big enough for the both of us!

ANGLE ON JEWEL RIDERS AND UNICORNS - stepping forward, side by  
side, their Jewels raised and ready.

FALLON

This KINGDOM isn't big enough for the both of us!

ANGLE ON CLOCK TOWER - as it chimes once. <BONG!>

DOWNSHOT OF TOWN SQUARE - The trolls and the girls and unicorns  
<FIRE> their magic simultaneously. Their beams block each other in  
a blaze of magic. Magic sparks fly everywhere.

**BRIEF FLURRY OF INTERCUTS:**

- Elves scatter around buildings.
- Elves dive head-first into barrels.
- Elves leap behind doorways.

KIP - runs over to join Archie by the side.

ARCHIE

You heard the Princess!  
Give up those jewels!

ON TROLLS - Chester shrugs resignedly.

CHESTER

Oh, okay. Whatever you say.

ON Lester - who pulls back his NIGHT STONE...

LESTER

Cover me, boys!

...and thrusts it AT CAMERA. Inky darkness fills the screen.  
ON ARCHIE - his white eyes blink open in the dark ink.

ARCHIE

Doot! A simple "no" would have sufficed.

FALLON

Moondance, let's light up the night!

Fallon and Moondance flash bright magic from their Moonstones. A bright moon rises into the night and washes away the inky blackness.

The trolls are revealed and puzzled.  
Chester steps forward and holds up his Storm Stone.

Dark Valkyrin music blasts out of the stone. The dark heavy music forms a storm cloud and attacks the girls.

GWEN

Tamara, ShadowSong, take it!

Tamara holds up her Heart Stone next to Shadowsong's.

TAMARA

Let the magic of the Heart Stone,  
calm this Storm!

Tamara's Heart Stones creates a magic harp. Shadow's Heart Stone sends a bow that runs up and down the strings of the harp strumming out chords of sweet music. The sweet music dissolves the dark cloud.

GWEN/FALLON

Yea!

ON SHADOWSONG AND TAMARA - Shadowsong nods approval to Tamara.

SHADOWSONG  
That was a delightful duet.

TAMARA  
(bows)  
Why, thank you.

CLOSE ON BINKY - shaking his jewel around. He looks at it. Shakes it again. Places it next to his ear. He sniffs it, then tries to bite it. He looks at it and - a blizzard of snow explodes out.

BINKY  
Ahh!

ANGLE ON GIRLS - A blinding snow BLIZZARD forms around them!

GWEN  
I've got this one!

Gwen's SUN STONE arcs a rainbow out that compresses the snow together in a giant snowball.

ON CHESTER - who aims his STORM STONE AT CAMERA. On "this!" he <FIRES> a large LIGHTNING BOLT!

CHESTER  
Let's see you make a rainbow outta this!

ARCHIE AND KIP - duck a lightning bolt that <ZAPS> overhead. They fall into the growing snowball.

ARCHIE  
Gak!

ANGLE ON JEWEL RIDERS - A larger lightning bolt <SLAMS> into the ground, throwing the girls and unicorns to the ground.

GWEN/TAMARA/FALLON  
Aaaaahhhh-- oof!

The Troll's MAGIC turns the snowball into a rooftop-high SNOWMAN! As the snowman grows, Archie and Kip are caught inside it. Their heads pop out the sides of the snow.

SNOWMAN  
<MENACING GROWL!>  
ARCHIE  
AAK!

KIP

Whooooaaaaahhhh!

ON JEWEL RIDERS - who race and leap onto their unicorns!

TAMARA

Oh, no!

THEIR POV - The giant Snowman waving around with Archie and Kip stuck inside.

SNOWMAN

<FIERCE GROWLS!>

ARCHIE

Let us go, you oversized snowball!

BACK ON THE JEWEL RIDERS - who race over to the Snowman.

GWEN

Hang on!

ON TROLLS - looking on happily.

LESTER

That oughta take care of 'em!

CHESTER

Let's get these jewels tuned...  
Sing ya little varmints!!!

Elves start singing.

ELVES

99 little elves on the wall, 99 little elves,  
if one of the elves should happen to fall  
into the wild magic, 98 elves would be left.

