4. You will send/fax/email/call in your deposit for \$150 via credit card.
5. Upon receipt of the \$150 deposit your order is now considered active and DMC will send you your timeline which includes your deadline dates for:
 - a. Design approval date

 - c. Measurements date
 - d. Payment dates
6. A full contract will be email to you by @Daniel_Magana_Couture (read and sign)
7. Now everyone is ready to get started on designing and manufacturing costumes for your ensemble!

DESIGNING AND SELECTING YOUR COSTUME

DMC is proud that our unique costumes are designed and manufactured with the client in mind. Our #1 priority is to make your ensemble look and feel their best.

Custom Designs – Your delivery date is determined after we have received your deposit. The time of year is also a factor.

- Our design team would love to create a custom design for you and your group of performers by utilizing your design, our library of designs or a custom design.
- \$185 minimum budget per costume.
- There are a limited number of custom design production spots available during each season.
- It is important that you start early by sending your thoughts and ideas to the designers as soon as possible.
- We have found that scheduling a telephone conference works great to hash out the details of your information.
- Custom Designs are more expensive, generally the average is about \$185.00 - \$500, it all depends on the number of fabrics, the types of fabrics and the overall design complexity.
- Your order is considered active upon receipt of your deposit.

PLEASE NOTE: Refunds on shipping charges will not be given for delays occurring once UPS is in possession of the package. This includes delays caused by weather, transportation issues, etc.

* Alaska, Hawaii and all other shipments outside of the US will incur additional shipping rates. That rate will be determined upon invoicing.

If you would like us to use another UPS shipping service other than what is listed above such as Saturday delivery, the rate will be determined at time of request.