DRAMATIC UPSHOT OF CHESTER, LESTER AND BINKY - positioning their Jewels together.

Magic from the elves flows into the jewels.  
The jewels get bright with power.

ANGLE ON TROLLS, Chester forms a satchel and syphons off all of the Elf magic into it.

ELVES

Choke - Croke - Gasp!

BACK ON JEWEL RIDERS AND SNOWMAN - who <STOMPS> around the town, crushing buildings like Godzilla, with Archie and Kip stuck inside.

SNOWMAN

<MENACING GROWLS!>

KIP

Heeeelllppp!

ON GIRLS - Tamara and Fallon aim their Jewels at the Snowman. Before they can fire:

GWEN

No! You'll hit Archie and Kip!

Chester fires his jewel and a portal to the wild magic opens before them.

CHESTER

We did it! What'd I tell you, boys?!  
Let's amscray!

CHESTER/LESTER/BINKY

(loud guffaws!)

The cloud <EXPLODES> into a massive, sky-high TWISTER of WILD MAGIC!

ANGLE ON ELVES - wide-eyed, clutching each other, pointing in terror at the o.s. twister.

WIDE - The twister <WHISTLES> toward the Jewel Rider group!

THE JEWEL RIDERS <FIRE> turn from the snowman and -

WIDE - The twister sweeps them all up. Girls, and unicorns spin around helplessly.

The trolls leap into the wild magic.  
Chester pops his head out of the portal.

CHESTER

Sayonara, Jewel Riders!

ANGLE ON - TWISTER - as our Jewel Riders spin around helplessly!

ANGLE ON - The Snowman stomps the town.

END OF ACT ONE

ACT TWO

EXT. GLIMMER GLEN - MAIN STREET

The Twister carries the girls up into the sky. Tamara dives and rolls into position. She holds her Heart Stone out.

GWEN

Watch out, Tamara!

TAMARA

Heart Stone, spin this twister 'round,  
Let it flutter to the ground!

Tamara and the unicorns all fire. The magic of the Heart Stone enhanced by the Sun and Moon Stone turns the twister in the opposite direction. The twister untwists itself and turns into a flurry of flowers. The flowers rain all over the town.

The girls and unicorns are carried to the ground on a bed of flowers.

ANGLE - SNOWMAN is still wrecking havoc.

TAMARA

Gwen, We'd better do something fast!

Gwen boldly confronts the Snowman.

GWEN

All right, you Snowman!  
The heat's on!

Gwen aims her Jewel at the Snowman and <FIRES> a wide SUNBEAM.

UP ANGLE ON SNOWMAN - who starts to sweat in Gwen's beam.

SNOWMAN

<Huh?>

CLOSE ON ARCHIE - wearing his Jewel Rider sunglasses.

ARCHIE

(Groan) I forgot my sunblock!

ANGLE ON SNOWMAN - Sweating and shrinking, he looks deadpan AT CAMERA...

SNOWMAN

<RUH-OH.>

WIDE - as the Snowman melts into a puddle, and soon a river washing Kip and Archie out in mid-air.

KIP

Whoahhh!

ARCHIE

Kip!

FOLLOW as Kip falls through SHOT. GWEN AND SUNSTAR rise up INTO SHOT and catch Kip on Sunstar's back.

GWEN

Need a lift?

KIP

(impressed)

Awesome!

CUT TO:

( ) EXT. TOWN SQUARE  
THE ELFIN VILLAGERS - stand around the Jewel Riders.

ON GWEN - she stands next to Sunstar.

GWEN

Everyone okay?

ARCHIE

Does freezing count?

FALLON - looks around, realizing...

FALLON

The trolls! They're gone!

TAMARA

With the Wild Jewels!

KIP

And our Elf magic!

ANGLE ON ELVIS, BAKER AND ELVES. They try to sing but it only comes out like a <CROAK>!

ELVES

Croak!

Gwen walks INTO SHOT.

ELF.10/2/95

GWEN  
Don't worry. We'll get it back.

TAMARA  
Which way did they go?

GWEN  
Fallon, can you and Moondance track them?

Fallon and Moondance combine their Jewel Power. Fallon projects her magic finder. She studies three blinking bits.

FALLON  
I've got a trace on those Jewels.  
The trolls jumped into the wild magic,  
but fell out not far from here.

GWEN  
Jewel Riders, let's ride!

CUT TO:

( ) ELF WOODS - DAY

Under the great trees of the forests - ANGLE ON Lester and BINKY - studying their Jewels.

LESTER  
What happened?

BINKY  
Yeah, we fell right out of the wild magic?!

CHESTER  
The jewels are tuned and ready!

BINKY  
Where to now, Boss? The Northwoods? Misty Moors?

CHESTER  
We're not going anywhere until we figure out this wild magic!

LESTER  
All powered up and nowhere to go!

FALLON (os)  
We can assist you!  
Just turn over those jewels!

Lester and BINKY look up, startled.

THEIR POV - Gwen, Fallon and Tamara on their unicorns, their Jewels still glowing. Archie sits on Sunstar.

BINKY  
(Happy)

Look Boss, it's them.

CHESTER

Jewel Riders!

LESTER

Again?

BINKY

Hi, ow!

Chester bonks Binky.

CHESTER  
You've made a big mistake tracking us down.  
These jewels are full of magic now!

GWEN  
We're afraid you made the mistake, boys!

CHESTER  
(to brothers)

BLAST 'EM!

The trolls fire their Jewels AT CAMERA.

JEWEL RIDERS - fire their Jewels AT CAMERA.

WIDE - The opposing beams <CLASH> and lock, <SHOOTING> out fiery sparks like a Fourth of July sparkler.

ANOTHER ANGLE - The Jewel Riders' magic "gains" on the Trolls' magic. Like an arm wrestle, the girls' beam is overpowering the trolls' beam, pushing it back toward the trolls.

LESTER  
Hey, Chester, we're losing!

CHESTER  
Keep firing...  
While I grab some extra magic!

Chester drives his Storm Stone into the satchel and pulls it back out, now covered with GOLD SHIMMER, like sugar on a donut. He thrusts it INTO CAMERA. On "THAT" he <FIRES!>

CHESTER

Take THAT, Jewel Riders!

WIDE - Chester's beam of magic <SLAMS> into the Jewel Riders' beams. The girls stagger back under the impact, but manage to keep their footing and hang on, even more determined!

Lester - drives his Night Stone into the satchel, pulls it out, now shimmering like Chester's, and <FIRES> a wide beam.

LESTER

Might as well give up, Jewel Riders!

'Cause now we've got Jewel Power!

WIDE - Lester's bolt of magic <SLAMS> into the girls' beams, again staggering them.

ARCHIE - shields his face with a wing.

ARCHIE

Doooot! I should have stayed with the Snowman.

ANGLE ON JEWEL RIDERS - who regain their footing.

CLOSE ON TROLLS - BINKY drives his Snow Stone into Lester's satchel and pulls it out...

BINKY

Hey, I can do that.

...then THRUSTS his SNOW-STONE into CAMERA and <FIRES!>

CLOSE ON JEWEL RIDERS - whose hair starts blowing in a sudden wind from behind. <O.S. RUMBLE!> The girls look behind them, and TAKE BIG!

GIRLS' POV - UPSHOT on tree-lined mountain slope directly behind them. From the top <ROARS> down an AVALANCHE of snow, mowing down trees and heading straight for them!

MOONDANCE

AVALANCHE!

DOWNSHOT OF ARCHIE -

Gak!

ARCHIE

BINKY

Look what I did! Ha ha ha

Lester and Chester pat Binky on the back.

LESTER

They're finished now!  
That thing'll mow down everything in its path!

CHESTER

Yeah!

CLOSE ON CHESTER - He slowly realizes. His smile evaporates.

CHESTER (cont'd)

Say, wait a minute.  
Binky!! WE'RE in its path, too!

BINKY

Oh oh

ON TROLLS - A beat - look at:  
ANGLE ON AVALANCHE - rushes at them

TROLLS

AAAAAAHHHHHHH!!!!

ANGLE ON AVALANCHE - rushes at the jewel riders. Almost upon them!

DOWNSHOT OF JEWEL RIDERS - They RIDE RIGHT TOWARD IT. Gwen THRUSTS her SUN STONE at CAMERA and <FIRES!>

ON AVALANCHE - Gwen's beam of magic <ZAPS> the <ROARING> SNOW, dissolving it into a cascading, shimmering WATERFALL.

WIDE - The water flows through the forest, quickly forming a LAKE.

ON JEWEL RIDERS - Tamara <FIRES> her Jewel and creates a magic RAFT beneath them. The water rises and gently lifts the raft.

ON TROLLS - who clutch their satchel and shimmy up a nearby tree. Top to bottom: it's BINKY, Chester, Lester.

CHESTER

Those Jewel Riders are good!

THE SKINNY TREE - <CREAKS> and bends under their weight, until they're a few feet above the water. A few ducks swim by.

LESTER

One of these days, we gotta learn to swim.

The tree <SNAPS!>

BINKY

Now's a good time!

CHESTER

Binky, your Jewel!

BINKY

Nice, isn't it?

CHESTER

Binky, would you like to use that jewel?

BINKY

Sure, Boss

The tree <SNAPS!> lowering them further to the water.

CHESTER

How about RIGHT NOW!

BINKY

Oh, good idea.

In mid-air, BINKY <FIRES> his Snow Stone.

PULL BACK - the lake freezes into an ICE SKATING RINK, just as the trolls and their tree trunk land on it <THUNK!>. The tree trunk and passengers slide o.s. like a bobsled team.

TROLLS (on/os)

Whooooaaaaahhhh!!

ON JEWEL RIDERS' RAFT - frozen in the ice! Tamara points o.s.

TAMARA

There they go!

The girls jump onto the ice, followed by the unicorns and Archie, perched on Sunstar. Everyone slides in different directions.

FALLON

Try these.

Fallon <FIRES> a beam of magic at the girls' feet. PAN DOWN - beneath the girls' boots are glowing ICE SKATE BLADES that magically form!

GWEN

Good one, Fallon!

FALLON - grins at the others.

FALLON

I always did like winter sports!

FALLON speed-skates off after the trolls, with Gwen and Tamara right behind her, skating in perfect circles.

CLOSE ON UNICORNS AND ARCHIE - as they struggle forward...

SUNSTAR

Wait for us-- Whoaahh!

...and drop out of shot, one by one. <THUNK!><THUNK!><THUNK!>, leaving Archie <FLAPPING> in mid-air. He looks down.

ON UNICORNS - as all three slide out of control, spinning on their bellies with legs extended. (Think "BAMBI")

UNICORNS

WOAOhhhhhhhh!

CUT TO:

EXT. FROZEN LAKE - elsewhere

HOLD on scene as the trolls (BINKY in front; then Chester; Lester in back) speed through on their bobsled tree trunk -- and o.s.

TROLLS

A BEAT, then Fallon SPEED-SKATES through scene with Gwen and Tamara in triangular formation behind her.

BACK ON TROLLS - Lester <FIRES> magic back toward the girls.

ON FALLON - zig-zagging through the bursts of magic and twirling in the air like an Olympic skater.

Gwen and Tamara perform jumps and pretty skating moves as they avoid the blasts.

CUT BACK TO:

EXT. FROZEN LAKE - previous spot  
Sunstar, <FLAPPING> her wings, regains her footing and prepares to fly, then glances behind her.

SUNSTAR

Are you okay?

WIDEN TO REVEAL - Archie raising Moondance's front legs up on the ice.

ARCHIE

Oh yes, just fine! (strain)  
Two up and (strain) two to go!

Sunstar flies o.s.

ARCHIE finally has MOONDANCE up.

ARCHIE (cont'd)

We'll be right behind you!

Shadowsong slides into scene knocking them back down.  
Moondance collapses onto Archie. <PLOP!>

ARCHIE (cont'd)

dOoF!

MOONDANCE

Sorry, Archie.

CLOSE ON ARCHIE - as he sticks his head out from under Moondance.

ARCHIE (cont'd)

...or we could just wait here.

CUT TO:

LESTER

Let's see 'em get through THIS!

TIGHT ON BAT-SHAPED NIGHT STONE - Lester <FIRES!>

WIDEN TO REVEAL - a dark FOG billowing from Lester's Night Stone out toward the girls.

ANGLE ON GIRLS - as the fog engulfs them.

TAMARA

I can't see!

SUNSTAR - swoops down INTO SHOT. She fires her Sun Stone, cutting a swath through the fog and <BATS HER WINGS> mightily, blowing the fog away from the girls and back toward the o.s. trolls.

GWEN

Sunstar!

Sunstar glides down past Gwen. With a running leap, Gwen is on her back, and they fly o.s.

GWEN

We'll head them off the pass!

ANGLE ON TROLLS - still on their speeding tree trunk. Lester glances back behind them, and TAKES.

Lester'S POV - the FOG chasing them, and gaining fast!

LESTER

Uh-oh.

BINKY - facing forward, TAKES at something in front of them.

BINKY'S POV - a BOULDER, dead ahead!

BINKY

Say, Boss.

CHESTER

Not now, Binky, I'm thinking.

BINKY

But Boss, it's important

CHESTER

what what WHAT?!

Binky points

LESTER

One of these days, we gotta learn to drive.

BINKY

Now would be a good time.

Chester sees what's coming. Chester stares AT CAMERA, deadpan.

CHESTER

I got a baaad feeling about this.

The FOG engulfs them, obscuring them from Camera. A BEAT, then  
<CRAAASSHHH!!!> CAMERA SHAKE.

PULL BACK - The trolls and their satchel of magic fly up out of the fog -- still seated, but without the tree -- and o.s.

TROLLS

Yaaaaaaahhhhhh!!

ANGLE ON SKY - as the trolls enter shot, stop in mid-air...

...and PLUMMET o.s.

TROLLS

Yaaaaaaaaaaaaahhhhhh--!!!

ON ICY GROUND - The trolls <CRASH-LAND> into shot.

TROLLS

Doof!

Their Wild Jewels and satchel go sliding o.s.

CHESTER

Our magic!

ON SATCHEL - CHESTER dives INTO SCENE, hands outstretched, like a ballplayer stealing third! Just as he's about to grab the satchel, it's swept UP OUT OF SHOT. CHESTER goes sliding out of shot.

CHESTER

waaaa

TILT UP TO REVEAL - Gwen on Sunstar directly above him, watching him slide by!

GWEN

I'll hold this for you!

ANGLE ON NIGHT STONE - sliding across the ice AT CAMERA. Lester dives INTO SHOT behind it, hands outstretched.

Just as the Jewel is about to HIT CAMERA, a magical ICE SKATE BLADE - attached to a Jewel Rider Boot - ENTERS SHOT and steps on the Jewel. Lester looks up.

HIS POV - UP ANGLE of Fallon staring down at him.

FALLON

You've had this long enough!

ANGLE ON SNOW STONE - sliding to a stop on the ice. BINKY skates in like a hockey player, arms outstretched. Before he can grab it, Archie skates in with a HOCKEY STICK-shaped branch, swings and <WHACKS> the Jewel o.s.! ARCHIE skates on with his hockey stick.

ARCHIE

Hoo-hooooo! Nailed it!

QUICK ANGLE ON GWEN AND SUNSTAR - landing on the ice.

THE SNOW STONE - flies into a "GOALIE NET" of magic produced by Tamara's beam.

ARCHIE - throws his wings up triumphantly as he skates by.

ARCHIE

Goal!

ANGLE ON STORM STONE - coming to rest on the ice.

CHESTER - slides for the o.s. Jewel.

GWEN - from opposite direction, skates for the o.s. Jewel.

ANOTHER ANGLE ON STONE - as Chester and Gwen, arms reaching, slide INTO SHOT from opposite directions.

CLOSE ON STONE - as Chester's hand grabs it!

CHESTER

Gotcha!

ON GWEN AND CHESTER - Before Gwen can stop, Chester is thrusting his Storm Stone at her.

CHESTER

You're finished, Princess Jewel Rider!

The jewel fires but -

SHADOWSONG and MOONDANCE slide into Chester from both sides, knocking the Jewel from his hand and up into the air - the arcing jewel turns and opens a portal into the wild magic.

Shadow slides over to Tamara. Moondance slides over to Fallon.

QUICK ANGLE ON TAMARA - who beams at the Zebracorn.

TAMARA

Good move, Shadow.

FOLLOW as the STORM STONE falls through the air and lands in GWEN'S outstretched hand.

ANOTHER ANGLE - Gwen brandishes the Storm Stone as Chester rubs his sore backside.

GWEN

I'd say YOU'RE the one who's finished!

The trolls turn and face the portal.

CHESTER

Boys, I think it's time to vamoose.

LESTER

One of these days we have to learn to ride the wild magic.

BINKY

Now's a good time.

The three trolls leap into the portal and vanish. Chester leans out.

CHESTER

You ain't seen the last of us, Jewel Riders!

Binky and Lester pull Chester in and they vanish. The portal closes.

FALLON

We lost them!

ARCHIE

Well, without these Jewels, they're going to have a hard time getting out.

ON SUNSTAR, ARCHIE AND MOONDANCE

SUNSTAR

Archie, how did you get Moondance  
back up on the ice?

ARCHIE

Oh, quite simple, really. A little perseverance...

CLOSE ON ARCHIE displaying the bottom Moondance's hooves.  
Magical skates cover the bottoms.

ARCHIE

...and some new shoes!

WIDE - Everyone has a good laugh as Moondance skates around  
them in a circle.

GIRLS/UNICORNS

dismount. Kip and the other elves rush over to them.

Tamara holds up the satchel of magic.

KIP

They've brought back our magic!

TAMARA

Elfin magic, rain down.

Restore the Elf songs to this town!

Tamara throws the satchel into the air. The girls fire their  
jewels at the satchel. Magic bursts out and rains down over  
the delighted elves.

DOWN ANGLE - The elves dance in the magic!

ELVES

We're singing in the magic.  
Sing, sing, singing again!

ANGLE ON FALLON AND MOONDANCE - Fallon smiling, Moondance nodding approvingly.

WIDE - as the townspeople dance in the streets.

CLOSE -The girls, unicorns and Archie surround Kip, while the townspeople look on happily.

GWEN

Kip, you were very brave today.

TAMARA

Someday you could enter the Friendship Ring and become a Jewel Rider.

ON ARCHIE AND KIP - Archie pats him on the back.

KIP

A Jewel Rider! Wow!

ANOTHER ANGLE - Gwen mounts up on Sunstar; Fallon onto Moondance; Tamara onto Shadowsong. Gwen produces the three WILD STONES from a small pouch.

GWEN

It's time to get back to the Crystal Palace and these in the Jewel Keep.

TAMARA

When Merlin returns, he'll know what to do with them.

ANGLE ON KIP AND JEWEL RIDERS - who prepare to ride.

KIP

Thanks for everything.

The Jewel Riders ride out of town and into the sunset.

GWEN

(Calls back)

Take good care of Glimmer Glen.

Kip straightens his shoulders and stands very, very tall.

KIP

You can count on it!

WIDE ON TOWN - The townspeople wave farewell to the Jewel Riders, who ride out.

ELVES

Bye Bye, Jewel Riders!

WIDE ON HORIZON - as the Jewel Riders ride into the glorious SUNSET.

ANGLE ON - Jewel Riders riding out of town. Archie sits behind Tamara on Shadow, leaning back-to-back against Tamara.

TAMARA

Well, this was a day Glimmer Glen won't soon forget!

ARCHIE

Nor will I.  
Trolls, twisters, horrible snowmen.  
I'm looking forward to a nice, quiet ride home.

Gwen leads Sunstar into a full gallop.

GWEN

Jewel Riders, let's ride the wild magic!

The three girls each hold out their jewel as they ride into a full gallop. The jewels blaze before them.

The Jewel Riders each leap into the air upon their unicorns.

Archie holds onto Shadow's tail.

ARCHIE

Oh No! Gakk!

Flare to white - FADE OUT
